The Beatitudes and the Lords Prayer Lulu Press, Inc Opinion has been much divided concerning the design, scope, and application of the Sermon on the Mount. Most commentators have seen in it an exposition of Christian ethics. Men such as the late Count Tolstoi have regarded it as the setting forth of a "golden rule" for all men to live by. Others have dwelt upon its dispensational bearings, insisting that it belongs not to the saints of the present dispensation but to believers within a future millennium. Two inspired statements, however, reveal its true scope. In Matthew 5:1, 2, we learn that Christ was here teaching His disciples. From Matthew 7:28, 29, it is clear that He was also addressing a great multitude of the people. Thus it is evident that this address of our Lord contains instruction both for believers and unbelievers alike. **The Gifts We Are Given BalboaPress** Are you afraid of your personal power? With humor, passion, and clarity, pastor and bestselling author Robert Morris presents the secrets of living a blessed life both financially and spiritually. He shows that when God changes your heart from selfishness to generosity, every part of your life-journey is affected. "There is no greater adventure on Earth than simply living the life of generosity and abundance that is available to all of God's people--but so few ever dare to live," says Pastor Robert. "It is a journey of reward. It is the blessed life." First published in 2002, this newly revised and expanded edition includes new content from recent sermons, updated illustrations from years of the life-changing impact of its message, and testimonies from people experiencing the blessed life. **I Am Smart, I Am Blessed, I Can Do Anything! HE IS SMART, HE IS BLESSED, AND HE CAN DO ANYTHING! **The Joy of the Gospel Evangelii Gaudium Image** The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Evidence for Jesus ReadHowYouWant.com The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief. **Belgic Confession Fig Blessed Miguel Pro 20th Century Mexican Martyr TAN Books** This is the inspiring story of the famous Father Miguel Pro who was executed in Mexico in 1927 for the crime of being a Catholic priest. Born to a wealthy family in Turin at the dawn of the 20th century, Pier Giorgio Frassati was good-looking, popular and athletic. He spent much of his youth climbing the rugged Italian Alps, disappearing into the clouds for days at a time. He was quick with a joke or a prank and enjoyed a good time. It seemed he was blessed with everything a young man could ask for. But he hungered for more. Despite coming from a family of such prestige, Pier Giorgio spent most days in the slums of Turin, visiting the poor and serving the sick. His love for Christ burned within him and brushed off on everyone he came into contact with – from lepers and orphans to college friends and political diplomats. He shared his Faith with kindness and charity, and defended it passionately against the evils of Fascism, even coming to blows with Mussolini's thugs on numerous occasions. Pier Giorgio touched the lives of thousands, yet his high-society parents remained unmoved by the life he led as they frowned upon his religious practices and charitable work. Reaching them would be his last challenge, his final mountain to climb. To the Heights is an unforgettable novel about Blessed Pier Giorgio Frassati.
