Recipes for Your Perfectly Imperfect Life

Everyday Ways to Live and Eat for Health, Healing, and

Happiness

Harmony The New York Times bestselling author of the Beauty Detox series, nutritionist, and personal development expert Kimberly Snyder offers us a powerful new guide to help us feel good, eat well, dispel insecurities, and increase our love of life. Feeling good is not about having a picture-perfect life with a flawless body, job, and family. We can have those things and still feel deeply unhappy. Joy and true confidence come by finding a level of inner peace in our messy, perfectly imperfect lives. In this beautiful, inspirational, and highly anticipated new book, Kimberly Snyder shares not only her amazing new food recipes but also practical tips for living a happy and fulfilling life. As Snyder teaches, the key is to live beyond labels, heal body shame, and move past self-judgment. By embracing life's ups and downs and learning to tune into our intuition, we can ultimately claim our right to feel good, just as we are. With dozens of life lessons and more than 100 plant-based recipes for smoothies, soups, snacks, and entrées, Recipes for Your Perfectly Imperfect Life invites us to find inner peace and acceptance, and teaches us how a healthier mind and body can give us strength to thrive in all parts of our lives.

Radical Beauty

How to Transform Yourself from the Inside Out

Harmony Deepak Chopra and Kimberly Snyder propose a "program to help transform you from the inside out. Through six pillars of healthy living that focus on internal and external nourishment, sleep, living naturally, avoiding excessive stress, and better understanding the relationship between emotions and inflammatory foods, the authors offer ... tips, tools, innovative routines, and foods that will allow you to achieve your highest potential of beauty and health"--

The Skinny Confidential

A Babe's Sexy, Sassy Health and Lifestyle Guide

Macmillan A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

Medical Medium Celery Juice

The Most Powerful Medicine of Our Time Healing Millions Worldwide

Hay House, Inc Celery juice is everywhere for a reason: because it's saving lives as it restores people's health one symptom at a time. From celebrities posting about their daily celery juice routines to people from all walks of life sharing pictures and testimonials of their dramatic recovery stories, celery juice is revealing itself to ignite healing when all odds seem against it. What began decades ago as a quiet movement has become a global healing revolution. In Celery Juice: The Most Powerful Medicine of Our Time Healing Millions Worldwide, Anthony William, the originator of the global celery juice movement, introduces you to celery juice's incredible ability to create sweeping improvements on every level of our health: • Healing the gut and relieving digestive disorders • Balancing blood sugar, blood pressure, weight, and adrenal function • Neutralizing and flushing toxins from the liver and brain • Restoring health in people who suffer from a vast range of chronic and mystery illnesses and symptoms, among them fatigue, brain fog, acne, eczema, addiction, ADHD, thyroid disorders, diabetes, SIBO, eating disorders, autoimmune disorders, Lyme disease, and eye problems After revealing exactly how celery juice does its anti-inflammatory, alkalizing, life-changing work to provide these benefits and many more, he gives you the powerful, definitive guidelines to do your own celery juice cleanse correctly and successfully. You'll get instructions on how to make the juice, how much to drink, when to drink it, and what to expect as your body begins to detox, plus answers to FAQs such as "Is it safe to drink celery juice while pregnant or breastfeeding?", "Is blending better than juicing?", and "Can I take my medications with it?" Here is everything you need to know--from the original source--to receive the full gift of what Anthony calls "one of the greatest healing tonics of all time."

The Blood Sugar Solution 10-Day Detox Diet

Activate Your Body's Natural Ability to Burn Fat and Lose Weight Fast

Little, Brown Spark Dr. Hyman's revolutionary weight-loss program, based on the #1 New York Times bestseller The Blood Sugar Solution, supercharged for immediate results! The key to losing weight and keeping it off is maintaining low insulin levels. Based on Dr. Hyman's groundbreaking Blood Sugar Solution program, THE BLOOD SUGAR SOLUTION 10-DAY DETOX DIET presents strategies for reducing insulin levels and producing fast and sustained weight loss. Dr. Hyman explains how to: activate your natural ability to burn fat--especially belly fat; reduce inflammation; reprogram your metabolism; shut off your fat-storing genes; de-bug your digestive system; create effortless appetite control; and soothe the stress to shed the pounds. With practical tools designed to achieve optimum wellness, including meal plans, recipes, and shopping lists, as well as step-by-step, easy-to-follow advice on green living, supplements, medication, exercise, and more, THE BLOOD SUGAR SOLUTION 10-DAY DETOX DIET is the fastest way to lose weight, prevent disease, and feel your best.

