The Boy in the Striped Pajamas

David Fickling Books Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

The Boy in the Striped Pyjamas

Random House Lines may divide us, but hope will unite us. Nine year old Bruno knows nothing of the Final Solution and the Holocaust. He's oblivious to the appalling cruelties being inflicted on the people of Europe by his country. All he knows is that he has moved from Berlin to a desolate area where he has no one to play with. Until he meets Shmuel. Shmuel lives in a strange parallel existence on the other side of the adjoining wire fence, where everyone wears a uniform of striped pyjamas. Despite the wire fence separating them, the two boys become best friends. As they grow closer, Bruno starts to learn the terrible truth that lies beyond the fence, and what life is like for his friend. John Boyne's classic novel explores the friendship and loss of innocence of Bruno and Shmuel, during one of the worst points in history.

The Boy in the Striped Pyjamas

Random House "Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers."

The Heart's Invisible Furies

A Novel

Hogarth Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

A Ladder to the Sky

A Novel

Hogarth "A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, A Ladder to the Sky is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for A Ladder to the Sky "Boyne's mastery of perspective, last seen in The Heart's Invisible Furies, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase.

Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it.”—NPR “Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?”—Vanity Fair

The Yellow Sign

Library of Alexandria That evening I took my usual walk in Washington Park, pondering over the occurrences of the day. I was thoroughly committed. There was no back out now, and I stared the future straight in the face. I was not good, not even scrupulous, but I had no idea of deceiving either myself or Tessie. The one passion of my life lay buried in the sunlit forests of Brittany. Was it buried forever? Hope cried "No!" For three years I had been listening to the voice of Hope, and for three years I had waited for a footstep on my threshold. Had Sylvia forgotten? "No!" cried Hope. I said that I was not good. That is true, but still I was not exactly a comic opera villain. I had led an easy-going reckless life, taking what invited me of pleasure, deploring and sometimes bitterly regretting consequences. In one thing alone, except my painting, was I serious, and that was something which lay hidden if not lost in the Breton forests. It was too late now for me to regret what had occurred during the day. Whatever it had been, pity, a sudden tenderness for sorrow, or the more brutal instinct of gratified vanity, it was all the same now, and unless I wished to bruise an innocent heart my path lay marked before me. The fire and strength, the depth of passion of a love which I had never even suspected, with all my imagined experience in the world, left me no alternative but to respond or send her away. Whether because I am so cowardly about giving pain to others, or whether it was that I have little of the gloomy Puritan in me, I do not know, but I shrank from disclaiming responsibility for that thoughtless kiss, and in fact had no time to do so before the gates of her heart opened and the flood poured forth. Others who habitually do their duty and find a sullen satisfaction in making themselves and everybody else unhappy, might have withstood it. I did not. I dared not. After the storm had abated I did tell her that she might better have loved Ed Burke and worn a plain gold ring, but she would not hear of it, and I thought perhaps that as long as she had decided to love somebody she could not marry, it had better be me. I, at least, could treat her with an intelligent affection, and whenever she became tired of her infatuation she could go none the worse for it. For I was decided on that point although I knew how hard it would be. I remembered the usual termination of Platonic liaisons and thought how disgusted I had been whenever I heard of one. I knew I was undertaking a great deal for so unscrupulous a man as I was, and I dreaded the future, but never for one moment did I doubt that she was safe with me. Had it been anybody but Tessie I should not have bothered my head about scruples. For it did not occur to me to sacrifice Tessie as I would have sacrificed a woman of the world. I looked the future squarely in the face and saw the several probable endings to the affair. She would either tire of the whole thing, or become so unhappy that I should have either to marry her or go away. If I married her we would be unhappy. I with a wife unsuited to me, and she with a husband unsuitable for any woman. For my past life could scarcely entitle me to marry. If I went away she might either fall ill, recover, and marry some Eddie Burke, or she might recklessly or deliberately go and do something foolish. On the other hand if she tired of me, then her whole life would be before her with beautiful vistas of Eddie Burkes and marriage rings and twins and Harlem flats and Heaven knows what. As I strolled along through the trees by the Washington Arch, I decided that she should find a substantial friend in me anyway and the future could take care of itself. Then I went into the house and put on my evening dress for the little faintly perfumed note on my dresser said, "Have a cab at the stage door at eleven," and the note was signed "Edith Carmichael, Metropolitan Theater, June 19th, 189—."

The Girl in the Striped Dress

A Completely Heartbreaking and Gripping World War 2 Page-turner, Based on a True Story

Bookouture Auschwitz, 1942: This unforgettable novel, based on a true story, brings to life history's most powerful tale of forbidden love. Set within the barbed wire of Auschwitz, a man and a woman fall in love against unimaginable odds. What happens next will restore your faith in humanity, and make you believe in hope even where hope should not exist "I won't let anything happen to you," he whispered, pressing a note into her hand. Her entire body trembled when she read it: I am in love with you. Helena steps off the cattle train onto the frozen grounds of Auschwitz. She has twenty-four hours to live. Scheduled to be killed tomorrow, she is not even tattooed with a prison number. As the snow falls around her, she shivers, knowing that she has been sentenced to death for a crime she didn't commit. When a gray-clad officer marches towards Helena and pulls her away, she fears the worst. Instead, he tells her that it's one of the guard's birthdays and orders her to serenade him. Inside the SS barracks the air is warm, thick with cigarette smoke and boisterous conversation. After she sings to the guard, Franz, he presses a piece of cake into her hands--the first thing she has eaten in days. On the spot, he orders her life to be saved, forever changing the course of her fate. What follows is a love story that was forbidden, that should have been impossible, and yet saved both of their lives--and hundreds of others--in more ways than one. Fans of The Tattooist of Auschwitz, The Choice, and The Orphan Train will be utterly entranced by this unputdownable page-turner. This completely heartbreaking yet beautifully hopeful novel shows that love can survive anything and grow anywhere. This book was previously published as Auschwitz Syndrome.
