KEY=BELLA - CLARK BRADLEY

Angels in Leather

CreateSpace Love is never beautiful. It's dirty, and raw, and broken. That's what makes it perfect. It's two broken pieces forming together to make something whole, something worth fighting for. Axel Wraithe is my other piece. He's the biker who's been hunting me for a year, yet he's the one who can so easily break me. He wants what I have, and I want what he's got to give. Only he's fighting against himself, not willing to give it. He's got monsters in his heart, changing who he is, changing what he believes in. I'm the only one who can help him, and I won't stop until I've got the truth. I want to fix what's broken, but I can't do that without him. So I'll fight for my gorgeous, broken biker. I'll fight until our pieces fit back together.

Hell's Angels

A Strange and Terrible Saga

Ballantine Books Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, Hell's Angels is a gripping portrait, and the best account we have of the truth behind an American legend.

Own the Wind

A Chaos Novel

Forever Too hot to handle . . . Tabitha Allen grew up in the thick of Chaos—the Chaos Motorcycle Club, that is. Her father is Chaos' leader, and the club has always had her back. But one rider was different from the start. When Tabby was running wild, Shy Cage was there. When tragedy tore her life apart, he helped her piece it back together. And now, Tabby's thinking about much more than friendship . . . Tabby is everything Shy's ever wanted, but everything he thinks he can't have. She's beautiful, smart, and as his friend's daughter, untouchable. Shy never expected more than friendship, so when Tabby indicates she wants more—much more—he feels like the luckiest man alive. But even lucky men can crash and burn . . .

Pre-Incident Indicators of Terrorist Incidents

The Identification of Behavioral, Geographic and Temporal Patterns of Preparatory Conduct

DIANE Publishing *This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.*

No Logo

Taking Aim at the Brand Bullies

Macmillan *An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture*

The Periodic Table

Everyman's Library *One of Italy's leading men of letters, a chemist by profession, writes about incidents in his life in which one or another of the elements figured in such a way as to become a personal preoccupation*

All that is Solid Melts Into Air

The Experience of Modernity

Verso The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Eat, Pray, Love

One Woman's Search for Everything Across Italy, India and Indonesia

Riverhead Books Traces the author's decision to quit her job and travel the world for a year after suffering a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. (Biography & autobiography). Reissue. A best-selling book. Movie tie-in.

Better Angel

Better Angel, a novel by Forman Brown, was originally published in 1933 using the pseudonym Richard Meeker. It was republished as Torment in 1951, maintaining the pseudonym. In 1987, Alyson Publications reprinted Better Angel under the assumption the author was no longer living. After being notified about the publication from a friend, Forman went to A Different Light bookstore to purchase a copy. "It's a very good book, well written," the person at the shop told Forman, "I think you'll like it." "I hope so," responded Forman, "I wrote it!" Forman was subsequently put in touch with the publishers and in 1990, nearly 60 years after first being published, Better Angel was released with Forman listed as the author instead of a pseudonym. Of the unexpected turn of events, Forman would comment, "I think the most rewarding thing that has happened to me has been the rediscovery of Better Angel, and the realization that its message of hope-or the possibility of hope-is still pertinent and as warming as it proved 60 years ago."

Good Omens

The Nice and Accurate Prophecies of Agnes Nutter, Witch

Harper Collins *There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.*

'Til Death -

CreateSpace *They say there's a fine line between love and hate. There is. I fell in love with a monster. He used me. He destroyed me. He made a fool out of me. I didn't know it at the start. You never do. You think you have found the man of your dreams. You think nothing could break you apart. How wrong you are. I loved Marcus Tandem with everything that was me. To him, I was just a business deal, a way to keep something he'd worked hard for. He never had any intentions of returning my affections. He never wanted me in his life. But I wanted him in mine. When you fall in love with the devil, you expect to get burned. Marcus burned me. He consumed me. He devastated me. Somewhere inside, I knew he was no good. I just prayed having me in his life might be enough. I hold onto that small hope, that maybe, just maybe, somewhere deep down in his soul, he might love me too. Someday.*

Confronting Consumption

MIT Press *Essays that offer ecological, social, and political perspectives on the problem of overconsumption.*

