The Crisis The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens. F & S Index United States Corporate Purpose Why It Matters More Than Strategy *Routledge* Originally published in 1999 after a decade of research and extensive interviews with some of Toyota's top executives, this book examines organizational purpose: what it is, how it is crafted, how does it relate to strategy and objectives and how does it relate to decisions and actions that ultimately produce organizational results. The author explains why Toyoto Motor Corporation was selected to study corporate purpose and examines the various factors that influence purpose. An overview is given of Toyota in the 1990s and its operating environment, particularly outlining the importance of the Japanes motor industry to Japanese society. Operational objectives of Toyota are analyzed and research findings, data and analysis related to Toyota's purpose are presented and the implications described. In the appendix, the detail of the research methodology of this study is included. Popular Mechanics Popular Mechanics inspires, instructs and influences readers to help them master the modern world.
