## A Clockwork Orange (Restored Text)

**W. W. Norton & Company** A newly revised text for A Clockwork Orange's 50th anniversary brings the work closest to its author's intentions. A Clockwork Orange is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess's own illustrations.

## The Rainbow Troops

### A Novel

**Sarah Crichton Books** Published in Indonesia in 2005, *The Rainbow Troops*, Andrea Hirata's closely autobiographical debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitung, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's *The Kite Runner*: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve.

## One Small Thing

Daddy just took on a whole new meaning... Rue Murray likes guys -- hot guys, younger guys, older guys, all sorts. So why did he have a one night stand with a lady? He's kind of impulsive. Just ask his best friend, Dusty. His impulsivity can get him into trouble -- trouble like an oopsie baby on the way that Rue is about zero percent ready for. Rue is overwhelmed, but he won't give Alice up. What he needs is a nanny, and he's running out of options. He's on the verge of a breakdown when he remembers his reclusive neighbor, Erik. Erik is a sci-fi novelist with anxiety issues to spare. He doesn't like people in general, and he likes babies even less. But cash is cash and with his royalties circling the drain... he needs it. He's Rue's saving grace. Rue and Erik are as different as two people can be, and Alice is the unlikeliest of babies, but sometimes about a million wrongs can mix together to make something that feels very, very right.

## Vengeance is Mine, All Others Pay Cash

**Text Publishing** Thrilling...an engrossing, emotionally rankling speed-read...original and sure-footed.' Big Issue [UK] Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as 'one of the few influential writers in Indonesia.' His first novel to be translated into English, Beauty Is a Wound, was released in 2015. 'An unusual and provocative novel...A page turner, and well worth your attention.' AU Review '[Kurniawan] habitually drives his narratives between the extreme poles of the crass and the sublime, the tragic and the comedic, the surreal and the real.' South China Morning Post 'It's funny, enraging, and touching.' Village Voice 'I believe the phrase is "page-turner"' Words Without Borders 'Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy.' BookMooch 'Eka Kurniawan's English-language debut, Beauty Is a Wound, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino.' Readings 'An arresting portrait of Indonesia's struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire.' New Yorker on Beauty is a Wound 'Beauty Is a Wound is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan's creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original.' Australian on Beauty is a Wound