The Show I'll Never Forget

50 Writers Relive Their Most Memorable Concertgoing Experience

Da Capo Press *In The Show I'll Never Forget, writer Sean Manning has gathered an amazing array of unforgettable concert memories from a veritable A-list of acclaimed novelists, poets, biographers, cultural critics, and songwriters. Their candid, first-person recollections reveal as much about the writers' lives at the time as they do about the venues where the shows occurred or the artists onstage. Ishmael Reed on Miles Davis Luc Sante on Public Image Ltd. Heidi Julavits on Rush Daniel Handler and Andrew Sean Greer on Metric Diana Ossana on Led Zeppelin Maggie Estep on Einsturzende Neubauten Dani Shapiro on Bruce Springsteen Gary Giddins on Titans of the Tenor! Nick Flynn on Mink DeVille Susan Straight on The Funk Festival Rick Moody on the The Lounge Lizards Jennifer Egan on Patti Smith Harvey Pekar on Joe Maneri Thurston Moore on Glen Branca, Rudolph Grey, and Wharton Tiers Chuck Klosterman on Prince Sigrid Nunez on Woodstock Jerry Stahl on David Bowie Charles R. Cross on Nirvana Marc Nesbitt on The Beastie Boys And many more . . . No matter where your musical taste falls, these often funny, occasionally sad, always thought-provoking essays-all written especially for The Show I'll Never Forget-are sure to connect with anyone who loves, or has ever loved, live music.*

Tracked

Penguin *The Fast and the Furious* gets a futuristic twist in this action-packed debut! On corporately controlled Castra, rally racing is a high-stakes game that seventeen-year-old Phoebe Van Zant knows all too well. Phee's legendary racer father disappeared mysteriously, but that hasn't stopped her from speeding headlong into trouble. When she and her best friend, Bear, attract the attention of Charles Benroyal, they are blackmailed into racing for Benroyal Corp, a company that represents everything Phee detests. Worse, Phee risks losing Bear as she falls for Cash, her charming new teammate. But when she discovers that Benroyal is controlling more than a corporation, Phee realizes she has a much bigger role in Castra's future than she could ever have imagined. It's up to Phee to take Benroyal down. But even with the help of her team, can a street-rat destroy an empire?

Heaven's Sinners

Spike knows tragedy. He knows that feelings are better left hidden. He refuses to put his heart out there again. It's not a feeling he ever wants to experience a second time around. But then there's Ciara, the sister of his deceased wife. An old friend, his first love, and a girl determined to fix what was broken between them. She wants to reform an old friendship, but Spike won't have a bar of it. Who will win the battle of the wills?

Hell's Knights

CreateSpace Sex. Who really knows sex? I mean, we've all had sex, great sex even but when you get down to the details, how many of us actually see sex for the raw, primal act that it is? I thought I knew sex. I've had sex. Heck, I've felt lust. Once, I've even felt love. I thought I knew exactly what sex was. Until I met Cade. He's the meaning of sex. He's a biker. He's dangerous. He's powerful. He's dominant. He wants me. My world is about to change, for the better? I don't know. But here's my story, I hope you're ready for it because it's not the beautiful, heart wrenching story most people have to tell. It's passionate, forbidden, morally incorrect and downright, fucking beautiful.

