Room to Roam; a Recreation Guide to the Public Lands

Urban Trails Bellingham

Chuckanut Mountains // Western Whatcom // Skagit Valley

**Mountaineers Books • Engaging, full-color pocket guide to Bellingham-area trails • Useful guide for all ages, fitness abilities, and experience levels** Urban Trails: Bellingham is one of the first guidebooks in a new series to trails that are close to town. The series is aimed at those of us looking for an accessible nature outing—trails we can get to quickly, via public transportation or a short drive, that offer a quality outdoor experience without the need for special gear or major effort. These are trails perfect for families, first-time trail users, or athletes looking for a quick fix after work. Urban Trails: Bellingham focuses on the trails and parks in and around Bellingham, including the Chuckanut Mountains and Skagit Valley. Features in this guidebook include: • Trailhead directions, including public transit where available • “Know before you go” tips for park hours, events, and more • Trail distance and high point • Indication of best use for walkers, runners, and/or hikers • Estimated average hike time • Trailhead amenities • Info for families and dog owners • Sidebars on area

history, nature, or special sights

## The Pilot's Travel and Recreation Guide

### Northwest and Western Canada

**McGraw-Hill** This volume answers the call of places to fly, on business or pleasure, with detailed airport information and bountiful suggestions of where to stay, where to eat, what to do, and sights to see upon arrival.

### Recreation Guide to Washington National Forests

**Falcon Guides** Detailed information on camping, scenic driving, hiking, wildlife viewing and other outdoor activities in the beauty of the National Forest System of Washington State.

### Adventure Guide to Ireland

**Hunter Publishing, Inc** Aiming at making the visitor a participant rather than just a spectator, the author succeeds admirably in her descriptions, from Ireland's pub life to its prehistoric sites, the spectacular Cliffs of Moher and kissing the Blarney Stone. Neylon takes us on a fabulous and thorough journey throughout this beautiful country. Where to stay is thoroughly researched, with choices from rentals to government-approved hostels, B&Bs and RV parks. The Irish author's book is a compilation of how best to enjoy the delights her country holds for visitors. --Edyth Shepard, Anton Community Newspapers. Excellent choice. This travel series is one of the best . The book is very well detailed and user-friendly. It's well priced, too, and a great bargain. I consider a good guidebook essential when visiting a new place and I was thrilled with this one. The writer is from Ireland and the book is filled with her insider knowledge. The photos and maps are great, as are the driving instructions. If you buy one guidebook to Ireland, then get this one - it has everything you need to know!!!! --A reader. I had the chance to take a look at the sample chapter (Dublin) that's available on your website and I have to say I am very impressed with layout and detailed information. I have long been a fan of the Lonely Planet Guides, but I compared your Dublin chapter to the one in Lonely Planet and am far more impressed with your guide. I look forward to reading through the rest of the guide when it arrives! --Ireland Tour Operator. Ireland is steeped in history, tradition and culture, making it one of the most popular vacation destinations worldwide. Its story is told in centuries-old castles (some of which now welcome overnight guests); stone circles strategically placed to shine in the winter solstice moon; and, of course, in its pubs, where local residents gladly share a pint and a tale. Its cities are a treat to explore, with winding streets packed with tiny antique stores. Trips along the coast take you to traditional fishing villages and past some of the world's best golf courses. This book, written by an Ireland native, tells it all.

### Greater Boston Park and Recreation Guide

Describes the history, facilities, and scenery of the various public parks, beaches, state forests, and wildlife sanctuaries in the Boston area

### Bellingham and Mount Baker - Insiders' Guide®

**Insiders' Guide** Insiders' Guide® to Bellingham and Mt. Baker showcases a little-known gem of a city about 90 miles north of Seattle and just south of the U.S.-Canada border. Set on the beaches of northern Puget Sound, surrounded by the San Juan Islands on one side and the North Cascades Mountains on the other, Bellingham boasts a setting that is out of this world. It's a dream town for those with an outdoor jones. But Bellingham is also a college town and offers just as many cultural and artistic opportunities, as well as great places to stay and eat.

