GEARBOX MAGAZINE

Createspace Independent Publishing Platform **Being a gearhead matters. Much as we love reading about the latest hypercar or money-no-object custom project, we believe vehicles owned - and loved - by gearheads like us are just as meaningful, if not moreso. Our readers are self-made. We buy vehicles for specific reasons and we learn how to maintain, modify, and repair them ourselves. (With a little help from our friends, of course!) Everyone you meet in an issue of Gearbox Magazine is cool. If you spotted them in a parking lot, you could walk right up to them and strike up a conversation. And chances are you might end up lifelong friends. We're not looking to get rich and forget our roots. We're trying to make a few bucks so we can spend more time helping gearheads build high performance machines & lives. This issue isn't perfect, but neither are our daily drivers. We hope you'll grab a copy and tell a couple friends about us. Thanks for checking us out. GBXM-united. Better living through busted knuckles.**

MARGINALISED COMMUNITIES IN HIGHER EDUCATION

DISADVANTAGE, MOBILITY AND INDIGENEITY

Routledge **"Drawing on examples from nine countries across five continents, this book offers anyone interested in the future of higher education the opportunity to understand how communities become marginalised and how this impacts on their access to learning and their ability to thrive as students. Focusing on groups that suffer directly through discriminatory practices or indirectly through distinct forms of sociocultural disadvantage, this book brings to light communities about which little has been written and where research efforts are in their relative infancy. Each chapter documents the experiences of a group and provides insights that have a wider reach and gives voice to those that are often unheard. The book concludes with a new conceptualisation of the social forces that lead to marginalisation in higher education. This cutting-edge book is a must read for higher education researchers, policy makers, and students interested in access to education, sociology of education, development studies, and cultural studies"--**

TERRACE VI

FORBIDDEN FRUIT

Welcome to the Sixth Terrace of Dante's tower of Purgatory, serving up sins of gluttony in an eternal banquet. On this carefully curated menu you'll find children stuffing themselves to death, a forgotten saviour gorging on cheeseburgers between bareknuckle rounds on the roadhouse circuit, wealthy socialites revel in an orgiastic alien feast, and the end of days as seen through an apocalyptic carnival of indulgence. Excessive consumption also manifests in darker hungers, for cruelty, for distraction, or possession. A pair of grifters bent on having it all chase a Scottish leprechaun across the English countryside, a newly deceased addict vies for the attention of Heavenly Higher Ups, degenerate poker players gamble with unforeseen currency, and when an old lady swallows a fly, it's just the beginning... Featuring nine stories of grotesque appetite and glorious excess from a gory gaggle of creators, they say too much of anything is poison, yet these condemned swallow each piece of forbidden fruit while reaching for the next, never to be sated. They can't help themselves. Can you? Stories and art by: Mike Thorn (Darkest Hours, Shelter for the Damned) Robin van Eck (Rough) Eddie Generous (Camp Summit, What Lurks Beneath, Behemoth Rising) Julie Hiner (Final Track) Konn Lavery (Mental Damnation Series, Rutherford Manor Series) Cam Hayden (Futility, Red Flag) Sarah L. CENTER CENTER

A FUNNY, SEXY, SAD ALMOST-MEMOIR OF A BOY IN BALLET

[Penguin](#) "James Whiteside is an electrifying performer, an incredible athlete, and an artist, through and through. To know James is to love him; with Center Center, you are about to fall in love." —Jennifer Garner "A frank examination and celebration of queerness." —Good Morning America A daring, joyous, and inspiring memoir-in-essays from the American Ballet Theatre principal dancer-slash-drag queen-slash-pop star who's redefining what it means to be a man in ballet There's a mark on every stage around the world that signifies the center of its depth and width, called "center

center." James Whiteside has dreamed of standing on that very mark as a principal dancer with the prestigious American Ballet Theatre ever since he was a twelve-year-old blown away by watching the company's spring gala. **The GLAMOUR. The VIRTUOSITY. The RIPPED MEN IN TIGHTS!** In this absurd and absurdist collection of essays, Whiteside tells us the story of how he got to be a primo ballerino—stopping along the way to muse about the tragically fated childhood pets who taught him how to feel, reminisce on ill-advised partying at summer dance camps, and imagine fantastical run-ins with Jesus on Grindr. Also in these pages are tales of the two alter egos he created to subvert the strict classical rigor of ballet: JbDubs, an out-and-proud pop musician, and Ühu Betch, an over-the-top drag queen named after Yoohoo chocolate milk. **Center Center** is an exuberant behind-the-scenes tour of Whiteside's triple life, both on- and offstage—a raunchy, curious, and unapologetic celebration of queerness, self-expression, friendship, sex, creativity, and pushing boundaries that will entertain you, shock you*, inspire you, embolden you . . . and maybe even make you cry. ***THIS IS NOT A BOOK FOR CHILDREN.**