Savior

Book One

Please read entire description before purchase.*When a Biker with a tortured past, meets a mysterious woman in a dangerous situation, she becomes a light in his dark life that he'll do anything to keep. But she has a dark past of her own. One that is creeping ever closer, threatening to extinguish that light forever...*This is the story of Dean and Vanna. Two star crossed lovers who come to realize that they need each other to survive, in more ways than one. *Dean Keegan is a Vigilante Biker with a tortured past, who makes abusers of women and children pay for their crimes against the innocent. The story begins with Dean at rock bottom, on the verge of giving up after having lost his marriage and about to be thrown out of his club. His personal life is a wreck, but then Dean meets a unique woman named Vanna, who is unbeknownst to him, in hiding from her ex fiance cop currently doing time for nearly killing her years prior. They both have emotional scars and inner demons they're dealing with, that effect their lives and especially their budding relationship.*This is an in depth love story between two damaged characters that takes place in a small country town in a fictionalized region of the Carolina's. *The main story line of this book is wrapped up by the end, with a happily ever after for now (HEAFN), however there is a building story in the background that will continue and carry over into the upcoming Book 2. So technically you could say there is a "cliffhanger". *This isn't exactly an insta-love story, but could be considered a mutual insta-lust, that develops into true love. The circumstances around their relationship are unique and complicated at times, especially coming from two different walks of life. Dean and Vanna DO NOT cheat on each other, and though Vanna self identifies as a pagan witch, this is NOT written as a paranormal romance. There are witches in the world, just as there are bikers. It's up to the reader to decide whether or not spells or magic are real. Also, there isn't an extreme age gap (28h/37H)* SAVIOR Book 1, is not your typical MC Romance style book, though the main character is a Biker with connections to an MC. At 660+ pages, it is fast paced, and centers more heavily on the love story than MC politics, for a majority of the book. The MC politics are brewing in the background throughout the story, and will carry over into the sequel.* TRIGGER WARNING: Contains Explicit Adult Content: Sex, Profanity, Violence, Blasphemy, Brief Depictions of Abuse. Not recommended for anyone under the age of 18, or anyone triggered by the above mentioned.

Machine of Death

A Collection of Stories about People who Know how They Will Die

Machines of Death LLC Presents fantasy stories written by Internet authors that explore how people, cultures, and societies are affected by the predictions of the Machine, an object that provides short yet vague phrases about how a person will die.

The Better Angels of Our Nature

Why Violence Has Declined

Penguin Group USA Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

Riding Man

For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. Riding Man is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

Handbook for Mortals

Book One of the Series

Geeknation Press "Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--Amazon.com

Angels of Death

Inside the Bikers' Empire of Crime

Vintage Canada The award-winning authors of *The Road to Hell: How the Biker Gangs Are Conquering Canada* bring us a definitive, up-to-the-minute account of the Hells Angels and the international biker network. Marsden and Sher explain how the expansion of America's foremost motorcycle gang has allowed this once ragtag group of rebels, outcasts and felons to become one of the world's most sophisticated criminal organizations. While the media has continued to toast the Hells Angels California leader, Sonny Barger, as an American legend, the facts tell another story - they are America's major crime export. With an estimated 2,500 full-patch members in 25 countries, the Hells Angels have inspired a global subculture of biker gangs that are among the most feared and violent underworld players. *Angels of Death* takes readers to Arizona, inside the biggest American police undercover operation to infiltrate the bikers; to British Columbia where wealthy bikers dominate the organized crime pyramid; to Australia where the "bikies" shoot it out with police; to Curaçao where terrorist organizations funnel drugs to Dutch bikers; and to the streets of Oslo, Copenhagen and Helsinki where a murderous biker war saw rocket attacks and bombs turn Scandinavia into a war zone. For the first time, police officers who have infiltrated biker gangs tell their secrets - revealing the challenges, fears and horrors they've discovered going undercover. Sher and Marsden take the reader behind the latest headlines to tell the story of how the Hells Angels became so powerful, and how the police - with only a few successes - have tried to stop them. Excerpt from *Angels of Death: Three murderous evenings, three different continents, three faces of the Angels of death: the killing of innocents, the killing of fellow bikers, and the killing of cops*. Not to mention the hundreds of thousands of lives ruined, brains fried, bodies withered by the methamphetamines, cocaine and other drugs pushed by the bikers. And yet while the body count kept mounting, Sonny Barger, the Californian patriarch and international leader of the Hells Angels, was being feted by the international media as he promoted his latest bestselling book. Even the usually thoughtful British press fell for the rebel Yankee. *The Times* called him, "affable, big-hearted, warm." *The Independent* labelled him an "American legend." And in many ways he is.

