Levet

Kensington Publishing Corp. A troubled gargoyle plays matchmaker in this paranormal romance short story by the author of *Fear the Darkness*. Of miniscule stature, rather beastly looks, and with fragile, delicate wings, even his family has shunned him, banished him from his beloved Paris. That he is the only gargoyle ever to help defeat the Dark Lord and his hordes of minions makes no impression. But now Levet has come home, determined to be restored to the official Gargoyle Guild. To do so, he must confront the most feared gargoyle in all of Europe. The one who tried to kill him as a child: his own mother . . . With few allies, Levet's survival may depend on the aid of two strangers: Valla, a beautiful but damaged nymph, and Elijah, the fiercely possessive, love-struck vampire clan chief to whom she can't quite surrender—unless Levet has something to do with it . . . The Allegory of the Cave

Strelbytskyy Multimedia Publishing The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work Republic (514a-520a) to compare "the effect of education (παιδεία) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b-509c) and the analogy of the divided line (509d-511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d-534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

Dance With the Devil

A Dark-Hunter Novel

St. Martin's Paperbacks Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

Amusing Ourselves to Death

Public Discourse in the Age of Show Business

Penguin What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, *The Washington Post Book World*

Another winner!" —*Romantic Times* on *Devoured by Darkness* "The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal." —*Publishers Weekly* on *My Lord Vampire Dear Reader* From the moment I introduced the mysterious dragon, Baine, in *Darkness Avenged* I knew that I wanted to know more about him. He was cunning, elusive, with a hint of dark secrets in his past. Even better, he was lethally sexy. The perfect hero. My *GUARDIANS OF ETERNITY*, however, already had a large cast of vampires and Werens and fey creatures. There wasn't much room for Baine and his equally fascinating friends. Which was why I came up with a new spin-off, *THE DRAGONS OF ETERNITY*. For those who haven't read my previous series, this is a perfect place to start. And for those who have enjoyed the *Guardians*, I can promise there will be a few scenes with your favorite gargoyle, Levet! I hope you enjoy Baine's story!
