BLUE-BLOODED VAMP

SABINA KANE: BOOK 5

Hachette UK Sabina Kane is on the hunt. Her prey is Cain, father of the vampire race and the madman whose obsession with the goddess Lilith fuels his murderous plots. Armed with the name of a sect of dark historians who know the location of Cain's lair, Sabina sets out for Italy. But she finds much more than she bargained for when the leader of the sect turns out to be someone who shouldn't be alive, much less leading a band of militant academics. But she doesn't have time for shock or arguing with her obstinate ally, because it's going to take every weapon - both mundane and magical - to win the fight of her life.

RED-HEADED STEPCHILD

Orbit A USA Today Bestseller! In a world where being of mixed-blood is a major liability, Sabina Kane has the only profession fit for an outcast: assassin. But, her latest mission threatens the fragile peace between the vampire and mage races and Sabina must scramble to figure out which side she's on. She's never brought her work home with her---until now. This time, it's personal.

SILVER-TONGUED DEVIL

Orbit Now that the threat of war has passed, Sabina Kane is ready to focus on the future. Her relationship with Adam Lazarus is getting stronger and she's helping her sister, Maisie, overcome the trauma of her captivity in New Orleans. Even Giguhl is managing to stay out of trouble thanks to the arrival of Pussy Willow and his new roller derby team. But as much as Sabina wants to feel hopeful about the future, part of her doesn't believe that peace is possible. Her suspicions are confirmed when a string of sadistic murders threatens to stall treaty negotiations between the mages and the vampires. Sabina pitches in to find the killer, but her investigation soon leads her down dark paths that have her questioning everyone she thought she could trust. And the closer she gets to the killer, the more Sabina begins to suspect this is one foe she may not be able to kill.

VIOLET TENDENCIES

Orbit Former assassin Sabina Kane heads to Los Angeles to find her kidnapped sister. Helping her on the mission are her hot mage partner, her Mischief demon minion, and a Vanity demon named Valva. The problem? She's got to figure out how to find her sister without letting her enemies know she's back in town. But when Sabina seeks out an old ally -- a vampire strip club owner named Fang -- for help, Sabina learns the hard way that Vanity demons don't know the meaning of the phrase "low profile." DIRTY MAGIC

Orbit MAGIC IS A DRUG. CAREFUL HOW YOU USE IT. The Magical Enforcement Agency keeps dirty magic off the streets, but there's a new blend out there that's as deadly as it is elusive. When patrol cop Kate Prospero shoots the lead snitch in this crucial case, she's brought in to explain herself. But the more she learns about the investigation, the more she realizes she must secure a spot on the MEA task force. Especially when she discovers that their lead suspect is the man she walked away from ten years earlier - on the same day

she swore she'd given up dirty magic for good. Kate Prospero's about to learn the hard way that crossing a wizard will always get you burned, and that when it comes to magic, you should never say never.

GREEN-EYED DEMON

Orbit Things to do: 1. Rescue sister. 2. Murder grandmother. 3. Don't upset the voodoo priestess. The clock is ticking for Sabina Kane. Her sister has been kidnapped by her grandmother, the Dark Races are on the brink of war, and a mysterious order is manipulating everyone behind the scenes. Working on information provided by an unlikely ally, Sabina and her trusty sidekicks--a sexy mage named Adam Lazarus and Giguhi, a Mischief demon--head to New Orleans to begin the hunt for her sister. Once there, they must contend with belligerent werewolves, magic-wielding vampires and--perhaps most frightening of all--humans. But as much as Sabina is focused on surviving the present, the past won't be ignored. Before she can save those she cares about most, she must save herself from the ghosts of her past.

The long-dormant maternal instincts of her resident Dark Master kick in when a nice older couple hire her to find their missing son and his family. "B" IS FOR BURGLAR

A KINSEY MILLHONE MYSTERY

Holt Paperbacks B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of

valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. HOW TO BE A GOOD WIFE

A NOVEL

St. Martin's Press How To Be a Good Wife by Emma Chapman is a haunting literary debut about a woman who begins having visions that make her question everything she knows. Marta and Hector have been married for a long time. Through the good and bad; through raising a son and sending him off to life after university. So long, in fact, that Marta finds it difficult to remember her life before Hector. He has always taken care of her, and she has always done everything she can to be a good wife—as advised by a dog-eared manual given to her by Hector's aloof mother on their wedding day. But now, something is changing. Small things seem off. A flash of movement in the corner of her eye, elapsed moments that she can't recall. Visions of a blonde girl in the darkness that only Marta can see. Perhaps she is starting to remember—or perhaps her mind is playing tricks on her. As Marta's visions persist and her reality grows more disjointed, it's unclear if the danger lies in the world around her, or in Marta herself. The girl is growing more real every day, and she wants something.

But there's a murderer to deal with—not to mention missing automatons, a sorcerer, and a talking mouse. In a Victorian era ruled by a council of ruthless steam barons, mechanical power is the real monarch and sorcery the demon enemy of the Empire. Nevertheless, the most coveted weapon is magic that can run machines—something Evelina has secretly mastered. But rather than making her fortune, her special talents could mean death or an eternity as a guest of Her Majesty's secret laboratories. What's a polite young lady to do but mind her manners and pray she's never found out? But then there's that murder. As Sherlock Holmes's niece, Evelina should be able to find the answers, but she has a lot to learn. And the first decision she has to make is whether to trust the handsome, clever rake who makes her breath come faster, or the dashing trick rider who would dare anything for her if she would only just ask.
