KEY=MOM - SHANNON MORENO

Be the Mom

Overcome Attitude Traps and Enjoy Your Kids

Tyndale House Publishers, Inc. The role of mom is often described as the most important job in the world. Rightly so, for so much is at stake during children's early years and moms are central in shaping character and personhood. However, when the going gets tough (the endless diapers, the continual messes, the endless conflict resolution, the complete lack of personal time, etc.), moms are often tempted to quit their "momejob". While few would endorse an outright abandonment of motherhood, others may recommend that a woman treat her role as secondary to personal desires in order to combat feelings of discouragement and/or unfulfillment. The enemy has laid intentional traps cleverly designed to discourage and redirect a woman towards self rather than family. Moms need to know how to recognize these traps . . . and avoid them. Be the Mom: Overcome Attitude Traps and Enjoy Your Kids explores and validates the life of a mom who makes her family a priority and introduces the reader to seven Mom Traps that may be preventing them from a full, joyefilled life.

Women Living Well

Find Your Joy in God, Your Man, Your Kids, and Your Home

Thomas Nelson Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and

Home Is Where My People Are

The Roads That Lead Us to Where We Belong

Tyndale House Publishers, Inc. All roads lead to home. It's easy to go through life believing that we can satisfy our longing for home with a three-bedroom, two-bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years. But ultimately, in our deepest places, we're really looking to belong and to be known. And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life, God is at work in the journey, teaching us, shaping us, and refining us—sometimes through the most unlikely people and circumstances. In *Home Is Where My People Are*, Sophie Hudson takes readers on a delightfully quirky journey through the South, introducing them to an unforgettable cast of characters, places, and experiences. Along the way, she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth. Nobody embodies the South like Sophie Hudson, and this nostalgic celebration of home is sure to make even those north of the Mason-Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who—related or not—have come to represent home. Because at the end of the day, it's not the address on the front door or even the name on the mailbox that says home, but the people who live and laugh and love there, wherever there might happen to be.

Shame Off You

From Hiding to Healing

Abingdon Press "There is therefore now no condemnation for those who are in Christ Jesus." — Romans 8:1 Shame is an assault on the core of who we are. It assassinates our character, minimizes our worth, and dashes our hope. Like Adam and Eve, we often hide shame, but hiding never heals it. Left unattended, shame can develop into a crippling reality that paralyzes us. Like an infectious disease, shame impacts everyone . . . but not all shame is bad. Shame can either be an oppressive and powerful tool of worldly condemnation or a source of conviction that God uses to bring his people back to himself. Having the discernment to know the difference and recognize shame in its many forms can change the course of one's life. In a transparently honest style, Pass shares of her experience dealing with shame after learning that her former husband was a sexual offender. Having lived through the aftermath, she leads you into God's Word where you will see for yourself that God is bigger than your pain, shame, mistakes, and limitations. *Shame Off You* shares how freedom can be found in choosing to break the cycle of shame by learning from the past, developing healthy thinking patterns, silencing lies, and overcoming the traps of vanity and other people's opinions.

The Better Mom

Growing in Grace between Perfection and the Mess

Zondervan Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In The Better Mom, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of The Better Mom is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

Building a Marriage That Really Works

WaterBrook A Blueprint for Building a Love that Lasts Marriage begins with visions of eternal love, hope, and happiness. Yet, even among Christians, hope too quickly fades. The happiness dims. And love seems too hard to sustain. It doesn't have to be that way. God designed marriage to be a satisfying, fulfilling relationship, and He created men and women so that they-together, and as one flesh-could reflect His love for the world. Marriage, when lived out as God intended, makes us complete, it brings us joy, and gives our lives fresh meaning. In this study, you'll examine God's design for marriage, and you'll learn, from the Designer's perspective, what it means to be a godly husband or wife. You'll discover biblical wisdom for pursuing harmony in difficult areas such as finances, communication, and respect for each other's roles. Most important, you'll learn the principles you need to build a love that lasts.

Fight

Winning the Battles That Matter Most

Zondervan Author and pastor Craig Groeschel helps you uncover who you really are—a man created in the image of God with a warrior's heart—and how to fight the good fight for what's right. You will find the strength to fight the battles you know you need to fight—the ones that determine the state of your heart, the quality of your marriage, and the spiritual health of your family. Craig will also look at examples from the Bible, including our good buddy Samson. Yep, the dude with the rippling biceps and hippie hair and a thing for Delilah. You may be surprised how much we have in common with this guy. By looking at his life, you'll learn how to defeat the demons that make strong men weak. You'll become who God made you to be: A man who knows how to fight for what's right. And don't you dare show up for this fight unarmed. Learn how to fight with faith, with prayer, and with the Word of God. It's time to fight like a man. For God's Sake, FIGHT.