Food Cults

How Fads, Dogma, and Doctrine Influence Diet

Rowman & Littlefield Understanding how food fads and diets can develop a fervent following that rise to the level of a cult is a new area of study and often overlooked. Here, Kima Cargill and other experts shed fresh light on the subject, revealing how and why such cults may develop among certain communities.

The Great American Detox Diet

Feel Better, Look Better, and Lose Weight by Cleaning Up Your Diet

Rodale Here, in response to all the requests, is the detox program that undid the damage Morgan Spurlock—director and star of Super Size Me—did to his body in a month of gorging on nothing but McDonald's. What would happen if you ate nothing but fast food for an entire month? That's what filmmaker Morgan Spurlock attempted to find out by making his scathing tongue-in-cheek documentary Super Size Me. A 33-year-old New Yorker in excellent health, he would eat nothing but McDonald's for 30 days, to gauge the effects on his body. The results were shocking: He gained almost 30 pounds, saw his cholesterol skyrocket, and developed chest pains and dangerously high blood pressure. The Great American Detox is an everyman's version of Spurlock's detox diet. Designed by vegan chef and holistic nutritionist (and Spurlock's significant other) Alex Jamieson, it is the program that gave Spurlock his health back. While doctors feared the damage might be permanent, Jamieson knew otherwise. She regularly sees her detox diet help clients achieve radical improvements in their emotional, spiritual, and physical health. Now she has written it up for popular use. Filled with mouthwatering recipes, it is a flexible 8-week program for weight loss, increased energy, allergy elimination, and other long-term health benefits.

10-Day Green Smoothie Cleanse

Lose Up to 15 Pounds in 10 Days!

Simon and Schuster The New York Times bestselling 10-Day Green Smoothie Cleanse will jump-start your weight loss, increase your energy level, clear your mind, and improve your overall health as you lose ten to fifteen pounds in just ten days. Made up of supernutrients from leafy greens and fruits, green smoothies are filling and healthy and you will enjoy drinking them. could change your life if you stick with it! This book provides a shopping list, recipes, and detailed instructions for the 10-day cleanse, along with suggestions for getting the best results. It also offers advice on how to continue to lose weight and maintain good health afterwards. Are you ready to look slimmer, healthier, and sexier than you have in years? Then get ready to begin the 10-Day Green Smoothie Cleanse! If you successfully complete the 10-Day Green Smoothie Cleanse, you will...

- Lose 10–15 pounds in 10 days
- Get rid of stubborn body fat, including belly fat
- Drop pounds and inches fast, without grueling workouts
- Learn to live a healthier lifestyle of detoxing and healthy eating
- Naturally crave healthy foods so you never have to diet again
- Receive over 100 recipes for various health conditions and goals

Intuitive Fasting

The Flexible Four-Week Intermittent Fasting Plan to Recharge Your Metabolism and Renew Your Health

Rodale Books NEW YORK TIMES BESTSELLER • “Dr. Will Cole clearly cares about his patients’ health, and he addresses the widespread misconceptions about intermittent fasting while giving readers a tailored week-by-week plan to get back in touch with what their body truly needs.”—Mark Hyman, MD, director, the Cleveland Clinic Center for Functional Medicine and author of Food “Intuitive Fasting makes both the science and user-friendly application of this exciting approach to human nutrition available for everyone.”—David Perlmutter, MD, FACN, author of Grain Brain and Brain Wash

The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the bestselling author of Ketotarian and The Inflammation Spectrum

For some, the idea of fasting by eating only one or two meals a day sounds like an extreme and overly restrictive dieting tactic. But the truth is, our daily eating schedule—three meals a day, plus snacks—does not necessarily reflect our bodies’ natural cycles. In fact, eating three meals every day can cause metabolic inflexibility, which can lead to inflammation, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives you the ability to take control of your hunger and make intermittent fasting intuitive. You’ll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. Intuitive Fasting will show you how to find metabolic flexibility—and once you’ve reached it, you can trust your body to function at optimal capacity, whether you’ve eaten six minutes ago or six hours ago. During his 4-Week

Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean, nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to:

- Reset your body
- Recharge your metabolism
- Renew your cells
- Rebalance your hormones

Along with more than 65 recipes, you'll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

The 21-Day Sugar Detox

Bust Sugar & Carb Cravings Naturally

Victory Belt Publishing The 21-Day Sugar Detox is a clear-cut, effective, whole-foods-based nutrition action plan that will reset your body and your habits! Tens of thousands of people have already used this groundbreaking guide to shatter the vicious sugar stronghold. Now it's your turn! Use the easy-to-follow meal plans and more than 90 simple recipes in this book to bust a lifetime of sugar and carb cravings in just three weeks. Three levels of the program make it approachable for anyone, whether you're starting from scratch or from a gluten-free, grain-free, and/or Paleo/primal lifestyle. The 21-Day Sugar Detox even includes special modifications for athletes (endurance, CrossFit, HIIT-style, and beyond), pregnant/nursing moms, pescetarians, and people with autoimmune conditions. What you'll experience on this program will be different from a lot of other "diet" programs out there that promote extremely restricted eating; encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. The goal of any detox program should be to support your body in naturally cleansing itself of substances that create negative health effects—and that's exactly what The 21-Day Sugar Detox does. By focusing on quality protein, healthy fats, and good carbs, this program will help you change not only the foods you eat, but also your habits around food, and even the way your palate reacts to sweet foods. You'll likely complete the program and continue eating this way much of the time thereafter because you'll feel so amazing. After changing your everyday eating habits, you will begin to gain a new understanding of how food works in your body—and just how much nutrition affects your entire life. There's no reason to wait! SUGAR IS TAKING OVER OUR LIVES. But why? And is it only those sweet, refined white crystals that are causing us problems, or could there be more to the story? Let's be honest: The problem isn't just sugar itself. It's the refined, nutrient-poor carbohydrates that carry tons of calories, but no real nutrition. In our world, these are the easiest foods to grab on the go, but they leave us fat, sick, tired, and downright unhappy. The effect that sugar, "hidden" carbs, and refined, processed foods have on our bodies goes far beyond our

waistlines. We can't focus, we can't sleep, we have irrational mid-afternoon cravings, and we can't even make it through the day without wanting—or needing—to prop up our energy levels with caffeine or even more sugar! What can we do to break free from this cycle? The 21-Day Sugar Detox is here to help.

Against All Grain

Delectable Paleo Recipes to Eat Well & Feel Great

Simon and Schuster Offers recipes for a paleo diet, including Spanish frittata with chorizo, Korean beef noodle bowls, and lemon vanilla bean macaroons.

Happy Gut

The Cleansing Program to Help You Lose Weight, Gain Energy, and Eliminate Pain

Harper Collins Following the success of the bestselling Clean Gut and Wheat Belly comes this essential guide to improving digestive health from an expert in functional medicine—who reveals why everything that ails us, from fatigue to weight gain to bloating and bad skin, can be traced back to the gut, and shares his cleansing plan to help us reclaim our health. Dr. Vincent Pedre understands gut problems firsthand. He suffered from IBS for years before becoming an expert in functional medicine and learning how to heal his body from the inside. Dr. Pedre used his own experience to develop The Gut C.A.R.E. Program—an approach that draws from both Western and Eastern methodologies, combining integrative and functional medicine—that has a proven success record in his private practice in New York. Now, for the first time, Dr. Pedre makes his revolutionary plan for health and wellness available to everyone. Happy Gut takes readers step-by-step through Gut C.A.R.E.—Cleanse, Activate, Restore, and Enhance—which eliminates food triggers, clears the gut of unfriendly pathogens, and replaces them with healthy probiotics and nutrients that repair and heal the gut. Rather than masking symptoms with medication, he shows us how to address the problem at its core to restore the gastrointestinal system to

its proper functioning state. By fixing problems in the gut, followers of Dr. Pedre's program have found that their other health woes are also cured and have lost weight, gained energy, and improved seemingly unrelated issues, such as seasonal allergies, in addition to eliminating their chronic muscle and abdominal pain. Complete with recipes and meal plans including gluten-free, low-fat, and vegetarian options, a 28-day gut cleanse, yoga postures to help digestion, and testimonials from many of his patients, Happy Gut will help you feel better and eliminate gut issues for life.