Step-Lover

CreateSpace I met him before I knew. I loved him before I knew. I didn't know he was my stepbrother when I fell for Bladen. I fell for a mystery guy who I spent a long, amazing weekend with. Then he got up and left me, without even a goodbye. I was nothing more than a bit of fun. He broke my heart. I didn't see him again. Until my mom and her new husband, Jack, decide to take us all on a family vacation to the lake so I can meet my new stepbrothers for the first time. I don't see it coming. When he gets out of that car, my world stops. My passionate lover is...my stepbrother. He isn't the same man. He's a prick and he makes sure I know it. I'm not the same woman. I'm in love with him and I very much plan to make sure he knows it. He won't make my life easy. I won't give up.

The World of Pulsating Paula

The Biker Lifestyle

The unforgettable photography of *Pulsating Paula*, that wild and crazy girl who seemed to be everywhere bikers went, and always knew exactly when to click her shutter. Her photographs have been published in dozens of biker, lifestyle and tattoo magazines, and she has been featured in several magazines... but this is the first book dedicated entirely to the art of Paula Grimaldi Reardon. From the '70s into the new millennium, the American biker scene never looked so good as through the lens of *Pulsating Paula*. One hundred pages of photographs, both black & white and color.

The Media Book

Hodder Education *The Media Book* provides today's students with a comprehensive foundation for the study of the modern media. It has been systematically compiled to map the field in a way which corresponds to the curricular organization of the field around the globe, providing a complete resource for students in their third year to graduate level courses in the U.S.

My Place

Fremantle Press *My Place* begins with Sally Morgan tracing the experiences of her own life, growing up in suburban Perth in the fifties and sixties. Through the memories and images of her childhood and adolescence, vague hints and echoes begin to emerge, hidden knowledge is uncovered, and a fascinating story unfolds - a mystery of identity, complete with clues and suggested solutions. Sally Morgan's

My Place is a deeply moving account of a search for truth, into which a whole family is gradually drawn; finally freeing the tongues of the author's mother and grandmother, allowing them to tell their own stories.

Sons of Anarchy #12

BOOM! Studios In the wake of Damon Pope's death, there's a power vacuum left all along the West Coast and the Sons of Anarchy are determined to make sure the right crew fills it with whatever force necessary, and deadly force is always on the table.

New Society

We are All the Same in the Dark

A Novel

"A seasoned cop's interest in a mysterious one-eyed girl takes her back to the worst night of her life in this fast-paced thriller from the internationally bestselling author of Black-Eyed Susans. They call her Angel. Found on the side of a remote highway, half-dead and blowing wishes in a field of dandelions, the young girl refuses to speak. No one knows who she is or where she came from--only that she fell from the sky. It's Wyatt who finds her and takes her home to nurse her back to health, setting into motion the town's rumor mill. A pariah, Wyatt still believes he can still communicate with his long-gone sister, and he might be the only one left who knows the truth about the night of her disappearance. The night that Wyatt's cousin, Odette Tucker, also lost something important: her leg. Now a cop, uninhibited by her prosthetic, Odette must reenter Wyatt's ghost-ridden world. In Angel's case and her beautiful green eye, she sees her once-broken self and all the things she was told she'd never do. As she begins to coax Angel into speaking and slowly pieces together her identity, Odette is ignited to reopen the cold case that has haunted her. Soon she is ensnared in a lethal game of cat and mouse with someone who doesn't want that night revisited. The night that inspired her to become a cop, the night her friend disappeared and they both exploded into a small Texas town's dark, violent mythology"--

Knights' Sinner

The MC Sinners Series, #3

Jackson is always considered the "Softie". He is the first to help people out when they're in need. He's the President of the Hell's Knights and is tired of being treated like a pushover. He wants to show the guys just how much of a sinner he can be. Serenity has a dark past. Secrets haunt her and she has no way of escaping them. Hogan is the only family she knows, and life with him is brutal...and it's about to get worse. He sends her on a mission. On a mission to destroy the Hell's Knights and Heaven's Sinners. Can she pretend with a club she doesn't know, or will she betray Hogan?

The Rebels

A Brotherhood of Outlaw Bikers

University of Toronto Press The image of the outlaw biker is widely recognize in North American society. The reality is only known to insiders. To study the phenomenon of outlaw biker clubs, anthropologist Daniel Wolf bridged the gap between image and reality by becoming an insider.
