---

*Tor Books* Ken Scholes's debut novel, *Lamentation*, was an event in fantasy. Heralded as a "mesmerizing debut novel" by Publishers Weekly, and a "vividly imagined SF-fantasy hybrid set in a distant, postapocalyptic future" by Booklist, the series gained many fans. It was followed by *Canticle* and *Antiphon*. Now comes the fourth book in The Psalms of Isaak, *Requiem*. Who is the Crimson Empress, and what does her conquest of the Named Lands really mean? Who holds the keys to the Moon Wizard's Tower? The plots within plots are expanding as the characters seek their way out of the maze of intrigue. The world is expanding as they discover lands beyond their previous carefully controlled knowledge. Hidden truths reveal even deeper truths, and nothing is as it seemed to be. ### LAMENTATION

---

*Tor Books* This remarkable first novel from award-winning short fiction writer Ken Scholes will take readers away to a new world—an Earth so far in the distant future that our time is not even a memory; a world where magick is commonplace and great areas of the planet are impassable wastes. But human nature hasn't changed through the ages: War and faith and love still move princes and nations. In *Lamentation*, the first entry in the Psalm of Isaak series, an ancient weapon has completely destroyed the city of Windwir. From many miles away, Rudolfo, Lord of the Nine Forest Houses, sees the horrifying column of smoke rising. He knows that war is coming to the Named Lands. Nearer to the Devastation, a young apprentice is the only survivor of the city—he sat waiting for his father outside the walls, and was transformed as he watched everyone he knew die in an instant. Soon all the Kingdoms of the Named Lands will be at each others' throats, as alliances are challenged and hidden plots are uncovered. *Orbit* Miles Cameron weaves an epic tale of magic and mercenaries, war and depravity, politics and intrigue in this action-packed debut fantasy *The Red Knight*. Twenty eight florins a month is a huge price to pay, for a man to stand between you and the Wild. Twenty eight florins a month is nowhere near enough when a wyvern's jaws snap shut on your helmet in the hot stink of battle, and the beast starts to rip the head from your shoulders. But if standing and fighting is hard, leading a company of men -- or worse, a company of mercenaries -- against the smart, deadly creatures of the Wild is even harder. It takes all the advantages of birth, training, and the luck of the devil to do it. The Red Knight has all three, he has youth on his side, and he's determined to turn a profit. So when he hires his company out to protect an Abbess and her nunnery, it's just another job. The abby is rich, the nuns are pretty and the monster preying on them is nothing he can't deal with. Only it's not just a job. It's going to be a war. . . If you're a fan of Mark Lawrence, John Gwynne, or Brian McClellan you won't want to miss out on this intricate, epic debut fantasy.

### **PAUL'S POLEMICAL ENGAGEMENT WITH THE "ENEMIES OF THE CROSS OF CHRIST" IN PHILIPPIANS 3:18-20**

---

*Langham Monographs* For many of whom I often told you, and even now am writing with tears, walk as the enemies of the cross of Christ: they walk to their final destruction, their god is the belly and their glory is in shameful things, their minds are earthly bound. But our πολίτευμα is in heaven from where we expect the Lord Jesus Christ, who is our Savior. Philippians 3:18-20 Paul's letters to Philippians show us that this rather outspoken man had plenty of opportunity and cause to aggravate his christian contemporaries. However, for Paul to use such hostility and to name people as "enemies" shows us that we should take note and try to understand the meaning behind his statement. In this work the author asks: who were these enemies? What did they do wrong? Why did they deserve destruction? In search of these questions the investigation looks to the early Christian communities and their formation within the socio-political realities of the urban centers of the Roman Empire. Through this we learn a great deal about the uneven and complex dynamics of the early Christian community and a deep understanding of Paul's warning to them.
