Test Your Bible Knowledge is a fun, informative, and entertaining way to see how well you know the Good Book. Trivia expert and author Wilson Casey has compiled 1,206 fascinating questions about the people, history, stories, and facts from the Bible. Each page is a separate quiz with six enlightening and fresh questions with multiple-choice answers. In addition, every correct answer includes references to the relevant chapter and verse in scripture for further study and clarification. It's the perfect companion for the multitudes wanting to test their biblical knowledge (and keep score if desired). The quizzes cover the entire scope of the Holy Bible, exclusively based on the beloved King James Version. Readers may play as many of the quizzes as desired per sitting, and can skip around or complete them in order. And for easy lookup and reference, there's a thorough index at the book's end. Whatever your age, Test Your Bible Knowledge guarantees hours of enlightening fun. The Far Traveler Voyages of a Viking Woman [Houghton Mifflin Harcourt](#) Offers a dramatic reconstruction of the life and times of Gudrid, a Viking woman who, according to Icelandic sagas, arrived in the New World, spent three years there, and gave birth to a baby, before sailing home some five hundred years before Columbus, drawing on the latest archaeological data, scientific research, and cutting-edge technology to trace her odyssey. Reprint. Power Trains The Longing in Me How Everything You Crave Leads to the Heart of God [Thomas Nelson](#) Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you'd never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren't going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila's and David's stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, The Longing in Me will help you understand that your cravings are not the problem. It's where they lead you that makes all the difference. License to Thrill [Turtleback Books](#) The wackiest road trip in history comes to an action-packed conclusion in book five of the New York Times bestselling Genius Files series. When we last left our heroes, twins Coke and Pepsi McDonald were in Roswell, New Mexico, and they had just seen a strange beam of light. Now their cross-country road trip is about to take a detour that's out of this world literally! Once the twins get their feet back on the ground, they embark on the final leg of their trip, which will take them from the Hoover Dam all the way to the Golden Gate Bridge. Chased by nefarious villains, the twins will be trapped with a venomous snake, pushed through a deadly turbine, and thrown into a volcano. And craziest of all, their parents might finally believe them! With the real-kid humor that has earned him millions of readers around the world and featuring facts and photographs from the weird-but-true locations in the story, this fifth and final book in the Genius Files series is the most thrilling adventure yet." Hearts of the Mountain Adolescents, a Teacher, and a Living School Tal Birdsey's Hearts of the Mountain: Adolescents, a Teacher, and a Living School sketches an utterly unique entity: an independent and virtual one-room middle school in the Green Mountains of Vermont. Hearts of the Mountain takes a deep look into an intimate, wild, and unpredictable year of learning, in and out of the classroom, with a diverse collection of funny, profound, troubled, and hopeful adolescents. Ad \$ Summary Advertising expenditure data across ten media: consumer magazines, Sunday magazines, newspapers, outdoor, network television, spot television, syndicated television, cable television, network radio, and national spot radio. Lists brands alphabetically and shows total ten media expenditures, media used, parent company and PIB classification for each brand. Also included in this report are industry class totals and rankings of the top 100 companies of the ten media. New York Holstein-Friesian News The Rural Life [Hachette+ORM](#) The former member of the New York Times editorial board offers a collection of essays that illuminate the beauty of the American landscape. With an eloquence unmatched by any other living writer, Verlyn Klinkenborg observes the juncture at which our lives and the natural world intersect. His yearlong meditation on the rigors and wonders of country life—encompassing memories of his family's Iowa homestead, time spent in the wide-open spaces of the American West, and his experiences on the small farm in upstate New York where he lives with his wife—abounds with various pleasures for the readers as it indelibly records and elaborates the everyday beauty of the world we inhabit. A New York Times Notable Book of the Year A Book Sense 76 Pick "Captivating, subtle, and splendid . . . Klinkenborg really is a Thoreau for today . . . Nonfiction storytelling at its highest: unflaggingly lovely, with scope, profundity, and power achieved through a mastering of the delicate." —Kirkus Reviews "In a voice reminiscent of E. B. White, Klinkenborg paints a picture of a fading world in colors that are solid and authentic. His joy is evident throughout." —Los Angeles Times "Arresting, even profound, forcing us to look at the world in a new way." —Chicago Tribune The Armor