### **THE BIG FOUR**

---

#### **THE CURIOUS PAST AND PERILOUS FUTURE OF THE GLOBAL ACCOUNTING MONOPOLY**

---

[Berrrett-Koehler Publishers](#) "Messrs. Gow and Kells have made an invaluable contribution, writing in an amused tone that nevertheless acknowledges the firms' immense power and the seriousness of their neglect of traditional responsibilities. 'The Big Four' will appeal to all those interested in the future of the profession--and of capitalism itself." —Jane Gleeson-White, Wall Street Journal With staffs that are collectively larger than the Russian army and combined revenues of over \$130 billion a year, the Big Four accounting

---

firms—Deloitte, PricewaterhouseCoopers, Ernst & Young, and KPMG—are a keystone of global commerce. But leading scholar Ian Gow and award-winning author Stuart Kells warn that a house of cards may be about to fall. Stretching back to the Medicis in Renaissance Florence, this book is a fascinating story of wealth, power, and luck. The founders of the Big Four lived surprisingly colorful lives. Samuel Price, for example, married his own niece. Between the world wars, Nicholas Waterhouse collected postage stamps while also hosting decadent parties in his fashionable London home. All four firms have endured major calamities in recent decades. There have been hundreds of court cases and legal prosecutions for failed audits, tax scandals, and breaches of independence. The firms have come so close to “extinction level events” that regulators have required them to prepare “living wills.” And today, the Big Four face an uncertain future—thanks to their push into China, their vulnerability to digital disruption and competition, and the hazards of providing traditional services in a new era of transparency. This account of the past, present, and likely future of the Big Four is essential reading for anyone perplexed or fascinated by professional services, working or considering working in the industry, or simply curious about the fate of the global economy.

### BUSINESS AND TECHNOLOGY - EXAM KIT.

---

### ECONOMY, SOCIETY AND PUBLIC POLICY

---

Oxford University Press, USA In order to be well-governed, a democracy needs voters who are fluent in the language of economics and who can do some quantitative analysis of social and economic policy. We also need a well-trained cadre of researchers and journalists who have more advanced skills in these fields. Many students in other disciplines are drawn to economics so that they can engage with policy debates on environmental sustainability, inequality, the future of work, financial instability, and innovation. But, when they begin the study of economics, they find that courses appear to have little to do with these pressing policy matters, and are designed primarily for students who want to study the subject as their major, or even for those destined to go on to post-graduate study in the field. The result: policy-oriented students often find they have to choose between a quantitative and analytical course of study - economics - that is only minimally policy oriented in content and that downplays the insights of other disciplines, or a policy and problem-oriented course of study that gives them little training in modelling or quantitative scientific methods. Economy, Society, and Public Policy changes this. It has been created specifically for students from social science, public policy, business studies, engineering, biology, and other disciplines who are not economics majors. If you are one of these students, we want to engage, challenge, and empower you with an understanding of economics. We hope you will acquire the tools to articulate reasoned views on pressing policy problems. You may even decide to take more courses in economics as a result. The book is also being used successfully in courses for economics, business, and public policy majors, as well as in economics modules for masters' courses in Public Policy and in Philosophy, Politics and Economics (PPE). This textbook--the print complement to CORE's open-access online eBook--is the result of a worldwide collaboration among researchers, educators, and students who are committed to bringing the socially relevant insights of economics to a broader audience.

### ACCA PAPER P7 - ADVANCED AUDIT AND ASSURANCE (GBR) STUDY TEXT

---

BPP Learning Media The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in

recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P7 Advanced Audit and Assurance paper aims to develop further your application skills when analysing, concluding and reporting on assurance engagements, building on the knowledge and skills gained from paper F8. As well as emphasising the practical aspects of carrying out assurance engagements from start to finish, this paper also develops your awareness of best practice and current developments in this field. It focuses on the following key themes: \* Audit framework and regulation, including ethical and professional considerations \* Quality control and practice management \* The audit and assurance process, from planning through to fieldwork and final review \* Reporting the results of audit and assurance engagements \* Current issues and developments within the field of audit and assurance. The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focussing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

#### **UNDERSTANDING THE AUDIT PROFESSION IN PRACTICE**

---

A Corporate collapse typically involves the insolvency or bankruptcy of major business enterprises. A corporate scandal involves alleged or actual unethical behaviour by people acting within or on behalf of a corporation. Many recent corporate collapses and scandals have involved false or inappropriate accounting of some sort. These have resulted into the loss of confidence by Investors in Companies as well as management. To be able to restore the confidence of investors as well as the general public in corporations as well as the Audit Profession, regulatory bodies across the world such as INTERNATIONAL FEDERATION OF ACCOUNTANTS (IFAC), ASSOCIATION OF CERTIFIED CHARTERED ACCOUNTANTS (ACCA- UK) and the INSTITUTE OF CHARTERED ACCOUNTANTS - GHANA (ICA-GH) are determined to train Professional Chartered Accountants who will perform their work with professional judgement and scepticism. It is in light of this that this subject ADVANCED AUDIT AND ASSURANCE is critical to the professional accountant. However, the studying and preparation for the examination by most students and the pass rate are continuously poor due the inadequate and inappropriate study materials and lecturers availability. To address this, the Author of this book has spent ample time in research from various world-class lecturers from institutions such as London School of Business and Finance (LSBF), Accounting Practice Centre (A.P.C), among others and from other professional materials on the subject, and has written this book not to add to the already existing books but to bridge the gap between Studying the subject in class, writing the examination and practicing the profession in Corporate Organisations. With this book in your hand, three things can be assured: STUDY, UNDERSTAND & EXCEL. You will become a Professional Chartered Accountant with in-depth knowledge and understanding.