The Starch Solution

Eat the Foods You Love, Regain Your Health, and Lose the Weight for Good!

Rodale Books A bestselling author's groundbreaking eating plan that challenges the notion that starch is unhealthy From Atkins to Dukan, the fear-mongering about carbs over the past few decades has reached a fever pitch; the mere mention of a starch-heavy food is enough to trigger a cavalcade of shame and longing. In The Starch Solution, bestselling diet doctor and board-certified internist John A. McDougall, MD, and his kitchen-savvy wife, Mary, turn the notion that starch is bad for you on its head. The Starch Solution is based on a simple swap: fueling your body primarily with carbohydrates rather than proteins and fats. This will help you lose weight and prevent a variety of ills. Fad diets come and go, but Dr. McDougall has been a proponent of the plant-based diet for decades, and his medical credibility is unassailable. He is one of the mainstay experts cited in the bestselling and now seminal China Study—called the "Grand Prix of epidemiology" by the New York Times. But what The China Study lacks is a plan. Dr. McDougall grounds The Starch Solution in rigorous scientific fact and research, giving readers easy tools to implement these changes into their lifestyle with a 7-Day Quick Start Plan and 100 delicious recipes. This book includes testimonials from among the hundreds Dr. McDougall has received, including people who have lost more than 125 pounds in mere months as well as patients who have conquered lifethreatening illnesses such as diabetes and cardiac ailments.

The Food Babe Way

Break Free from the Hidden Toxins in Your Food and Lose Weight, Look Years Younger, and Get Healthy in Just 21 Days!

Little, Brown Eliminate toxins from your diet and transform the way you feel in just 21 days with this national bestseller full of shopping lists, meal plans, and mouth-watering recipes. Did you know that your fast food fries contain a chemical used in Silly Putty? Or that a juicy peach sprayed heavily with pesticides could be triggering your body to store fat? When we go to the supermarket, we trust that all our groceries are safe to eat. But much of what we're putting into our bodies is either tainted with chemicals or processed in a way that makes us gain weight, feel sick, and age before our time. Luckily, Vani Hari -- aka the Food Babe -- has got your back. A food activist who has courageously put the heat on big food companies to disclose ingredients and remove toxic additives from their products, Hari has made it her life's mission to educate the world about how to live a clean, organic, healthy lifestyle in an overprocessed, contaminated-food world, and how to look and feel fabulous while doing it. In The Food Babe Way, Hari invites you to follow an easy and accessible plan that will transform the way you feel in three weeks. Learn how to: Remove unnatural chemicals from your diet Rid your body of toxins Lose weight without counting calories Restore your natural glow Including anecdotes of her own transformation along with easy-to-follow shopping lists, meal plans, and tantalizing recipes, The Food Babe Way will empower you to change your food, change your body, and change the world.

Wheat Belly

Lose the Wheat, Lose the Weight, and Find Your Path Back to Health

Rodale Books Includes a sneak peek of Undoctored—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result, over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In Wheat Belly, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, Wheat Belly is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

Judgment Detox

Release the Beliefs That Hold You Back from Living A Better Life

Simon and Schuster "Gabrielle is the real thing. I respect her work immensely." —Dr. Wayne Dyer "A new role model." —The New York Times "I came to one of Bernstein's monthly lectures and got my first look at the woman I'd one day unabashedly refer to as 'my guru.'" —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to

release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you'll feel more peace and happiness than you've ever known. I can testify to these results because I've lived them. I've never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

Dr. Kellyann's Cleanse and Reset

Detoxify, Nourish, and Restore Your Body for Sustained Weight Loss...in Just 5 Days

