KEY=ABOUT - MANNING BRAIDEN

THE GREEDY PYTHON

BOOK & CD

Little Simon A snake is too greedy for his own good in this book and CD package illustrated by children's book legend Eric Carle and narrated by award-winning actor Stanley Tucci. In this classic picture book from Richard Buckley and Eric Carle that includes a CD with audio narration by Stanley Tucci, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the eaten animals befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. This humorous tale about manners, respect, and friendship will delight readers—and listeners!

THE VERY HUNGRY CATERPILLAR

Penguin The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

A GREEDY MAN IN A HUNGRY WORLD

HOW (ALMOST) EVERYTHING YOU THOUGHT YOU KNEW ABOUT FOOD IS WRONG

Collins It shoots an awful lot of sacred cows, blows holes in a bunch of myths and does not shy away from laughing in the face of conventional wisdom. It is an argument for a new 'Gastronomics' - combining memoir, polemic and hard-nosed reportage. Each chapter will take apart a major issue in the food chain, in a logical progression. Sprinkled between these sections, will be more 'Dispatches from the front line of greed': why fat is where the flavour is; the joys of eating with your hands; the pleasures of bad food; why a taste for oysters is a mark of adulthood attained; how leftovers can be the route to true happiness; the need to embrace foods that make you stink; why the very best ingredients are the ones that carry with them the faint tang of death; the importance of pig in everything. The potential to include beautiful illustrations or even recipes is there, but at heart this will be a compulsory read for any foodie.

A GREEDY MAN IN A HUNGRY WORLD

THE £31 CHICKEN AND OTHER STORIES

ALWAYS HUNGRY, NEVER GREEDY

FOOD AND THE EXPRESSION OF GENDER IN A MELANESIAN SOCIETY

Waveland Press The Wamira people of Papua New Guinea display what outsiders would describe as an obsession with food. Who owns how many pigs, how much taro grows in whose garden, and who contributes what food at a feast, are all questions uppermost in their thoughts. Wamirans account for this preoccupation by saying that they suffer from perpetual famine. They explain this by means of an elaborate and colorful myth about Tamodukorokoro, a monster who would have brought them abundant food, but whom, in typical Wamiran style of fearing what they desire, they chased away. In this carefully crafted and beautifully evocative book, Kahn, who lived with the Wamira people for two and a half years, argues that Wamirans' famine has in fact little to do with the belly. For Wamirans, concepts of food and hunger are cultural constructs. By means of food, they objectify emotions, balance relations between men and women, communicate rivalries among men, and ultimately, control the ambivalent desires that they fear would otherwise control them. Effectively combining analyses of myths and symbols with analytical accounts of subsistence and ritual behavior, Kahn writes with a degree of nuance that takes the reader beyond academic analyses into the experience of the ethnographer and the daily lives of the people with whom she resided.

MR. GREEDY AND THE GINGERBREAD MAN

It's perhaps not so surprising to hear that one day Mr. Greedy was feeling hungry. And also not particularly surprising to hear that he made himself a giant gingerbread man. But before he has the chance to enjoy his snack the gingerbread man is on the run. The Mr Men and Little Miss Magic series takes kids on a series of sparkling adventures where they meet some extraordinary characters including a dragon, an ogre, a mermaid, a princess, a fairy, pirates and many others. These colourful adventures will delight children of two years and upwards. Bold illustrations and funny stories make Mr Men and Little Miss the perfect story time experience.

ANIMAL FARM

Faber & Faber All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

BETTING ON FAMINE

WHY THE WORLD STILL GOES HUNGRY

New Press, The Few know that world hunger was very nearly eradicated in our lifetimes. In the past five years, however, widespread starvation has suddenly reappeared, and chronic hunger is a major issue on every continent. In an extensive investigation of this disturbing shift, Jean Ziegler—one of the world's leading food experts—lays out in clear and accessible terms the complex global causes of the new hunger crisis. Ziegler's wide-ranging and fascinating examination focuses on how the new sustainable revolution in energy production has diverted millions of acres of corn, soy, wheat, and other grain crops from food to fuel. The results, he shows, have been sudden and startling, with declining food reserves sending prices to record highs and a new global commodities market in ethanol and other biofuels gobbling up arable lands in nearly every continent on earth. Like Raj Patel's pathbreaking *Stuffed and Starved*, *Betting on Famine* will enlighten the millions of Americans concerned about the politics of food at home—and about the forces that prevent us from feeding the world's children.

