The Diary of a Young Girl

Anchor *THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."*—*The New York Times Book Review* In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Annex

A Collection of Her Short Stories, Fables, and Lesser-Known Writings, Revised Edition

Bantam *Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.*

What We Talk About When We Talk About Anne Frank Stories

Vintage *These eight new stories from the celebrated novelist and short-story writer Nathan Englander display a gifted young author grappling with the great questions of modern life, with a command of language and the imagination that place Englander at the very forefront of contemporary American fiction. The title story, inspired by Raymond Carver's masterpiece, is a provocative portrait of two marriages in which the Holocaust is played out as a devastating parlor game. In the outlandishly dark "Camp Sundown" vigilante justice is undertaken by a group of geriatric campers in a bucolic summer enclave. "Free Fruit for Young Widows" is a small, sharp study in evil, lovingly told by a father to a son. "Sister Hills" chronicles the history of Israel's settlements from the eve of the Yom Kippur War through the present, a political fable constructed around the tale of two mothers who strike a terrible bargain to save a child. Marking a return to two of Englander's classic themes, "Peep Show" and "How We Avenged the Blums" wrestle with sexual longing and ingenuity in the face of adversity and peril. And "Everything I Know About My Family on My Mother's Side" is suffused with an intimacy and tenderness that break new ground for a writer who seems constantly to be expanding the parameters of what he can achieve in the short form. Beautiful and courageous, funny and achingly sad, Englander's work is a revelation.*

People Love Dead Jews: Reports from a Haunted Present

W. W. Norton & Company *Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.*

The Girl in the Green Sweater

A Life in Holocaust's Shadow

St. Martin's Press *True story from the major motion picture "In Darkness," official 2012 Academy Award nominee for Best Foreign Language Film. In 1943, with Lvov's 150,000 Jews having been exiled, killed, or forced into ghettos and facing extermination, a group of Polish Jews daringly sought refuge in the city's sewer system. The last surviving member this group, Krystyna Chiger, shares one of the most intimate, harrowing and ultimately triumphant tales of survival to emerge from the Holocaust. The Girl in the Green Sweater is Chiger's harrowing first-person account of the fourteen months she spent with her family in the fetid, underground sewers of Lvov. The Girl in the Green Sweater is also the story of Leopold Socha, the group's unlikely savior. A Polish Catholic and former thief, Socha risked his life to help Chiger's underground family survive, bringing them food, medicine, and supplies. A moving memoir of a desperate escape and life under unimaginable circumstances, The Girl in the Green Sweater is ultimately a tale of intimate survival, friendship, and redemption.*

Anne Frank's Diary: The Graphic

Adaptation

Pantheon A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of *The Diary* and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

Hidden Like Anne Frank: 14 True Stories of Survival

14 True Stories of Survival

Scholastic Inc. For readers of *The Boy Who Dared* and *Prisoner B-3087*, a collection of unforgettable true stories of children hidden away during World War II. Jaap Sitters was only eight years old when his mother cut the yellow stars off his clothes and sent him, alone, on a fifteen-mile walk to hide with relatives. It was a terrifying night, one he would never forget. Before the end of the war, he would hide in secret rooms and behind walls. He would suffer from hunger, sickness, and the looming threat of Nazi raids. But he would live. This is just one of the true stories told in *Hidden Like Anne Frank*, a collection of eye-opening first-person accounts that share the experience of going into hiding to escape the Holocaust. Some were just toddlers when they were hidden; some were teenagers. Some hid with neighbors or family, while many were with complete strangers. But all know the pain of losing their homes, their families, even their own names. They describe the secret network that kept them safe. And they share the coincidences and close calls that made all the difference.

Narrative Essays

A wonderful selection of Orwell's finest narrative essays George Orwell was first and foremost an essayist. From his earliest published article in 1928 to his untimely death in 1950, he produced an extraordinary array of short non-fiction that reflected - and illuminated - the fraught times in which he lived and wrote. 'As soon as he began to write something,' comments George Packer in his foreword to this new two-volume collection, 'it was as natural for Orwell to propose, generalize, qualify, argue, judge - in short, to think - as it was for Yeats to versify or Dickens to invent.' This collection charts Orwell's development as a master of the narrative-essay form and unites classics such as 'Shooting an Elephant' with lesser-known journalism and passages from his wartime diary. Whether detailing the horrors of Orwell's boyhood in an English boarding school or bringing to life the sights, sounds, and smells of the Spanish Civil War, these narrative essays weave together the personal and the political in an unmistakable style that is at once plain-spoken and brilliantly complex.

