Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions. Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!