## Hamlet yang Tak Lekang Oleh Waktu

## Kumpulan Analisis Karya Sastra

**Pustaka Kaji** Pembaca tidak pernah kekurangan penulis. Setumpuk buku fiksi terus muncul setiap bulannya dari beragam penulis. Pembaca perlu menjelajah dari satu tumpukan ke tumpukan buku lain untuk dapat mengaku sebagai pembaca sastra. Di sekolah, perpustakaan dan guru adalah referensi penting bagi bacaan siswa. Di luar sekolah, ada orang tua, teman, dan media sosial yang memperkenalkan siswa kepada buku bacaan. Reda Gaudiamo lewat tokoh Na Willa dalam buku *Na Willa* (2019) menceritakan tokoh kecil yang gemar membaca. Na Willa belum bersekolah dan segala bahan bacaannya diperoleh dari kedua orang tua. Dengan perlahan, ibu Na Willa mengajarkannya mengenal huruf-huruf. Na Willa membayangkan perpustakaan sebagai kamar yang menyenangkan jika dapat terus ditinggali. Cara anak menerima dan menolak ide-ide dalam sebuah buku sering di luar dugaan orang tua dan guru. Di sekolah, anak-anak hingga beranjak remaja diajarkan jika membaca adalah perbuatan baik. Perkenalan anak-anak pada buku sudah berlangsung lama bahkan sebelum mereka dapat membaca. Namun referensi bacaan mereka terkadang tidak cukup meluas bahkan hingga mereka dewasa dan menjadi orang tua. Dalam penerbitan buku *Hamlet yang Tak Lekang Oleh Waktu*, sekolah tidak hanya mengenalkan siswa kepada buku namun juga kepada dunia tulis. Selain sebagai pembaca, siswa mesti pula menjadi pencipta karya. Siswa diajak mengulas buku lewat tulisan. Buku-buku yang dibahas pun cukup beragam, meskipun karya-karya Tere Liye tetap menjadi primadona. Pande mengulas buku Tere Liye berjudul *Daun yang Jatuh Tidak Pernah Membenci Angin* (2010). Buku berkisah mengenai Tania sebagai gadis miskin yang ditolong pemuda mapan. Tania yang luar biasa cerdas dan cantik dengan waktu cepat dapat merombak kehidupannya. Tania tentu saja jatuh cinta dengan penolongnya, namun si pemuda mapan justru menikah dengan perempuan lain. Tania yang baik hati lekas sembuh dari perasaan sakit hatinya. Astronia mengulas buku *Rembulan Tenggelam di Wajahmu* yang menceritakan perjalanan hidup Ray. Dunia tidak memberikan kesempatan pada Ray untuk hidup menjadi orang baik. Namun dengan segala keburukan yang dilakukan, Ray berusaha untuk memaknai hidupnya. Jilan Kansa mengulas buku *Ayahku (Bukan) Pembohong*. Menceritakan hubungan yang retak antara ayah dan anak hanya karena sebuah kecurigaan. Pembaca tentu tidak kaget jika buku Tere Liye banyak diulas. Tere Liye telah bertahun-tahun memberikan kegembiraan dan semangat membaca kepada siswa hingga mahasiswa. Tentu siswa perlu diingatkan, membaca banyak buku dari beragam penulis adalah satu-satunya cara untuk dapat mengulas buku dengan penuh kecurigaan dan kritik. Dapat mempertemukan dan membenturkan satu buku dengan buku yang lain adalah kegemaran pembaca sastra.

## PostSecret

## Extraordinary Confessions from Ordinary Lives

**Harper Collins** *The project* that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, *PostSecret* took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

## Character and Conflict in Jane Austen's Novels

## A Psychological Approach

**Routledge** *In Character and Conflict in Jane Austen's Novels*, Bernard J. Paris offers an analysis of the protagonists in four of Jane Austen's most popular novels. His analysis reveals them to be brilliant mimetic creations who often break free of the formal and thematic limitations placed upon them by Austen. Paris traces the powerful tensions between form, theme, and mimesis in *Mansfield Park*, *Emma*, *Pride and Prejudice*, and *Persuasion*. Paris uses Northrop Frye's theory of comic forms to analyse and describe the formal structure of the novels, and Karen Horney's psychological theories to explore the personalities and inner conflicts of the main characters. The concluding chapter turns from the characters to their creator, employing the Horneyan categories of self-effacing, detached, and expansive personality types to interpret Jane Austen's own personality. Readers of Jane Austen will find much that is new and challenging in this study. It is one of the few books to recognise and pay tribute to Jane Austen's genius in characterisation. Anyone who reads this book will come away with a new understanding of Austen's heroines as imagined human beings and also with a deeper feeling for the troubled humanity of the author herself.

## Cari Mora

## A Novel

**Grand Central Publishing** *A resilient young woman must outwit a sadistic psychopath in this pulse-pounding thriller from the author of The Silence of the Lambs*, a "master still at the top of his strange and chilling form" (*Wall Street Journal*). Twenty-five million dollars in cartel gold lies hidden beneath a mansion on the Miami Beach waterfront. Ruthless men have tracked it for years. Leading the pack is Hans-Peter Schneider. Driven by unspeakable appetites, he makes a living fleshing out the violent fantasies of other, richer men. Cari Mora, caretaker of the house, has escaped from the violence in her native country. She stays in Miami on a wobbly Temporary Protected Status, subject to the iron whim of ICE. She works at many jobs to survive. Beautiful, marked by war, Cari catches the eye of Hans-Peter as he closes in on the treasure. But Cari Mora has surprising skills, and her will to survive has been tested before. Monsters lurk in the crevices between male desire and female survival. No other writer in the last century has conjured those monsters with more terrifying brilliance than Thomas Harris. *Cari Mora*, his sixth novel, is the long-awaited return of an American master.