Rodale Books Combat and prevent the effects of burnout with a detoxifying and nourishing cleanse program that liberates your body from poisons that make you sick, tired, and overweight—from the New York Times bestselling author of Dr. Kellyann's Bone Broth Diet and The 10-Day Belly Slimdown “If you are feeling tired, unhealthy, and emotionally burned-out and want a fresh way to rejuvenate, Kellyann has a message for you: she’s been where you are. And she knows the way out.”—Mehmet Oz, MD “Dr. Kellyann Petrucci has

done a terrific job bringing the science of detoxification to the table. This is a top-notch way to deal with the multiple toxic challenges posed by our modern world.”—David Perlmutter, MD, #1 New York Times bestselling author of Grain Brain and Brain Wash Whether from stressful times like the holidays or from the demands of your regular routine, your body naturally becomes depleted over time, making it even more difficult to lose weight and maintain the energy and vitality you need to get through the day. This is something Dr. Kellyann Petrucci experienced firsthand in 2017 while she was writing her last book, doing nonstop TV appearances, and running her business. She gained 20 pounds, her hormones went haywire, and she was at a loss for how to turn things around. She decided it was time to hit the reset button and created her simplest plan yet, specifically designed to help the millions of women who are overweight, overworked, and overextended get reenergized both physically and mentally. This is a comfortable, incredibly powerful 5-day cleanse protocol that resets your metabolism, giving you the kind of quick, confidence-boosting results you need to get back on a healthy track. The power ingredient in the Cleanse and Reset is collagen, which improves skin elasticity and brings back that coveted youthful glow, eases joint pain, heals leaky gut, supports weight management, and has anti-inflammatory properties. The healing and reparative smoothies, shakes, soups, and bone broth blends that you’ll enjoy on the 5-day cleanse are packed with collagen and can be adapted to any diet, with a focus on modifying the cleanse for the keto diet (along with great collagen alternatives for vegetarians and vegans!). The program also includes an optional 1-day “keto push” that you can follow for an extra boost the day before you begin your cleanse. Dr. Kellyann’s Cleanse and Reset will help you slim your body, deep-cleanse your cells, and reclaim your energy and focus so you can start feeling truly good again.

The Beauty Detox Foods

HarperCollins UK In her bestselling book, The Beauty Detox Solution, Kimberly Snyder—one of Hollywood’s top celebrity nutritionists and beauty experts—shared the ground-breaking programme that keeps her A-list clientele in red-carpet shape.

The New Health Rules

Simple Changes to Achieve Whole-Body Wellness

Artisan Now in paperback! Frank Lipman, M.D., is one of the country’s top pioneers in the field of integrative medicine. A leading international speaker on health and wellness, he has been featured in Men’s Health, Vogue, Men’s Journal, Redbook, and Martha

Stewart Living. He is a regular contributor to Goop and The Huffington Post, and he writes a daily blog for his own site, Dr.FrankLipman.com. Danielle Claro is a writer, editor, longtime yogi, and former professional dancer. She has ghostwritten two New York Times bestsellers, launched an indie lifestyle magazine called Breathe, and served as special projects director at Condé Nast's Domino magazine. She's currently deputy editor of Real Simple.

East by West

Simple Recipes for Ultimate Mind-Body Balance

Pan Macmillan Winner of the 2018 Hearst Big Books Award (Women's Health and Wellbeing) East by West is the first solo cookbook from bestselling author, cook and TV presenter Jasmine Hemsley, co-founder of Hemsley + Hemsley. Featuring 140 delicious recipes from around the world, East by West champions the ancient Ayurvedic philosophy of eating to nourish, sustain and repair for ultimate mind-body balance. Jasmine continues her passion for balancing body, mind and spirit amidst the challenges of our fast-paced day-to-day lives, through real food and tasty home cooking. With a focus on listening to your body, eating when you're hungry, being conscious of what you're eating when you're eating it and choosing foods that are right for your mood from day to day, East by West is a modern take on the Ayurvedic principles. With classic Ayurvedic comfort dishes from Golden Milk to Kitchari and great family sharing dishes Sesame Roast Chicken to Saffron Millionaire Cheesecake, the book has something for every taste (bringing to life store cupboard basics to create dishes) from super simple to simply special. A global range of recipes, together with simple mindful rituals and a classic cleanse to revisit when your energy levels need a boost help the book bring Ayurveda to life in a fresh and friendly way. Packed with beautiful colour photography and inspired by Jasmine's personal journey with food and healthy living, East by West represents a delicious evolution of the ideas explored in Hemsley + Hemsley bestsellers Good + Simple and The Art of Eating Well.

