THE AMISH QUILTMAKER'S UNRULY IN-LAW

Zebra Books Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham "This is an endearing romance that fans of Wanda Brunstetter will love." —Publishers Weekly

ALONE

Sourcebooks, Inc. This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...

POLARIS PREDATOR 2003-2007

Haynes Manuals N. America, Incorporated Predator 500, 2003-2007; Predator 500 (Troy Lee Designs) 2005-2006

THE UPPER HALF OF THE MOTORCYCLE

ON THE UNITY OF RIDER AND MACHINE

Motorbooks Bernt Spiegel's *The Upper Half of the Motorcycle* was a best-selling motorcycling book in its original German with multiple editions and printings to its credit. Now translated into English, its provocative message is available to a wider audience. Spiegel's metaphor considers the rider and the motorcycle as a single unit, the rider being the upper half. Taking a multidisciplinary approach, the author draws on anthropology, psychology, biology, physics, and other disciplines to analyze the theory and function of the man-machine unit. Motorcycle riding is seen as a junction where people have created machines for personal transport and then become so adept at using them that the machine becomes like an extension of the rider themselves. The ultimate goal for riders is the integration of the man-machine interface and subsequent skill development to the point of virtuosity. Spiegel considers the various aspects of motorcycle riding that must be understood, practiced, and mastered before virtuosity can be attained. Many anecdotes, supplementary material, and in-depth treatment of specialized topics is contained in sidebars and footnotes. Numerous diagrams and photographs illustrate the book's principles allowing the reader to consider and develop their riding skill set.

WIRE IN DESIGN

MODERN WIRE ART & MIXED MEDIA

Penguin *Wire is not boring or still... Wire is alive!* Wire has held fascination as an art and craft medium for many years, but it has only come into the limelight as of late. If you have an interest in wire's rich past or the desire to explore this creative medium, you will find everything you need in this comprehensive volume. Besides discovering how many innovative artists have used wire effectively in their art, you will learn how to apply the elements and principles of design in your own wire artwork. • More than a dozen projects, including jewelry and home decor accessories • Complete guide to basic wire techniques and applications • Showcases the work of more than 75 talented artists

YAMAHA YFZ450 & YFZ450R 2004-2017

Haynes Manuals N. America, Incorporated Each Clymer manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine. This manual covers the Yamaha YFZ450 and YFZ450R built from 2004 to 2017. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box.

ICELAND SEROW SAGA

BIG ADVENTURES ON A SMALL MOTORBIKE

Helen Lloyd went to Iceland via the Faroe Islands and found freedom and adventure riding her old Yamaha Serow motorbike, tackling the rough trails and deep river crossings past glaciers and volcanoes. Despite killer sheep, cold winds and driving rain, Iceland's steaming hot pools, strong coffee and generous people melt snow and warm hearts.

CHILDREN'S HEALTH IN AMERICA

A HISTORY

Twayne Pub "What greater investment can a nation make than in the health of its children? Yet tragically, until the twentieth century nearly half of all children in the United States died before reaching adolescence." "The history of children's health in America - its evolution from the rudimentary ministrations of colonial times to the comprehensive care afforded children today - is a fascinating story, not just of medical advances but of society's changing perspectives and emphases, and of the roles religion, philosophy, and science have played in children's health care." "To understand the history of children's health in America, we must move beyond political campaigns, industrialization, and even the startling science of the physician and instead emphasize the home and the hearth as much more dramatic determinants of the health of American children," asserts Charles R. King, M.D., in this inaugural volume in Twayne's History of American Childhood Series. Arranged chronologically, the book provides an absorbing survey of children's health from colonial times to the present - from the influence of Rousseau to the focus on motherhood, from the rise of "pediatrists" to the growth of the "child saving" movement, and from the 1921 legislation heralding the government's first major involvement in children's health to the tremendous achievements of modern pediatric science and the growing recognition that children's health encompasses sociocultural as well as medical issues. Meticulously researched and illuminated with numerous quotations from child-rearing manuals, diaries, and letters, *Children's Health in America* will be of value to historians, health care professionals, students - and all those interested in the well-being of American children, past and present. Included in the volume are illustrations, a chronology, and suggestions for further reading."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Step-by-step procedures --Easy-to-follow photos --Complete troubleshooting section --Valuable short cuts

LOIS ON THE LOOSE

Random House Young and beautiful, Lois Pryce was a rising star at the BBC. Unbeknownst to her co-workers, Lois lived a parallel life as a biker babe with an overwhelming sense of wanderlust. So she packed in her career to ride her motorcycle on her own from the northernmost tip of Alaska to the southernmost tip of South America. Alone. Armed only with the Spanish words for 'caution' and 'cheese', Lois was rather under-prepared for multiple bear sightings, bribing her way through borders, spending a night in a Mexican brothel and crashing her bike in the wilds of Patagonia. She most certainly got the adventure she craved, and her pulse-pounding, soul-searching adventure has already attracted fans worldwide - a weblog that she kept whilst on her travels was receiving more than two-thousand hits a day. Her hilarious, brilliantly written travelog will appeal to anyone who's ever dreamt of jacking-it-all-in and running away to see the world.
