### **GOD IS ENOUGH**

---

Xulon Press Generation after generation of readers have kept Hannah Whitall Smith's *The Christian's Secret of a Happy Life* in continuous print since its first publication in 1875. Many of them, however, never became well acquainted with similar gems of spiritual devotion that are found not only in her other published writings but also in the thousands of pages of unpublished letters and journals in which she recorded her spiritual journey. In 1982, through the kindness of her great-granddaughter, Barbara Strachey Halpern, the editors were given free access to the family's treasure lode of books, memorabilia, and manuscripts at her home in Oxford, England. The result was *God Is Enough*. The warm response generated by its first printing in 1986 and supported by the thousands who welcomed each additional printing thereafter indicates that the practical spiritual insights of this most widely read spiritual counselor of the nineteenth century still speak to us today.

Crossway An easy-to-carry "pocket book" that steers women away from the world's weak remedies for anxiety and fear and points them to their security in Christ. While fear-provoking headlines fill our days, and struggles with anxiety are a fact in a fallen world, Scripture says fear does not need to be a fact of life for Christians. This little carry-along "pocket book" for women focuses on the Bible's great truths about what lies beneath their fears and the means to overcome them—for those who worry just a little, those who suffer a gnawing, controlling fear or actual panic attacks, and every woman in between. The first in a series of small, Bible-centered volumes for women, each of which covers a particular struggle, *Trust* is full of biblical truths and promises that will reassure readers that if they belong to Christ, they have absolutely nothing to fear. *On-the-Go Devotionals* easily tuck into a purse or gym bag and make great gifts. Each lesson is self-contained, with Scripture and a paragraph or two of teaching that will steer women away from worldly coping techniques, away from themselves and their circumstances, and onto God and their security in Christ.

### **THIS BOOK IS FOR YOU**

---

---

### **LOVING GOD'S WORDS IN YOUR ACTUAL LIFE**

---

NavPress This is a book about falling in love with the Bible . . . that feels nothing like reading a book about the Bible. *This Book Is for You* will help you learn that the Bible has something life-changing to say about who you are, where you are, and the God who is in the midst of it. When you finish this book, you just might say, "I see what she did here. I didn't realize it, but I was learning while I was laughing. She invited me into a dialogue about things I didn't know I wanted to learn. She stirred within me a love for the Bible, but it didn't hurt at all." *This Book Is for You* invites you into the author's life using stories, humor, and charm, revealing how the Bible has become Tricia Lott Williford's daily lifeline. Regardless of your notions of the Bible, Tricia will help you engage with it as a living, meets-me-where-I'm-at thing. Tricia is not a seminarian. She is a lover of God's Word. She is not a highbrow academician. She is educated as a grade school teacher who sometimes uses comic relief to make her point. She is not a theologian, a Bible teacher, or even a Bible scholar. Tricia is a lover of messy people; a mom of two teenage boys who are likely late for school and wearing mismatched socks. She has been known to absent-mindedly doodle in the margins of overdue library books. She has battled depression and anxiety to degrees that have nearly drowned her. She has begged the Lord for miracles that only He could provide. And somewhere in the midst of all that, she fell hopelessly in love with the Word of God as a light to her next step and the air for her next breath. Now Tricia wants you to

experience this too.

### **EQUIPPING WOMEN TO CALL ON GOD IN TRUTH**

---

P & R Publishing "Prayer is our direct means of communication with God. Yet many people are unsure how to pray. Is there a specific way to do it? Any examples we can study? Just where do you go to learn about prayer? Go to the Bible; specifically, to the prayers in the Bible. Susan Hunt guides women to explore prayers from the Bible, highlighting the overarching story of redemption that shapes these biblical prayers and equips us to know God's nearness and call on Him in truth. She passionately believes that only a true woman can do this. So she lays out foundational, biblical principles of true womanhood, showing that true women are redeemed women. Prayers of the Bible is an excellent study for women's Bible study groups. Each prayer passage comes with an outline, questions to focus your thoughts, a prayer story, practical suggestions for prayer, and suggestions for personal reflection"--Publisher description.