Eat Pretty

Nutrition for Beauty, Inside and Out

Chronicle Books Nutrition is the fastest-rising beauty trend around the world. Eat Pretty simplifies the latest science and presents a userfriendly program for gorgeous looks, at any age, that last a lifetime. Buzzwords like antioxidants, biotin, and omega-3s are explained alongside more than 85 everyday foods, each paired with their specific beauty-boosting benefit: walnuts for supple skin, radishes for strong nails. But healthful ingredients are just one aspect of beauty nutrition. Eat Pretty offers a full lifestyle makeover, exploring stress management, hormonal balance, and mindful living. Charts and lists, plus nearly 20 recipes, make for a delicious and infinitely useful ebook—in the kitchen, at the grocer, and on the go.

The Eczema Detox

The Low-Chemical Diet for Eliminating Skin Inflammation

Exisle Publishing

Green Smoothies for Life

Simon and Schuster A New York Times bestseller from certified weight-loss expert JJ Smith, Green Smoothies for Life offers a brand-new meal plan to incorporate green smoothies into your everyday routine while developing healthier long-term eating habits and improving your overall health. More than a weight loss plan, the 10-Day Green Smoothie Cleanse, designed by nutritionist and certified weight-loss expert JJ Smith, became a way of life. Readers reported that they not only shed pounds but they also slept better, thought more clearly, and were in better over-all health, with some adherents, in consultation with their doctor, even moving off medication. As delicious as her green smoothies are, however, the cleanse was designed only to jumpstart a detox and a new approach to eating—it's not a permanent solution. In her new book, Green Smoothies for Life, the highly anticipated follow up to the #1 New York Times bestseller 10-Day Green Smoothie Cleanse, Smith presents a way that green smoothies can be incorporated into your daily regimen. With over thirty recipes for everything from hot dinners to desserts and snacks, sixty thoughtfully composed green smoothie recipes, a thirty-day meal plan and the corresponding shopping lists, the book provides you with a step-by-step prescriptive daily regimen that shows you how to eat mindfully and healthily. In addition to green smoothies and color photographs of select

recipes, the book includes more than twenty effective methods to detox (which helps fuel weight loss), information on Smith's DHEMM (Detox, Hormonal Balance, Eat, Move and Mental Mastery) weight loss system, and testimonials from dieters who've change their approach to not just food but also life since while following her advice. Whether you are just starting out on your weight loss journey or already a smoothie convert, Green Smoothies for Life is the essential next step in continuing your pursuit of a healthier lifestyle.

Fed & Fit

A 28 Day Food & Fitness Plan to Jump-Start Your Life with Over 175 Squeaky-Clean Paleo Recipes

Simon and Schuster Cassy Joy Garcia draws from her years of research and experience to deliver a roadmap to mastering her 'Four Pillars of True Health'. With over 150 gluten-free and Paleo-friendly recipes, a 28-day food and fitness plan, portion guides, program guides and supplemental online tools, Fed & Fit provides readers a foundation for lasting success. Joy's recipes were hand selected to complement each of 'The Four Pillars' and include step-by-step instructions, full-colour photos and personalisation guides to help you achieve your individual wellness goals.

Behaviors of Change

Turning Failure into Hope Through Sustainable Life Strategies

WestBow Press Heading into his fifth year at Ball State University in 1992, the culmination of Tims lifelong dream and goal of becoming a professional football player was occurring around him. Engulfed by joy and pride at what was permeating throughout his life, Tim was witnessing the adage that the NFL will find you if you are worthy of becoming a professional football player. At the precipice of attaining his goal, life would spiral out of control. His girlfriend left him, his agent was backpedaling, his pet would die, and

his bubble would burst. Everything changed. Grades dropping and cutting class, at twenty-two, Tim went from the top of the mountain to the deepest valley. Stress, depression, despair, fear, and physical pain would lead him to his darkest hour. Psalm 34:1819: The Lord is near to the brokenhearted and saves the crushed in spirit. Many are the afflictions of the righteous, but the Lord delivers him out of them all. At the height of his despair in 1993, Tim did not know Jesus. He had no spiritual life. The fact is when we are going through times of sadness and depression and when we feel completely crushed is just when God is nearest to us. The times that we think God is silent is often when He is actually closest (Jack Wellman, pastor of the Mulvane Brethren church in Mulvane, Kansas). From a lost soul laser focused on his one goal, one plan, to scaling the depths of all-out despair, Tim was about to begin the process of life-altering change. His mother became his angel. Seeing the despair and pain, and recognizing it for what it was (since she had lost two brothers at young ages and a relative had committed suicide), she led Tim to his knees where he could finally hear God say I am here.