This morning the farmhands had let the farm animals roam around freely, while they were busy organising the harvesting of the corn. Everything seemed peaceful. Until night falls ... ## The Reluctant Queen

## Book Two of The Queens of Renthia

**HarperCollins** *Filled with political intrigue, violent magic, and malevolent spirits, the mesmerizing second book in Sarah Beth Durst's Queens of Renthia epic fantasy trilogy that started with the award-winning The Queen of Blood. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . And those spirits want to kill you. It's the first lesson that every Renthian learns. Not long ago, Daleina used her strength and skill to survive those spirits and assume the royal throne. Since then, the new queen has kept the peace and protected the humans of her land. But now for all her power, she is hiding a terrible secret: she is dying. And if she leaves the world before a new heir is ready, the spirits that inhabit her beloved realm will run wild, destroying her cities and slaughtering her people. Naelin is one such person, and she couldn't be further removed from the Queen—and she wouldn't have it any other way. Her world is her two children, her husband, and the remote village tucked deep in the forest that is her home, and that's all she needs. But when Ven, the Queens champion, passes through the village, Naelin's ambitious husband proudly tells him of his wife's ability to control spirits—magic that Naelin fervently denies. She knows that if the truth of her abilities is known, it will bring only death and separation from those she loves. But Ven has a single task: to find the best possible candidate to protect the people of Aratay. He did it once when he discovered Daleina, and he's certain he's done it again. Yet for all his appeals to duty, Naelin is a mother, and she knows her duty is to her children first and foremost. Only as the Queen's power begins to wane and the spirits become emboldened—even as ominous rumors trickle down from the north—does she realize that the best way to keep her son and daughter safe is to risk everything. Sarah Beth Durst established a place of dark wonder in The Queen of Blood, and now the stakes are even higher as the threat to the Queen and her people grows both from within and beyond the borders of Aratay in this riveting second novel of the Queens of Renthia series.*

## Playing James

**Ballantine Books** *Rules? What rules? Plucky beat reporter Holly Colshannon has a flair for the dramatic, a nose for trouble, and the remarkable ability to smile through any indignity—though her latest assignment is about to test her mettle. Newly “promoted” to crime reporter for the Bristol Gazette, she must shadow the unsmiling (though undeniably delicious) Detective James Sabine through his action-packed days, and then capture all the danger and thrills of a cop's life in a daily column for the rag. Well, on the bright side, she gets her own byline. On the down side, delectable James is hardly overjoyed to have her around. But soon her columns are a hit with readers who can't get enough of her personal adventures riding shotgun with the sexy crime stopper. Who ever expected law and order to be so romantic? Certainly Holly's rugby-playing boyfriend and James's super-gorgeous fiancée are enough to keep any sparks of electricity in check? In the end, though, love always evens the score. . . .*

## The Espressologist

**Farrar, Straus and Giroux (BYR)** *What's your drink of choice? Is it a small pumpkin spice latte? Then you're lots of fun and a bit sassy. Or a medium americano? You prefer simplicity in life. Or perhaps it's a small decaf soy sugar-free hazelnut caffe latte? Some might call you a yuppie. Seventeen-year-old barista Jane Turner has this theory that you can tell a lot about a person by their regular coffee drink. She scribbles it all down in a notebook and calls it Espressology. So it's not a totally crazy idea when Jane starts hooking up some of her friends based on their coffee orders. Like her best friend, Em, a medium hot chocolate, and Cam, a toffee nut latte. But when her boss, Derek, gets wind of Jane's Espressology, he makes it an in-store holiday promotion, promising customers their perfect matches for the price of their favorite coffee. Things are going better than Derek could ever have hoped, so why is Jane so freaked out? Does it have anything to do with Em dating Cam? She's the one who set them up! She should be happy for them, right? With overtones of Jane Austen's Emma and brimming with humor and heart, this sweet, frothy debut will be savored by readers.*
