ANAPHORA RESOLUTION AND TEXT RETRIEVAL

A LINGUISTIC ANALYSIS OF HYPERTEXTS

Walter de Gruyter GmbH & Co KG This book covers anaphora resolution for the English language from a linguistic and computational point of view. First, a definition of anaphors that applies to linguistics as well as information technology is given. On this foundation, all types of anaphors and their characteristics for English are outlined. To examine how frequent each type of anaphor is, a corpus of different hypertexts has been established and analysed with regard to anaphors. The most frequent type are non-finite clause anaphors - a type which has never been investigated so far. Therefore, the potential of non-finite clause anaphors are further explored with respect to anaphora resolution. After presenting the fundamentals of computational anaphora resolution and its application in text retrieval, rules for resolving non-finite clause anaphors are established. Therefore, this book shows that a truly interdisciplinary approach can achieve results which would not have been possible otherwise.

COLOR DESIGN WORKBOOK

A REAL WORLD GUIDE TO USING COLOR IN GRAPHIC DESIGN

Rockport Pub Presents information on the fundamentals of graphic design and color theory, providing tips on ways to talk to clients about color and how to use color in presentations.

CLIMATE POLICY ASSESSMENT

ASIA-PACIFIC INTEGRATED MODELING

Springer Science & Business Media The Asia-Pacific Integrated Model (AIM) brings together more than 20 computer simulation models for development and analysis of policy in such diverse fields as climate change mitigation, air pollution abatement, and ecosystem preservation. This first book in a series on the development of AIM focuses on climate change issues and the evaluation of policy options to stabilize the global climate. It presents an overview of the models developed to date, their structure, and the results and analyses presented to policymakers and researchers at the levels of individual Asian countries, the Asia-Pacific region, and the world at large. The contents vary in scope from local to global issues, with discussions of the effects of climate policies, cost analyses of climate policies with their effects on trade, and global scenario analyses. Also included are impact analyses and the effects of promoting environmental technologies.

CONSUMERS DIGEST

NOT QUITE CRICKET

Penguin Books India A Revealing, In-Depth Account Of The Nexus Between The World S Top Cricketers And Bookmakers. On 17 March 2007, The Much-Fancied Pakistan Team Crashed Out Of The Cricket World Cup After A Surprise Defeat To Minnows Ireland. Even As Disappointed Fans Reacted With Anger And Dismay, Rumour Mills Began Working Overtime, Insinuating The Involvement Of Bookmakers In The Unexpected Result, And Hinting At Match-Fixing. Speculation Reached A Fever Pitch When, The Day After, Pakistan Coach Bob Woolmer Was Found Murdered In His Hotel Room. Sources Alleged That The Hand Of The Subcontinental Betting Mafia Was Behind The Attack On Woolmer, And Pointed To The Billions Of Dollars That May Be At Stake When A Match Is Thrown . This Recent Episode Is Only The Latest In A String Of Incidents Involving The World S Top Cricketers. In Recent Years, The Indian Subcontinent Has Emerged As Perhaps The Most Lucrative Arena In Which World Cricket Is Played, Not Least Because Of The Enormous Sums Wagered On The Outcome Of Every Match. Fired By A Chance Encounter With A Bookie In The Caribbean, Top Indian Cricket Writer Pradeep Magazine Set Himself The Task Of Finding Out Exactly How The Shadowy World Of Betting And Match-Fixing Works. He Interviewed Players, Journalists, Cricketing Officials, And Even Posed As An Informer For A Bookmaker For A While. What Emerged In The Course Of His Inquiry Was A Story Of Divided Loyalties And Carefully Camouflaged Half-Truths, Of Players Who Actively Participated In Match-Fixing And Others Who Colluded With Them. He Found That The Money Trail Snakes Its Way Into Every Part Of The Game In The Subcontinent, And Thence To The World. This New And Revised Edition Of This Best-Selling Book Brings The Shocking Story Of Betting Scams And Match-Fixing In International Cricket Up To The Present, And Indicates How Strong The Bookie Cricketer Ties May Be Even Today.