Crazy Sexy Diet

Eat Your Veggies, Ignite Your Spark, And Live Like You Mean It!

Rowman & Littlefield The author of the best-selling Crazy Sexy Cancer Tips and Crazy Sexy Cancer Survivor takes on the crazy sexy subject of what and how we eat, drink, and think. Crazysexydiet.com On the heels of Kris Carr's best-selling cancer survival guidebooks and her acclaimed TLC documentary comes her new journey into a realm vital to anyone's health. Infused with her signature sass, wit and advice-from-the-trenches style, Crazy Sexy Diet is a beautifully illustrated resource that puts you on the fast track to vibrant health, happiness and a great ass! Along with help from her posse of experts, Carr lays out the fundamentals of her Crazy Sexy Diet: a low-glycemic, vegetarian program that emphasizes balancing the pH of the body with lush whole and raw foods, nourishing organic green drinks, and scrumptious smoothies. Plus, she shares the steps of her own twenty-one-day cleanse, and simple but delectable sample recipes. In ten chapters with titles such as, "pHabulous," "Coffee, Cupcakes and Cocktails," "Make Juice Not War," and "God-Pod Glow," Carr empowers readers to move from a state of constant bodily damage control to one of renewal and repair. In addition to debunking common diet myths and sharing vital tips on detoxifying our bodies and psyches—advice that draws both on her personal experience as a cancer survivor and that of experts—she provides helpful hints on natural personal care, how to stretch a dollar, navigate the grocery store, eating well on the run, and working through the inevitable pangs and cravings for your old

not-so-healthy life. Crazy Sexy Diet is a must for anyone who seeks to be a confident and sexy wellness warrior.

Reboot Your Health

Simple DIY Tests and Solutions to Assess and Improve Your Health

Hay House UK Limited "Reboot Your Health starts with a comprehensive and bespoke health assessment. From inexpensive and simple tests you can do yourself (sleep, saliva/urine pH, bowel habits, blood pressure, candida etc.) and tests you can ask your doctor or pharmacist for (thyroid, cholesterol, vitamin deficiency, hormone imbalance, inflammatory markers etc.) readers will start to benchmark their own body against a range of "normal" - including heart rate, BMI and metabolic rate. Solutions can then be pick-and-mixed from a range of conventional medical solutions, scientifically backed Western complementary and alternative approaches, Eastern medical techniques, and psychological therapies and healing modalities. If you're still not well, further chapters offer advice on other options to pursue, including specialist tests. This book gives you the tools to listen to your body, collect information, take practical steps to get you feeling better and more in touch with your own body, and avoid future illness."--

You Are More Than You Think You Are

Practical Enlightenment for Everyday Life

Hay House, Inc Blast through all the baggage in your life with this guide to everyday enlightenment from New York Times best-selling author Kimberly Snyder. Many of us think that we just aren't enough. Not good enough, not pretty enough, not rich enough, and not happy enough. But just because we think something doesn't mean it's true. YOU ARE MORE THAN YOU THINK YOU ARE teaches you how to revise your belief system, fulfill your deepest dreams and desires, and create an epic, successful, and inspiring life. Unlocking your True Self is the key to new levels of joy, beauty, and peace. But what is the True Self, and how can you realize its infinite potential? In this easy-to-read book, Kimberly Snyder answers these questions and shows you how to tap into this unstoppable force

to transform every aspect of your life for the better. Drawing inspiration from the teachings of the great guru Paramahansa Yogananda along with personal stories and the latest scientific research, Kimberly offers simple exercises, potent ancient practices, and in-depth meditations to help you overcome negative beliefs and see yourself as you truly are—a goddess, a warrior, a lover, and a creator of your extraordinary destiny.