A GREEDY MAN IN A HUNGRY WORLD

WHY ALMOST EVERYTHING YOU THOUGHT YOU KNEW ABOUT FOOD IS WRONG

William Collins "A greedy man in a hungry world is a bold retort to the vast majority of food writing - and food media in general - which trips the consumer about how they shop and how they eat. It's a cold-eyed, realistic response to a very fast-changing world, in which there are a lot of hungry people competing for the contents of the global ladder. It shoots an awful lot of sacred cows, blows holes in a bunch of myths and does not shy away from laughing in the face of conventional wisdom. It is an argument for a new 'Gastronomics' - combining memoir, polemic and hard-nosed reportage. Each chapter will take apart a major issue in the food chain, in a logical progression. Sprinkled between these sections, will be more 'Dispatches from the front line of greed': why fat is where the flavour is; the joys of eating with your hands; the pleasures of bad food; why a taste for oysters is a mark of adulthood attained; how leftovers can be the route to true happiness; the need to embrace foods that make you stink; why the very best ingredients are the ones that carry with them the faint tang of death; the importance of pig in everything. The potential to include beautiful illustrations or even recipes is there, but at heart this will be a compulsory read for any foodie."--Publisher's description.

SACRED HUNGER

Anchor Winner of the Booker Prize A historical novel set in the eighteenth century, *Sacred Hunger* is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

THE 48 LAWS OF POWER

Profile Books THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

CANNERY ROW

Penguin It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. S is for Steinbeck. Unburdened by the material necessities of the more fortunate, the denizens of Cannery Row discover rewards unknown in more traditional society. Henry the painter sorts through junk lots for pieces of wood to incorporate into the boat he is building, while the girls from Dora Flood's bordello venture out now and then to enjoy a bit of sunshine. Lee Chong stocks his grocery with almost anything a man could want, and Doc, a young marine biologist who ministers to sick puppies and unhappy souls, unexpectedly finds true love. Cannery Row is just a few blocks long, but the story it harbors is suffused with warmth, understanding, and a great fund of human values. First published in 1945, and drawn from Steinbeck's memories of real inhabitants of Monterey, California, Cannery Row focuses on the acceptance of life as it is—both the loneliness of the individual and the exuberance of community.

THE GREEDY TRIANGLE

Scholastic Inc. Dissatisfied with its shape, a triangle keeps asking the local shapeshifter to add more lines and angles until it doesn't know which side is up.

CHEWING THE FAT

TASTING NOTES FROM A GREEDY LIFE

Faber & Faber Why are gravy stains on your shirt at the dinner table to be admired? Does bacon improve everything? And is gin really the devil's work? In this rollicking collection of his hilarious columns, the award-winning writer and Observer restaurant critic Jay Rayner answers these vital questions and many, many more. They are glorious dispatches, seasoned in equal measure with both enthusiasm and bile, from decades at the very frontline of eating

THE GREEDY QUEEN

EATING WITH VICTORIA

From Dr Annie Gray, presenter of BBC2's *Victorian Bakers* What does it mean to eat like a queen? Elizabeth gorged on sugar, Mary on chocolate and Anne was known as 'Brandy Nan'. Victoria ate all of this and more. The Greedy Queen celebrates Victoria's appetite, both for food and, indeed, for life. Born in May 1819, Victoria came 'as plump as a partridge'. In her early years she lived on milk and bread under the Kensington system; in her old age she suffered constant indigestion yet continued to over-eat. From intimate breakfasts with the King of France, to romping at tea-parties with her children, and from state balls to her last sip of milk, her life is examined through what she ate, when and with whom. In the royal household, Victoria was surrounded by ladies-in-waiting, secretaries, dressers and coachmen, but below stairs there was another category of servant: her cooks. More fundamental and yet completely hidden, they are now uncovered in their working environment for the first time. Voracious and adventurous in her tastes, Queen Victoria was head of state during a revolution in how we ate - from the highest tables to the most humble. Bursting with original research, *The Greedy Queen* considers Britain's most iconic monarch from a new perspective, telling the story of British food along the way.

