Leadership Lessons from West Point

John Wiley and Sons With Leadership Lessons from West Point as a guide, leaders in the business, nonprofit, and government sectors can learn leadership techniques and practices from contributors who are teaching or have taught at the U.S. Military Academy at West Point and have served in positions of leadership that span the globe. These military experts cover a broad range of topics that are relevant to any leadership development program in any sector. The articles in this important resource offer insight into what leadership means to these experts—in both war and peacetime—and describe their views on quiet leadership, mission, values, taking care of people, organizational learning, and leading change.