It's Decorative Gourd Season, Motherfuckers

Chronicle Books A passionate and profane love letter to fall, the best fucking season of the year. Do you get excited at the first brisk breeze of the year? Are you overcome with delight when you see piles of red leaves? Do you lose your fucking mind at a pumpkin patch? At last, the epically funny internet sensation It's Decorative Gourd Season, Motherfuckers is now a visual tour-de-force, teeming with a cornucopia of perfectly paired photos and seasonal enchantments to make it really fucking sing. Whiffy candles, wicker baskets, motherfucking gourd after gourd, and people going insane they love fall so much? Check! Also included: the equally lifechanging meditation It's Rotting Decorative Gourd Season, Motherfuckers, because all good things must end. Give it to everyone you love, or put it on your fucking coffee table next to a pile of shellacked vegetables to really tie the room together. Perfect for: For anyone who fucking loves fall, and fans of McSweeney's, Go the Fuck to Sleep, Deep Thoughts, the Onion, and the New Yorker.

Vegucation Over Medication

The Myths, Lies, and Truths about Modern Foods and Medicines

At the height of medical technology and civilization, America has become the fattest and sickest nation to ever grace the earth. There was a time when food was our medicine, and the farmer our physician. But now industrialization has converted farms into factories, replaced produce for processed foods, and meat comes with just as many warnings as the drugs we are prescribed. If we continue to embrace the Standard American Diet (SAD diet) and current health care system, this may be the first generation of parents to outlive their children. The science and medical community are split 50/50 as to why we are so sick. One side is dogmatically attached to the theory that germs cause disease, so sickness is inevitable and can only be treated not cured. The other perspective is that we have a

genetic predisposition to disease and that science & technology provide the solution. However, neither of these philosophies actually address the real cause of disease. Vegucation Over Medication bridges the gap by helping us understand the impact of nutrition on our health. Dr. Bobby Price provides actionable advice on how to prevent and even reverse many chronic diseases. The book dispels in shocking detail many of the myths and lies we've adopted as truths, such as the use of medications as our primary form of prevention. Dr. Price's holistic approach to understanding the healing nature of our foods and bodies will empower you to cleanse, nourish, and RECLAIM YOUR HEALTH. In this book you will learn: - Hidden dangers in foods and medicines - How to minimize or eliminate medications - The connection between disease and nutrition - The secrets of long-term natural weight loss - The real scoop on protein - Powerful natural alternatives to help restore the body - Guide to incorporating a plant-based lifestyle - Tasty plant-based alternatives to your favorite foods - How a plant-based diet improves energy, digestion, and sleep - How to reverse Type 2 Diabetes - Keys to normalizing blood pressure and cholesterol levels

The Bulletproof Diet

Lose Up to a Pound a Day, Reclaim Energy and Focus, Upgrade Your Life

Rodale Books In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and

feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.

Detox

14 plans to combat the effects of modern life

The Hormone Reset Diet

Heal Your Metabolism to Lose Up to 15 Pounds in 21 Days

Harper Collins The Harvard-educated physician and New York Times bestselling author of The Hormone Cure shows you how to grow new receptors for your seven metabolic hormones, making you lose weight and feel great fast! When it comes to weight loss, most people don't think about hormones. But when you develop resistance to your seven major metabolic hormones—cortisol, thyroid, testosterone, growth hormone, leptin, insulin, and estrogen—your body adjusts by increasingly raising your hormone levels and ultimately slowing down your metabolism. And a slower metabolism leads to weight gain and difficulty losing weight. The solution, Dr. Sara Gottfried contends, is to reset the efficiency of your hormones by repairing and growing new hormone receptors. Based on leading scientific research, The Hormone Reset Diet is her proven weight loss and energy program to reverse hormone resistance in just three weeks. It will help you: Boost your metabolism and calorie burning by growing new and fresh thyroid receptors; Increase your weight loss by re-balancing estrogen and progesterone receptors; Reverse your aging by resetting glucocorticoid receptors (for

better processing cortisol). For the last twenty years, this Harvard-MIT educated physician has helped thousands of women address the root hormonal causes of what bothers them most: excess weight, lack of energy, aging, and illness. Going beyond her bestselling *The Hormone Cure*, this program is the next generation of her deep understanding of hormonal optimization for rapid weight loss.

This Naked Mind

Control Alcohol, Find Freedom, Discover Happiness &

Change Your Life

Penguin This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland
