Little Birds Erotica *Houghton Mifflin Harcourt* **These 13 erotic short stories by the acclaimed author of Henry and June explore the nature of desire, taboo, and female sensuality. Following her first book of erotic short fiction, Delta of Venus, Anais Nin continues to illuminate the many guises of human sexuality in Little Birds. From the beach towns of Normandy to the streets of New Orleans, these thirteen vignettes introduce us to a covetous French painter, a sleepless wanderer of the night, a guitar-playing gypsy, and a host of others who yearn for and dive into the turbulent depths of romantic experience. "[It is] so distinct an advance in the depiction of female sensuality that I felt, on reading it, enormous gratitude."-Alice Walker "One of contemporary literature's most important writers."-Newsweek** **Delta Of Venus Erotica by Anais Nin** *HarperCollins* **From influential feminist artist and essayist Anais Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anais Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly elegant naughtiness."—Cosmopolitan** **Erotic Drawings Fire From "A Journal of Love": The Unexpurgated Diary of Anais Nin, 1934-1937** *HMH* **The renowned diarist continues the story begun in Henry and June and Incest. Drawing from the author's original, uncensored journals, Fire follows Anais Nin's journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to**

her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself. *The Diary of Anais Nin, 1944-1947* 1944-1947 *HMH* The fourth volume of "one of the most remarkable diaries in the history of letters" (Los Angeles Times). The renowned diarist continues her record of her personal, professional, and artistic life, recounting her experiences in Greenwich Village for several years in the late 1940s, where she defends young writers against the Establishment—and her trip across the country in an old Ford to California and Mexico. "[Nin is] one of the most extraordinary and unconventional writers of [the twentieth] century." —The New York Times Book Review Edited and with a preface by Gunther Stuhlmann *Little Birds Erotica* Markham, Ont. : Simon & Schuster of Canada Thirteen explorations of sexual variants feature rivals for the same lover, husbands with exotic tastes and frustrated wives, a celebrated prostitute, a sixteen-year-old waif striving to surpass her mother, and other adventurers *Fragments from the Delta of Venus* *Power House Books* "Fragments from the Delta of Venus is an amazing collaboration between feminist artist Judy Chicago and iconic writer Anais Nin, where Chicago's paintings illustrate Nin's most sensual passages from her classic collection of erotic stories. *Eros Unbound* *ePenguin* A naïve model slowly discovering her sexuality; an erotic moonlight encounter on a beach; a man teaching the art of passion in a gypsy caravan; and a woman in love with a scent from Fez ◆ Ana's Nin's stories explore the nature of sex and the awakening of desire. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love ◆ Anais Nin, *Fictionality and Femininity* *Playing a Thousand Roles* *Oxford University Press* Helen Tookey presents a new study of Anais Nin (1903-77), focusing both on the cultural and historical contexts in which her work was produced and received, and on the different versions of Nin herself - as a modernist, a woman writer, a public (and controversial) figure in the women's liberation movement, and as a set of conflicting and often extreme representations of femininity. The author shows how contextual feminist approaches shed light on Nin (who moved from Paris modernism of the 1930s to US second-wave feminism of the 1970s), and how this sheds light on key issues and conflicts within feminist thinking since the 1970s, particularly questions of identity, femininity, and psychoanalysis. *Anais Nin: Fictionality and Femininity* provides new readings of Nin through contemporary feminist approaches, using Nin to make an intervention into critical debates around modernism, feminism, and psychoanalysis, writing and identity, fictionality and femininity. *In Favor of the Sensitive Man and Other Essays* *HMH* Essays, lectures, and interviews—on everything from gender relations to Ingmar Bergman to

adventure travel—from the renowned diarist. In this collection, the author known for “one of the most remarkable diaries in the history of letters” shares her unique perceptions of people, places, and the arts (Los Angeles Times). In the opening group of essays, “Women and Men,” Anais Nin provides the kind of sensitive insights into the feminine psyche and relations between the sexes that are a hallmark of her work. In “Writing, Music, and Films,” she speaks as an artist and critic—in book and film reviews, an essay on the composer Edgard Varèse, a lecture on Ingmar Bergman, and the story of her printing press. In the final section, “Enchanted Places,” Nin records her travels to such destinations as Fez and Agadir in Morocco, Bali, the New Hebrides, and New Caledonia—and she concludes with a charming vignette titled “My Turkish Grandmother.”

Children of the Albatross is considered by critics to be one of Anais Nin's most beautifully written books; it is also a groundbreaker in that it eloquently addresses androgyny and homosexuality, which few literary works dared to do in 1940s America. We are introduced to three of Nin's most significant characters: Djuna, Lillian, and Sabina, all of whom represent different aspects of Nin's character--serenity, earthiness, and the femme fatale, respectively. In the first part of the novel, "The Sealed Room," we witness Djuna's developing perception of sexuality as we follow her from when, as an adolescent, she has learned to fear powerful, masculine, potent men, to her search for love in young, sexually ambivalent men--the "transparent children"--finally fusing with an airy teenage boy to whom she introduces the world of love and sexuality. In the second part, "The Café," Nin reveals the psychological truth of her relationship with her lover and mentor, Henry Miller, via her main characters' interactions with the powerful, omnipotent Jay, whom Nin fashioned after Miller. *Children of the Albatross* offers the reader Anais Nin's sense of "inner reality" perhaps more beautifully and effectively than in any other work. *Collages* explores a world of fantasy and dreams through an eccentric young painter. Nin's first book was published in the 1930s and she went on to write stories and a series of autobiographical novels and her celebrated volumes of erotica. *A Literate Passion Letters of Anais Nin & Henry Miller: 1932-1953* HMH A “lyrical, impassioned” document of the intimate relationship between the two authors that was first disclosed in *Henry and June* (Booklist). This exchange of letters between the two controversial writers—Anais Nin, renowned for her candid and personal diaries, and Henry Miller, author of *Tropic of Cancer*—paints a portrait of more than two decades in their complex relationship as it moves through periods of passion, friendship, estrangement, and reconciliation. “The letters may disturb some with their intimacy, but they will impress others with their fragrant expression of devotion to art.” —Booklist “A portrait of Miller and Nin more rounded than any previously provided by critics, friends, and biographers.” —Chicago Tribune Edited and with an introduction by Gunther Stuhlmann *Under the Sign of Pisces Henry and June From the Unexpurgated Diary of Anais Nin*

The sex doll and its high-tech counterpart the sex robot have gone mainstream, as both the object of consumer desire and the subject of academic study. But sex dolls, and sexual technology in general, are nothing new. Sex dolls have been around for centuries. In *Sex Dolls at Sea*, Bo Ruberg explores the origin story of the sex doll, investigating its cultural implications and considering who has been marginalized and who has been privileged in the narrative. Ruberg examines the generally accepted story that the first sex dolls were dames de voyage, rudimentary figures made of cloth and leather scraps by European sailors on long, lonely ocean voyages in centuries past. In search of supporting evidence for the lonesome sailor sex doll theory, Ruberg uncovers the real history of the sex doll. The earliest commercial sex dolls were not the dames de voyage but the femmes en caoutchouc: "women" made of inflatable vulcanized rubber, beginning in the late nineteenth century. Interrogating the sailor sex doll origin story, Ruberg finds beneath the surface a web of issues relating to gender, sexuality, race, and colonialism. What has been lost in the history of the sex doll and other sex tech, Ruberg tells us, are the stories of the sex workers, women, queer people, and people of color whose lives have been bound up with these technologies. **Notable American Women A Biographical Dictionary Completing the Twentieth Century** *Harvard University Press* Entries on almost five hundred women representing a wide range of fields of endeavor are featured in a collection of biographical essays that integrate each woman's personal life with her professional achievements, set in the context of historical develop

Mirages The Unexpurgated Diary of Anaïs Nin, 1939-1947 *Ohio University Press* *Mirages* opens at the dawn of World War II, when Anaïs Nin fled Paris, where she lived for fifteen years with her husband, banker Hugh Guiler,

and ends in 1947 when she meets the man who would be “the One,” the lover who would satisfy her insatiable hunger for connection. In the middle looms a period Nin describes as “hell,” during which she experiences a kind of erotic madness, a delirium that fuels her search for love. As a child suffering abandonment by her father, Anais wrote, “Close your eyes to the ugly things,” and, against a horrifying backdrop of war and death, Nin combats the world’s darkness with her own search for light. *Mirages* collects, for the first time, the story that was cut from all of Nin’s other published diaries, particularly volumes 3 and 4 of *The Diary of Anais Nin*, which cover the same time period. It is the long-awaited successor to the previous unexpurgated diaries *Henry and June*, *Incest*, *Fire*, and *Nearer the Moon*. *Mirages* answers the questions Nin readers have been asking for decades: What led to the demise of Nin’s love affair with Henry Miller? Just how troubled was her marriage to Hugh Guiler? What is the story behind Nin’s “children,” the effeminate young men she seemed to collect at will? *Mirages* is a deeply personal story of heartbreak, despair, desperation, carnage, and deep mourning, but it is also one of courage, persistence, evolution, and redemption that reaches beyond the personal to the universal.

In Favour of the Sensitive Man And Other Essays Here, in more than twenty essays, Nin shares her unique perceptions of people, places, and the arts. Includes several lectures and two interviews. Seduction of the Minotaur Seduction of the Minotaur is an example of Anaïs Nin's most mature and cohesive fiction. The central character, Lillian, arrives in exotically primitive Mexico from New York, in part to forget her crumbling marriage and to find flow in her life after years of stasis. She befriends Dr. Hernandez, who, like Lillian, is also trying to forget, to escape, which he does with violence, shocking Lillian into facing her inner demon, the "Minotaur." Critic Oliver Evans says of Seduction of the Minotaur: "Its symbolism is the most complicated of any of Miss Nin's longer works...and at the same time it makes more concessions...to the tradition of the realistic novel: the result is a work of unusual richness." Consider this passage: "It was the time of the year when everyone's attention was focused on the moon. 'The first terrestrial body to be explored will undoubtedly be the moon.' Yet how little we know about human beings, thought Lillian. All the telescopes are focused on the distant. No one is willing to turn his vision inward... Such obsession with reaching the moon, because they have failed to reach each other, each a solitary planet!" Seduction of the Minotaur reveals Nin's struggle for self-awareness through her character Lillian. In a setting that is sumptuously described, with fully developed characters, the plot involves the dichotomy between civilization and the primitive, the dark and bright sides of human nature, with a conclusion that is classic Nin: enlightenment.
