In Defense of Our Children When Politics, Profit, and Education Collide *Heinemann* A question-and-answer format discusses a variety of issues surrounding education and parenting.

Dreamer of the Day Francis Parker Yockey and the Postwar Fascist International Francis Parker Yockey, a lawyer and former war-crimes prosecutor, was one of the most enigmatic figures inside the far right in both Europe and America. While he is best known today for his book *Imperium*, a huge tome often described as a *Mein Kampf* for modern-day neo-Nazis, his life remains a mystery. Pursued by the U.S. Government for almost a decade, Yockey was arrested by the FBI in 1960. Shortly after his capture, he was found dead in his jail cell. An autopsy showed that the 43-year old mystery man had swallowed a cyanide capsule. Yockey's story takes us into the heart of the postwar Fascist International, a shadow Reich composed of spies, conspirators, and occultists.