## Bibliographic Guide to Maps and Atlases

### Camping Washington

## A Comprehensive Guide to Public Tent and RV Campgrounds

**Rowman & Littlefield** This fully updated and revised guide to more than 400 public campgrounds in the state of Washington is perfect for tent and RV campers alike. Within each of the campground listings is vital information on location, road conditions, fees, reservations, available facilities, and recreational activities. The listings are organized by geographic area, and thorough site maps will help simplify the search for the perfect campground. In addition, *Camping Washington* provides useful tips on camping etiquette, camping with children, and enjoying--or avoiding--the state's diverse and abundant wildlife. Look inside for: Campground locations Facilities and hookups Fees and reservations GPS coordinates for each campground Tips on wildlife, safety, and zero-impact camping

### Washington State Parks

## A Complete Recreation Guide

**The Mountaineers Books** Explore Washington's state parks in this new edition with up-to-date park information. \*Completely revised to reflect the status of new parks and park closings \*Expanded to include Point Doughty, Obstruction Pass, Griffin Bay, and Upright Channel, all in the San Juan Islands \*Updated information on facilities, recreation, fees, and more Marge and Ted Mueller offer the most complete descriptions of more than 200 magnificent state parks in the Evergreen State. More than just a listing of campgrounds and picnic sites, *Washington State Parks* offers detailed information about camping, hiking, bicycling, nature viewing, and more. Detailed park maps help you plan your outing and choose the best campsite.

## The Western States and Western Canada

Indianapolis : Bobbs-Merrill Company

### Resources in education

## The Golf Guide Britain and Ireland

Hunter Publishing, Inc Over 2,500 courses covered in detail. Hotels recommended by golfers, for golfers.

### PNLA Quarterly

## Adventure Guide to the Pacific Northwest

Hunter Publishing, Inc This region offers many opportunities for the adventurous traveller, and this book aims to list the best of them. It is part of a series focusing on outdoor activities such as hiking, biking, rock climbing, horseback riding, downhill skiing, parasailing, backpacking, waterskiing and scuba diving.

## Editor & Publisher International Year Book

The encyclopedia of the newspaper industry.

## Easy Walks in Massachusetts 2nd Edition

Bellingham, Blackstone, Douglas, Franklin, Grafton, Hopedale, Medway, Mendon, Milford, Millis, Millville, Northbridge, Upton, Uxbridge, Woon

Marjorieturner.com Easy Walking trails in south central MA, 16 towns, 50+ trails. Information includes maps to trailheads, directions, parking info, whether dogs are welcome at each location, features of interest to enjoy along each trail and more.

## Pacific Northwest Adventure Guide

Hunter Publishing, Inc A fantastic guide to the best outdoor fun in the Pacific Northwest, covering Oregon, Washington, Victoria and Vancouver in British Columbia and far northern California. This ever-popular region offers unlimited opportunities for the active traveler, and this book shows you where, when and how to find them. Kayaking, hiking, cycling, trekking, horseback riding, boating and more to fill your days with adventure. Sightseeing, museums, galleries, theaters and picnicking will take care of your "down time." Maps, photos. "Most people are aware that the Space Needle is in Seattle and that the Columbia River Gorge is a must-see on any trip to the Northwest. But where should you turn for information about watching the killer whales (orcas) among Washington's gorgeous San Juan Islands? Fishing along the rugged Oregon coast? Hiking in country said to be frequented by Bigfoot himself? Parasailing over Puget Sound? Engaging some llamas to carry your gear on a camping trip to the high country? And much, much more. "Adventure Guide to the Pacific Northwest" will take you where you want to go." -- Reader. "Adventure Guide to the Pacific Northwest by Don & Marjorie Young is a Hunter Travel Guide which I can also highly recommend. We love traveling in the Pacific Northwest but there is so very much to see I couldn't imagine how they could get it all into one book, but they have done a very good job of it! The organization of the book makes it easy to find just what you want in each area from restaurants and places to stay in all price ranges, tours, camping, information sources, maps, etc. I especially like the sections called Adventures which have separate categories for on foot, horseback, wheels, water, and snow. This is a guide worth having and nominally priced." -- Bonnie Neely