THE GREEDY GOAT

Candlewick Press A very greedy goat wreaks havoc in the barnyard in an entertaining cautionary tale from the acclaimed author/illustrator of "Strawberries Are Red" and "Silly Suzy Goose." Full color.

ANECDOTES FOR REFLECTION

Createspace Independent Publishing Platform Moral stories from the lives of the prophets, the Ahlul Bayt, and their companions This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

HUNGRY

Feiwel & Friends For fans of *The Giver*, a futuristic thriller with a diverse cast. In Thalia's world, there is no more food and no need for food, as everyone takes medication to ward off hunger. Her parents both work for the company that developed the drugs society

consumes to quell any food cravings, and they live a life of privilege as a result. When Thalia meets a boy who is part of an underground movement to bring food back, she realizes that there is an entire world outside her own. She also starts to feel hunger, and so does the boy. Are the meds no longer working? Together, they set out to find the only thing that will quell their hunger: real food. It's a journey that will change everything Thalia thought she knew. But can a "privy" like her ever truly be part of a revolution?

JAY RAYNER'S LAST SUPPER

You're about to die. What would your final meal be? This question has long troubled Jay Rayner. As a man more obsessed with his lunch than is strictly necessary, the idea of a showpiece last supper is a tantalizing prospect. But wouldn't knowledge of your imminent demise ruin your appetite? So, Jay decided to cheat death. The plan was simple: he would embark on a journey through his life in food in pursuit of the meal to end all meals. It's a quest that takes him from necking oysters on the Louisiana shoreline to forking away the finest French pastries in Tokyo, and from his earliest memories of snails in garlic butter, through multiple pig-based banquets, to the unforgettable final meal itself. Jay Rayner's Last Supper is both a hugely entertaining account of a life built around mealtimes and a fascinating global exploration of our relationship with what we eat. It is the story of one hungry man, in eight courses.

JAY RAYNER'S LAST SUPPER

ONE MEAL, A LIFETIME IN THE MAKING

Faber & Faber You're about to die. What would your final meal be? This question has long troubled Jay Rayner. THE CRIMSON FAIRY BOOK

Longmans, Green, and Company Lang's fairy books were childhood favorites of Tolkien.

THE PSYCHOLOGY OF MONEY

TIMELESS LESSONS ON WEALTH, GREED, AND HAPPINESS

Harriman House Limited Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

THE BOOK OF LIES

Lulu.com Aleister Crowley's *The Book of Lies* is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of *The Book of Lies* from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

DR. SEUSS'S ABC

AN AMAZING ALPHABET BOOK!

Random House Books for Young Readers Pictures illustrate things that begin with each letter of the alphabet, including Aunt Annie's alligator and a yawning yellow yak.

MR. GREEDY

Penguin Mr. Greedy Wants to eat everything in sight. How will he ever stick to a low-calorie diet?

LEADERS WHO LUST

POWER, MONEY, SEX, SUCCESS, LEGITIMACY, LEGACY

Cambridge University Press Explores the all-important link between leadership and lust, look at leaders with ravenous hungers and limitless passions.

POWER & GREED

A SHORT HISTORY OF THE WORLD

Constable A provocative view of the past and the great rule makers of history yields an arresting perspective on recent events that have radically altered the present for America and the world.

THE MAN WHO ATE THE WORLD

IN SEARCH OF THE PERFECT DINNER

Henry Holt and Company An astronomical gastronomical undertaking —one of the world's preeminent restaurant critics takes on the giants of haute cuisine, one tasting menu at a time Like the luxury fashion companies Gucci and Chanel, high-end dining has gone global, and Jay Rayner has watched, amazed, as the great names of the restaurant business have turned themselves from artisans into international brands. Long suspecting that his job was too good to be true, Rayner uses his entrée into this world to probe the larger issues behind the globalization of dinner. Combining memoir with vivid scenes at the table; interviews with the world's most renowned chefs, restaurateurs, and eaters; and a few well-placed rants and raves about life as a paid gourmand, Rayner puts his thoughtful, innovative, and hilarious stamp on food writing. He reports on high-end gastronomy from Vegas to Dubai, Moscow to Tokyo, London to New York, ending in Paris where he attempts to do with Michelin-starred restaurants what Morgan Spurlock did with McDonald's in *Super Size Me*—eating at those establishments on consecutive days and never refusing a sixteen-course tasting menu when it's offered. *The Man Who Ate the World* is a fascinating and riotous look at the business and pleasure of fine dining.