WHY SMART PEOPLE MAKE BIG MONEY MISTAKES AND HOW TO CORRECT THEM

LESSONS FROM THE LIFE-CHANGING SCIENCE OF BEHAVIORAL ECONOMICS

Simon and Schuster Protect and grow your finances with help from this definitive and practical guide to behavioral economics—revised and updated to reflect new economic realities. In their fascinating investigation of the ways we handle money, Gary Belsky and Thomas Gilovich reveal the psychological forces—the patterns of thinking and decision making—behind seemingly irrational behavior. They explain why so many otherwise savvy people make foolish financial choices: why investors are too quick to sell winning stocks and too slow to sell losing shares, why home sellers leave money on the table and home buyers don't get the biggest bang for their buck, why borrowers pay too much credit card interest and savers can't sock away as much as they'd like, and why so many of us can't control our spending. Focusing on the decisions we make every day, Belsky and Gilovich provide invaluable guidance for avoiding the financial faux pas that can cost thousands of dollars each year. Filled with fresh insight; practical advice; and lively, illustrative anecdotes, this book gives you the tools you need to harness the powerful science of behavioral economics in any financial environment.

PHRASAL CONSTRUCTIONS AND RESULTATIVENESS IN ENGLISH

A SIGN-ORIENTED ANALYSIS

John Benjamins Publishing Eat up the apple or Eat the apple up? Is there any difference in the messages each of these alternative forms sends? If there isn't, why bother to keep both? On the other hand, is there any semantic similarity between eat the apple up and break the glass to pieces? This study takes a fresh look at a still controversial issue of phrasal verbs and their alternate word order applying sign-oriented theory and methodology. Unlike other analyses, it asserts that there is a semantic distinction between the two word order variants phrasal verbs may appear in. In order to test this distinction, the author analyzes a large corpus of data and also uses translation into a language having a clear morphological distinction between resultative/non-resultative forms (Russian). As follows from the analysis, English has morphological and syntactic tools to express resultative meaning, which allows suggesting a new lexico-grammatical category □ resultativeness.

10 PRACTICE SETS CSAT CIVIL SERVICES APTITUDE TEST PAPER 2 2020

MY FRIEND THE FANATIC

TRAVELS WITH A RADICAL ISLAMIST

Skyhorse + ORM A reporter recounts his journey through Indonesia and "guides the reader deftly through the whirlpool" of fundamentalism and extremism (The Wall Street Journal). A journalist who has contributed to the Washington Post, Foreign Policy, and other prominent publications, Sadanand Dhume sets out to explore the world's most populous Muslim-majority country, where in recent years radicalism has been on the rise. In a nation once synonymous with tolerance, the author, an Indian educated at Princeton, wants to understand the roots of this shift, and begins his memoir at the site of the notorious Bali bombing of 2002. His traveling companion is a young Islamist who hero-worships the late Osama bin Laden and sympathizes with the Taliban. Their travels span mosques and discotheques, prison cells and dormitories, sacred volcanoes and temple ruins. Over time, they forge an uneasy friendship that offers a firsthand look into the crucible of radical Islam's future. With a new preface by the author detailing what has happened in Indonesia since the book's initial publication, My Friend the Fanatic is the story of an alternately disturbing, amusing, and poignant journey that illuminates one of the most pressing issues of our time. "A vividly engaging portrait of the jarring contradictions at play as two diametrically opposed forces—globalisation and Islamisation—vie for Indonesia's soul . . . A striking social and political travelogue . . . A fine writer and lively storyteller with an eye for lurid detail." —The Australian

Now days, special programme in business environment like MBA in business environment; are being offered.

AMERICAN NORMAL

THE HIDDEN WORLD OF ASPERGER SYNDROME

Springer Science & Business Media Asperger's Syndrome, often characterized as a form of "high-functioning autism," is a poorly defined and little-understood neurological disorder. The people who suffer from the condition are usually highly intelligent, and as often as not capable of extraordinary feats of memory, calculation, and musicianship. In this wide-ranging report on Asperger's, Lawrence Osborne introduces us to those who suffer from the syndrome and to those who care for them as patients and as family. And, more importantly, he speculates on how, with our need to medicate and categorize every conceivable mental state, we are perhaps adding to their isolation, their sense of alienation from the "normal." -This is a book about the condition, and the culture surrounding Asperger's Syndrome as opposed to a guide about how to care for your child with Aspergers. -Examines American culture and the positive and negative perspectives on the condition. Some parents hope their child will be the next Glenn Gould or Bill Gates, others worry that their child is abnormal and overreact.
