This workbook focuses on writing complete sentences in cursive. Kids enjoy writing wacky sentences like, "Two rabbits slept on a fox's head," and, "Six elephants jumped over a giraffe." Exercises like these help to make learning fun, even at home. Four sections of this workbook help students develop their cursive writing skills at a variety of levels: Part 1 is the basic level. Students practice handwriting motions by tracing dotted sentences. Part 2 advances to help students begin to write on their own. In this section, students first trace a dotted sentence and then copy the sentence onto a new line. The three traditional horizontal lines are included as a guide - solid top and bottom lines plus a dashed middle line help students master the relative heights of the letters, and to write across the page in straight lines. Part 3 gives solid sentences instead of dotted sentences. At this stage, students practice their handwriting without first tracing the letters. Part 4 is the most advanced stage. The given sentences are now printed and students must now rewrite them in cursive. Beginners may wish to start out with a more basic book that offers practice with individual letters before advancing to complete sentences, such as the *Letters, Words, and Silly Phrases Handwriting Workbook*. May your students or children improve their handwriting skills and enjoy reading and writing these wacky sentences. **Cursive Handwriting Workbook Grade 4 Beginning Cursive Resource Workbook, 4th Grade Book, Workbook for Kids Grade 4, Cursive Handwriting Workbook For Kids, Cursive for Kids** *Cursive Handwriting Workbook* learn or build on their penmanship skills.