THE RED TENT

A NOVEL

Macmillan In a story based on the Book of Genesis, Jacob's only daughter, Dinah, shares her unique perspective on the origins of many of our modern religious practices and sexual politics, eager to impart the lessons in endurance and humanity she has learned from her father's wives. 45,000 first printing.

PERL COOKBOOK

SOLUTIONS & EXAMPLES FOR PERL PROGRAMMERS

"*O'Reilly Media, Inc.*" Find a Perl programmer, and you'll find a copy of Perl Cookbook nearby. Perl Cookbook is a comprehensive collection of problems, solutions, and practical examples for anyone programming in Perl. The book contains hundreds of rigorously reviewed Perl "recipes" and thousands of examples ranging from brief one-liners to complete applications. The second edition of Perl Cookbook has been fully updated for Perl 5.8, with extensive changes for Unicode support, I/O layers, `mod_perl`, and new technologies that have emerged since the previous edition of the book. Recipes have been updated to include the latest modules. New recipes have been added to every chapter of the book, and some chapters have almost doubled in size. Covered topic areas include: Manipulating strings, numbers, dates, arrays, and hashes Pattern matching and text substitutions References, data structures, objects, and classes Signals and exceptions Screen addressing, menus, and graphical applications Managing other processes Writing secure scripts Client-server programming Internet applications programming with mail, news, ftp, and telnet CGI and `mod_perl` programming Web programming Since its first release in 1998, Perl Cookbook has earned its place in the libraries of serious Perl users of all levels of expertise by providing practical answers, code examples, and mini-tutorials addressing the challenges that programmers face. Now the second edition of this bestselling book is ready to earn its place among the ranks of favorite Perl books as well. Whether you're a novice or veteran Perl programmer, you'll find Perl Cookbook, 2nd Edition to be one of the most useful books on Perl available. Its comfortable discussion style and accurate attention to detail cover just about any topic you'd want to know about. You can get by without having this book in your library, but once you've tried a few of the recipes, you won't want to.

SKELETON MAN

Harper Collins A chilling middle grade novel featuring a brave young girl, missing parents, and a terrifying stranger, based on a Native American legend. R.L. Stine, New York Times bestselling author of the Goosebumps series, raved, "This book gave ME nightmares!" Molly's father, who grew up on the Mohawk Reserve of Akwesasne, always had the best scary stories. One of her favorites was the legend of Skeleton Man, a gruesome tale about a man with such insatiable hunger he ate his own flesh before devouring those around him. But ever since her parents mysteriously vanished, those spooky tales have started to feel all too real. Don't miss *The Legend of Skeleton Man*: a spine-tingling collection of Skeleton Man and its sequel, *The Return of Skeleton Man*!

THE FAT CAT

A DANISH FOLKTALE

Hamish Hamilton SUMMARY: The shocking, funny yet satisfying Danish folktale of the little cat who ate the gruel he was watching over, the pot, and the old woman and in fact everyone he met. He got fatter and fatter, and then he met the woodcutter.

THE MARBLE KISS

PRACTICING THE KING'S ECONOMY

HONORING JESUS IN HOW WE WORK, EARN, SPEND, SAVE, AND GIVE

Baker Books The church in the West is rediscovering the fact that God cares deeply for the poor. More and more, churches and individual Christians are looking for ways to practice economic discipleship, but it's hard to make progress when we are blind to our own entanglement in our culture's idolatrous economic beliefs and practices. Practicing the King's Economy cuts through much confusion and invites Christians to take their place within the biblical story of the "King Jesus Economy." Through eye-opening true stories of economic discipleship in action, and with a solid exploration of six key biblical themes, the authors offer practical ways for God's people to earn, invest, spend, compensate, save, share, and give in ways that embody God's love and provision for the world. Foreword by Christopher J. H. Wright.

GREEDY ZEBRA

Hodder & Stoughton When the animals discover a cave full of furs and skins, they discard their drab skins for glossy new ones. Greedy zebra, arrives late, after a delicious snack, only to find a few stripes of black cloth. He squeezes into them but Greedy Zebra is too big for them and his new coat bursts open! The story of how all the animals chose their clothing, except for Greedy Zebra, who had to take the left-over pieces . . .

