What are you waiting for? **Testimonial****I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.******

U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Homeschooling for College Credit

A Parent's Guide to Resourceful High School Planning

Createspace Independent Publishing Platform "The U.S. Department of Education reports that about half of the students who start college will never finish and 75% will graduate with student loan debt. Homeschooling for College Credit teens graduate high school with about 1 year of college under their belts, but motivated teens can finish their degree. Homeschooling for College Credit brings the goal post closer and teaches you how to pay cash as you go. Homeschooling for College Credit will challenge you to reconsider the wisdom of popular college propaganda, and how to make better choices for your family. Even if you've never been to college, this book will turn you into a well-informed homeschool guidance counselor ready to proceed with confidence."--Amazon.com.