of Love and Hope [CreateSpace](#) This is a joint publication of Floricanto and Berkeley Presses. Doris Mercado's memoir is one of perseverance and reconciliation, reminiscent of Tobias Wolff's This Boy's Life and Ernesto Galarza's Barrio Boy. Her story is partly one of family but also one of self-reliance, recounting her troubled childhood in Ponce, Puerto Rico and also poverty and homelessness in Massachusetts. What I most admired in the work was the author's frankness, her ability to portray family truths so intimately and honestly. —John Paul Jaramillo, author of The House of Order Stories. Kirkus Review: Mercado's memoir chronicles how a middle child from a large family experiences love, forgiveness and hope despite a lifetime of abuse, neglect and abandonment in the mountains of Puerto Rico. The memoir opens with scenes of an idyllic childhood. Mercado lived in a small town outside Ponce, Puerto Rico, where her life included colorful characters in a bustling community. There were eight children at the beginning of Mercado's story, all battling to use a single bathroom and hairbrush. Doris' mother, Lina, worked as a seamstress. She was stern, but she encouraged 4-year-old Doris to read the newspaper. Doris' father was well-liked and played affectionately with the children in their chaotic but happy household. Within two years, two more boys were born into the Mercado family; both needed extensive medical attention. The strain took its toll, and finally, the family moved in with Doris' beloved grandmother in the mountain town of Jayuya. After the move, Doris' life deteriorated. Her mother beat her repeatedly with a broomstick, and Doris spent many days nursing badly bruised limbs. Life continued to fall apart for the Mercado clan, particularly when Doris' paternal grandmother invited Lina and the youngest children to New York for a fresh start. Doris and five of her siblings were left in the care of their father, although it was 14-year-old Doris who assumed chief responsibility. Within days of her mother's departure, Doris' father also walked out without explanation, leaving Doris and the others to fend for themselves. This living arrangement continued for another three years. Doris warned the children to keep their situation secret, so they wouldn't alert the authorities. This profoundly sad story of neglect is told in simple, direct language. Doris' capacity for forgiveness is astonishing, as is her single-minded focus on the love she feels for the brothers and sister left in her care. She eventually moved to the U.S., and her reunification with her parents was filled with more pain and abuse. Mercado's reaching adulthood in one piece is remarkable; arriving with her soul intact is miraculous. A straightforward, moving story about resilience. Beyond Charlottesville: Taking a Stand Against White Nationalism [Thomas Dunne Books](#) THE INSTANT NEW YORK TIMES BESTSELLER The former governor of Virginia tells the behind-the-scenes story of the violent "Unite the Right" rally in Charlottesville—and shows how we can prevent other Charlottesvillees from happening. When Governor Terry McAuliffe hung up the phone on the afternoon of the violent "Unite the Right" rally in Charlottesville, he was sure Donald Trump would do the right thing as president: condemn the white supremacists who'd descended on the college town and who'd caused McAuliffe to declare a state of emergency that morning. He didn't. Instead Trump declared there was "hatred, bigotry and violence on many sides." Trump was condemned from many sides himself, even by many Republicans, but the damage was done. He'd excused and thus egged on the terrorists at the moment when he could have stopped them in their tracks. In Beyond Charlottesville, McAuliffe looks at the forces and events that led to the tragedy in Charlottesville, including the vicious murder of Heather Heyer and the death of two state troopers in a helicopter accident. He doesn't whitewash Virginia history and discusses a KKK protest over the removal of a statue of Robert E. Lee. He takes a hard real-time behind-the-scenes look at the actions of everyone on that fateful August 12, including himself, to see what could have been done. He lays out what was done afterwards to prevent future Charlottesvillees—and what still needs to be done as America in general and Virginia in particular continue to grapple with their history of racism. Beyond Charlottesville will be the definitive account of an infamous chapter in our history, seared indelibly into memory, sure to be cited for years as a crucial reference point in the long struggle to fight racism, extremism and hate. Original Poems and Songs Steak One Man's Search for the World's Tastiest Piece of Beef [Penguin](#) The definitive book on steak has never been written—until now "Of all the meats, only one merits its own structure. There is no such place as a lamb house or a pork house, but even a small town can have a steak house." So begins Mark Schatzker's ultimate carnivorous quest. Fed up with one too many mediocre steaks, the intrepid journalist set out to track down, define, and eat the perfect specimen. His journey takes him to all the legendary sites of steak excellence—Texas, France, Scotland, Italy, Japan, Argentina, and