DELICIOUS!

A NOVEL

Random House NEW YORK TIMES BESTSELLER • Includes an exclusive conversation between Ruth Reichl and Emily Giffin Ruth Reichl is a born storyteller. Through her restaurant reviews, where she celebrated the pleasures of a well-made meal, and her bestselling memoirs that address our universal feelings of love and loss, Reichl has achieved a special place in the hearts of hundreds of thousands of readers. Now, with this magical debut novel, she has created a sumptuous, wholly realized world that will enchant you. Billie Breslin has traveled far from her home in California to take a job at Delicious!, New York's most iconic food magazine. Away from her family, particularly her older sister, Genie, Billie feels like a fish out of water—until she is welcomed by the magazine's colorful staff. She is also seduced by the vibrant downtown food scene, especially by Fontanari's, the famous Italian food shop where she works on weekends. Then Delicious! is abruptly shut down, but Billie agrees to stay on in the empty office, maintaining the hotline for reader complaints in order to pay her bills. To Billie's surprise, the lonely job becomes the portal to a miraculous discovery. In a hidden room in the magazine's library, Billie finds a cache of letters written during World War II by Lulu Swan, a plucky twelve-year-old, to the legendary chef James Beard. Lulu's letters provide Billie with a richer understanding of history, and a feeling of deep connection to the young writer whose courage in the face of hardship inspires Billie to come to terms with her fears, her big sister and her ability to open her heart to love. Praise for Delicious! "Compulsively readable . . . a treat for anyone who loves a warm, character-packed tale—a delectable mix of flavor, fantasy, and emotional comfort food."—O: The Oprah Magazine "[Reichl's] New York is a fairy-tale town where beautiful food abounds. . . . The novel presents a whole passel of surprises: a puzzle to solve; a secret room; hidden letters; the legacy of James Beard; and a parallel, equally plucky heroine from the past, who also happens to be a culinary prodigy."—The New York Times Book Review "Fascinating characters . . . There's romance, intrigue, food history, and the fictional appearance of a very real American culinary icon."—The Austin Chronicle "Reichl's vivid descriptions of food will have readers salivating, and an insider's look at life at a food magazine is fascinating. Her satisfying coming-of-age novel of love and loss vividly demonstrates the power of food to connect people across cultures and generations."—Library Journal (starred review) "This savory feast of a first novel blends the rich gifts that readers of Reichl's memoirs and food writing have come to expect. To a tantalizing coming-of-age story about a budding chef and journalist she adds a bittersweet tale of separated sisters."—More

THE TEN (FOOD) COMMANDMENTS

Viking "The original Ten Commandments don't offer those of us located in the twenty-first century much guidance when it comes to our relationship with food. And Lord knows we need it. We are crying out for our very own culinary Moses; someone with the scholarship, dignity and teeth to stand in culinary judgement. I know just the man. Oh, come on. Who else? I have a beard flecked with grey, shaggy hair and I look hot in flowing robes. So come with me as I deal once and for all with the question of whether it is okay to covet thy neighbour's oxen (it is), whether you should cut off the fat (you shouldn't) and why you should never mistake food for pharmaceuticals which can cure you of all known disease. I will also insist that thou shalt honour the pig. Because everything is improved by the application of a little pig . . ."

IN THE REALM OF HUNGRY GHOSTS

CLOSE ENCOUNTERS WITH ADDICTION

North Atlantic Books From bestselling author Gabor Maté, the essential resource for understanding the roots and behaviors of addiction--now with an added introduction by the author. Based on Gabor Maté's two decades of experience as a medical doctor and his groundbreaking work with the severely addicted on Vancouver's skid row, *In the Realm of Hungry Ghosts* radically reenvision this much misunderstood field by taking a holistic approach. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society; not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and neurological development, brain chemistry, and the drugs (and behaviors) of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. *In the Realm of Hungry Ghosts* argues persuasively against contemporary health, social, and criminal justice policies toward addiction and those impacted by it. The mix of personal stories—including the author's candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally

useful for lay readers and professionals.

THE GRAVEYARD BOOK

Harper Collins It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

WHY THE SKY IS FAR AWAY

A NIGERIAN FOLKTALE

Paw Prints The sky was once so close to the Earth that people cut parts of it to eat, but their waste and greed caused the sky to move far away.