## Sunday Express Guide to Golf Courses

## Complete Guide to Wellness

Human Resource Development

## Urban Hikes Washington

### A Guide to the State's Greatest Urban Hiking Adventures

Rowman & Littlefield Washington, the Evergreen state, is known for its lush landscapes of forests and mountains. But you don't have to go all the way into the backcountry to experience what the state has to offer. In *Urban Hikes Washington* you'll hit the trail to discover the landmarks and hotspots that shape the state's cities and towns. From arboretum trails to picturesque waterfront walks, this guide explores 40-50 urban hiking trails throughout the state. Drawing on their extensive travel knowledge of the state, authors Brandon Fralic and Rachel Wood curate a guide to not only family-friendly footpaths, but to the state's culinary and gastronomic delights. Take in the sites of Expo '74 while walking Spokane's Riverfront Park, marvel at the landscape architecture of Washington Park Arboretum in Seattle, or brewery-hop after a stroll to Downtown Bellingham from Boulevard Park. Each hike includes trail GPS coordinates and waypoints, detailed hike descriptions, maps, and easy-to-find trailhead directions, along with excellent color photos and travel tips. Hit the trail (or the pavement) and explore Washington!

## The Rough Guide to England

**Rough Guides** This is a comprehensive and up-to-the-minute handbook to England. It includes recommendations of the best places to stay, eat and drink, in all budget ranges and in all regions. It also includes accounts of every type of attraction.

## The Best in Tent Camping: Washington

### A Guide for Car Campers Who Hate RVs, Concrete Slabs, and Loud Portable Stereos

**Menasha Ridge Press** From the Olympic Peninsula to Puget Sound, the Emerald State offers a wealth of camping opportunities. This expert guide profiles 50 of the state's best campsites, using a handy star system to rank everything from beauty, privacy, and spaciousness to quiet, security, and cleanliness. Each site is accessible by automobile but not overrun by RVs, offers great scenery, and is as close to a wilderness experience as possible. Useful at-a-glance data covers reservations, fees, and restrictions. Clear maps show campground layout, individual sites, and key facilities. Driving directions supplemented with GPS-based coordinates for each site entrance make getting there a snap.

## Beginner's Guide to Art Quilts

**Leisure Arts** Art quilts are all about experimenting — using new and exciting techniques, fun and unusual supplies, and coloring variations. This book from **Banar Designs** will show you how to create your very own, whether you're an experienced quilter, a paper artist, or a beginning crafter. Just follow the step-by-step photos and instructions to learn easy sewing and quilting techniques, fast and fun fabric dyeing and painting, photo transferring, embellishing, hand and machine embroidery, free-motion stitching, rubber stamping, velvet stamping, and more. There also are some Artist Trading Card and postcard quilts shown. Browse the gallery of example art quilts demonstrating various techniques, then get out your fabric scraps, buttons, ribbons, and whatever you have on hand. You'll see how much fun it can be to express yourself with fabric.

## American Directory of Writer's Guidelines

### More Than 1,700 Magazine Editors and Book Publishers Explain What They Are Looking for from Freelancers

**Quill Driver Books** Perhaps the best-kept secret in the publishing industry is that many publishers—both periodical publishers and book publishers—make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. The **American Directory of Writer's Guidelines** is a compilation of the actual writer's guidelines for more than 1,700 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

## Leisure Studies

## Prospects for the Twenty-first Century

**Venture Pub** In this edited volume, Jackson and Burton have attempted no less than an assessment of what is known about recreation and leisure at the beginning of the twenty-first century. In doing this, they have drawn on the talents of top scholars in various areas of study, and done so from a carefully conceived vision of what was needed. Jackson and Burton have also done the reader the great favor of being both aggressive and meticulous editors, a rarity among such edited volumes. This book is the only comprehensive statement of what is known about recreation and leisure as the twenty-first century begins, with its heightened potential to create a world in which such knowledge is critical to well-being. **Leisure Studies: Prospects for the Twenty-First Century** provides both a retrospective examination of what has been achieved in leisure studies in the twentieth century (the last few decades in particular) and a look into the future. This book offers new perspectives on preexisting and emerging themes, and is a significant contribution to the literature.