Idaho's Pahsimeroi Valley—where he discovers the lunatic lengths steak lovers will go to consume the perfect cut. After contemplating the merits of Black Angus, Kobe, Chianina, and the prehistoric aurochs—a breed revived by the Nazis after four hundred years of extinction—Schatzker adopts his own heifer, fattens her on fruit, acorns, and Persian walnuts, and then grapples with ambivalence when this near-pet appears on his plate. Reminiscent of both Bill Bryson's and Bill Buford's writing, Steak is a warm, humorous, and wide-ranging read that introduces a wonderful new travel and food writer to the common table. Paul Among the People The Apostle Reinterpreted and Reimagined in His Own Time [Image](#) It is a common—and fundamental—misconception that Paul told people how to live. Apart from forbidding certain abusive practices, he never gives any precise instructions for living. It would have violated his two main social principles: human freedom and dignity, and the need for people to love one another. Paul was a Hellenistic Jew, originally named Saul, from the tribe of Benjamin, who made a living from tent making or leatherworking. He called himself the "Apostle to the Gentiles" and was the most important of the early Christian evangelists. Paul is not easy to understand. The Greeks and Romans themselves probably misunderstood him or skimmed the surface of his arguments when he used terms such as

“law” (referring to the complex system of Jewish religious law in which he himself was trained). But they did share a language—Greek—and a cosmopolitan urban culture, that of the Roman Empire. Paul considered evangelizing the Greeks and Romans to be his special mission. “For you were called to freedom, brothers and sisters; only do not use your freedom as an opportunity for self-indulgence, but through love become slaves to one another. For the whole law is summed up in a single commandment, ‘You shall love your neighbor as yourself.’” The idea of love as the only rule was current among Jewish thinkers of his time, but the idea of freedom being available to anyone was revolutionary. Paul, regarded by Christians as the greatest interpreter of Jesus’ mission, was the first person to explain how Christ’s life and death fit into the larger scheme of salvation, from the creation of Adam to the end of time. Preaching spiritual equality and God’s infinite love, he crusaded for the Jewish Messiah to be accepted as the friend and deliverer of all humankind. In *Paul Among the People*, Sarah Ruden explores the meanings of his words and shows how they might have affected readers in his own time and culture. She describes as well how his writings represented the new church as an alternative to old ways of thinking, feeling, and living. Ruden translates passages from ancient Greek and Roman literature, from Aristophanes to Seneca, setting them beside famous and controversial passages of Paul and their key modern interpretations. She writes about Augustine; about George Bernard Shaw’s misguided notion of Paul as “the eternal enemy of Women”; and about the misuse of Paul in the English Puritan Richard Baxter’s strictures against “flesh-pleasing.” Ruden makes clear that Paul’s ethics, in contrast to later distortions, were humane, open, and responsible. *Paul Among the People* is a remarkable work of scholarship, synthesis, and understanding; a revelation of the founder of Christianity. *Ground Loads Soil Fertility Handbook - Pub 611 Publication 611* shares the fundamentals of how nutrients behave in the soil and crops, in one handy reference! It will help you diagnose nutrient deficiencies, unlock the intricacies of soil tests and recommendations and tailor your fertilizer program. The publication was created for farmers and agronomists, and has more than 90 tables and figures. *Rise: The Brand New Autobiography HarperCollins* ‘Siya’s rise from humble beginnings to lifting that World Cup trophy is the stuff of fairytales.’ *MARCUS RASHFORD* ‘Siya Kolisi is a warrior on the field and an inspiration off it. This book is an extraordinary reminder of what can be achieved with inner belief and an indefatigable spirit.’ *JAY SHETTY* *Tractor Transmissions Tokyo A Certain Style Chronicle Books* A fascinating tour of the urban landscape and interiors of Tokyo, Japan, captures in hundreds of full-color photographs the tiny crowded apartments of one of the world’s most densely populated metropolises. *Original. Shattered Inside Hillary Clinton’s Doomed Campaign Crown Publishing Group (NY)* An analysis of the bitter 2016 presidential election, told from the viewpoints of Hilary Clinton campaign insiders, reconstructs key decisions and missed opportunities cited as the cause of the election upset. *The Case Eagle History of Cobleskill They Can’t Touch Him Now* Jimmy was only nine years old when he was molested and sexually assaulted in London’s dingy East End. He struggled to keep his dark secret, while coping with being adopted and his illiterate father’s violent outbursts. Desperately needing to be loved, Jimmy accepts an offer of ‘conditional kindness’ from Tom, his scoutmaster. Now, after a lifetime of secrets, his story can be told as Tom is now dead, so.... “They Can’t Touch Him Now”