Anne Frank: The Collected Works

Bloomsbury Publishing *Anne Frank's diary is one of the most recognised and widely read books of the Second World War. Hundreds of thousands of people visit the Anne Frank House on the Prinsengracht in Amsterdam each year to see the annexe where Anne and her family hid from the occupying forces, before eventually being deported to Auschwitz in 1944. Only Anne's father, Otto, survived the Holocaust. Anne Frank: The Collected Works includes each of the versions of Anne's world-famous diary including the 'A' and 'B' diaries now in continuous, readable form, and the definitive text ('D') edited by renowned translator and author Mirjam Pressler. For the first time readers have access to Anne's letters, personal reminiscences, daydreams, essays and notebook of favourite quotes. Also included are background essays by notable writers such as historian Gerhard Hirschfeld (University of Stuttgart) and Francine Prose (Bard College) on topics such as 'Anne Frank's Life', 'The History of the Frank Family' and 'The Publication History of Anne Frank's diary', as well as numerous photographs of the Franks and the other occupants of the annexe. An essential book for scholars and general readers alike, The Collected Works brings together for the first time Anne Frank's complete writings, together with important images and documents. Supported by the Anne Frank Fonds in Basel, Switzerland, set up by Otto Frank to act as the guardian of Anne's work, this is a landmark publication marking the anniversary of 90 years since Anne's birth in 1929.*

Traditions of Writing Research

Routledge *Traditions of Writing Research reflects the different styles of work offered at the Writing Research Across Borders conference. Organized by Charles Bazerman, one of the pre-eminent scholars in writing studies, the conference facilitated an unprecedented gathering of writing researchers. Representing the best of the works presented, this collection focuses solely on writing research, in its lifespan scope bringing together writing researchers interested in early childhood*

through adult writing practices. It brings together differing research traditions, and offers a broad international scope, with contributor-presenters including top international researchers in the field. The volume's opening section presents writing research agendas from different regions and research groups. The next section addresses the national, political, and historical contexts that shape educational institutions and the writing initiatives developed there. The following sections represent a wide range of research approaches for investigating writing processes and practices in primary, secondary, and higher education. The volume ends with theoretical and methodological reflections. This exemplary collection, like the conference that it grew out of, will bring new perspectives to the rich dialogue of contemporary research on writing and advance understanding of this complex and important human activity.

Anne Frank

The Book, the Life, the Afterlife

Harper Collins *"Prose's book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create."* — *Minneapolis Star Tribune* In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In *Anne Frank*, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, *The Diary of a Young Girl*. She investigates the diary's unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter's words; the controversy surrounding the diary's Broadway and film

adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world's most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, Anne Frank unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.

Anne Frank

The Biography

A&C Black Tracing Anne Frank's life from an early childhood in an assimilated family to her adolescence in German-occupied Amsterdam, Melissa Müller's biography, originally published in 1998, follows her life right up until her desperate end in Bergen Belsen. This updated edition includes the five missing pages from Anne Frank's diary, a number of new photographs, and brings to light many fascinating facts surrounding the Franks. As well as an epilogue from Miep Gies, who hid them for two years, it features new theories surrounding their betrayal, revelations about the pressure put on their helpers by the Nazi party and the startling discovery that the family applied for visas to the US. This authoritative account of Anne Frank's short but extraordinary life has been meticulously revised over seven years.

The Freedom Writers Diary (20th Anniversary Edition)

How a Teacher and 150 Teens Used Writing to Change Themselves and the World Around Them

Crown #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and

determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the *Freedom Writers*, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The *Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

All But My Life

A Memoir

Hill and Wang *All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops—including the man who was to become her husband—in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German*

labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.
