DYNAMIC BUSINESS LAW: THE ESSENTIALS

[McGraw-Hill Education](#) **Dynamic Business Law: The Essentials** is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. **Emphasis on the BUSINESS** in business law. **Dynamic Business Law: The Essentials** emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. **Emphasis on TEACHING.** Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. **Dynamic Business Law: The Essentials** contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. **Emphasis on CRITICAL THINKING.** Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in **Dynamic Business Law: The Essentials** as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

SEVEN ESSENTIALS FOR BUSINESS SUCCESS

LESSONS FROM LEGENDARY PROFESSORS

Successful leaders are great teachers and successful teachers serve as models of leadership. This book enables leaders and teachers to understand and use the best practices developed by award-winning professors, each of whom teaches one of the seven areas that are essential for business success. These professors candidly discuss their successes and failures in the classroom, the mentors who inspired them, how they developed their teaching methods, their rigorous preparation for class, and the role of research in their teaching. Through descriptions of the professors in action, readers will gain an insider's perspective on their teaching skills, and witness how they teach the seven essentials for success in a variety of settings--MBA, Executive MBA, and executive education courses. The chapters also describe the daily lives (professional and personal) of the professors, and the impact they have beyond the classroom in improving organizations and society. If you are a leader or teacher--or if you are interested in the content of a business school education--this book provides an insider's perspective on the best practices used by legendary professors when teaching the seven essentials that represent the core body of knowledge for business success.

THE LEGAL AND REGULATORY ENVIRONMENT OF BUSINESS

McGraw-Hill Companies **Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business.**

DYNAMIC BUSINESS LAW

McGraw-Hill/Irwin **3 things to know about the focus of Dynamic Business Law, 2e: Emphasis on ETHICAL DECISION-MAKING.** In chapter 2, the authors introduce a framework for making ethical business decisions that students can use on a regular basis. Following each case there are questions designed to train students to apply this approach. Then repeatedly throughout the chapters, questions about business ethics are raised in the text. This framework is designed to help improve the learning process of students and to give a sense of relevancy to the ethical decision making process. **Emphasis on CRITICAL THINKING.** Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component. **Emphasis on the BUSINESS in business law.** Dynamic Business Law emphasises the tie of legal issues back to the core business curriculum. This will help both students and faculty. Students need to understand how the concepts they learn in this course tie into their business careers. Instructors can easily show that the study of business law is best seen as a foundational component of the larger study of business administration. Dynamic Business Law now includes Connect Business Law as a packaging option. Connect includes Interactive Applications for each chapter of the textbook and helps students apply legal concepts to business, stimulates critical thinking, and reinforces key topics. **Overview: Dynamic Business Law, 2e is appropriate for the two-term business law course. Emphasis on the BUSINESS in business law.** Dynamic Business Law emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly “defending” the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. **Emphasis on TEACHING.** Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. **Emphasis on CRITICAL THINKING.** Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component. **Instructor's Supplements:** The Online Learning Center contains the complete IM, Test Bank, PowerPoint, image library, and video clips. **Instructor's Manual:** The Instructor's Manual provides a clear outline of how to begin using this text and is especially helpful to adjuncts who teach Business Law. Sample syllabi are included, as well as detailed lecture outlines incorporating PowerPoints and other materials professors can bring into their lectures. Exciting and new examples from outside the text are also included, and can be discussed in class to help generate excitement and involvement in the course from students. **Test Bank:** The Test Bank, developed by Vonda Laughlin of Carson-Newman College, contains a variety of true/false, multiple choice, and essay questions - as well as “scenario-based” questions, which are application-based, and use a situation described in a narrative, with 3 - 5 multiple-choice test questions based on the situation described in the narrative. We've aligned our Test Bank with the new AACSB guidelines, tagging each question according to its knowledge and skills areas. Categories include Global, Ethics and Social Responsibility, legal and other External Environment, communication, Diversity, Group Dynamics, Individual Dynamics, Production and IT. Designations aligning questions with Learning Objectives, features, and case, exist as well. **PowerPoint Presentation slides:** Developed by Jeff Penley at Catawba Valley Community College, we offer two different sets of slides for professors. The “Basic” set consists of an outline of each chapter. The “Premium” set expands on this outline to include hypotheticals and ethical dilemmas, allowing the instructor to incorporate application into the lecture. **Instructor Video DVD (ISBN: 0077339118, 13-digit: 9780077339111):** The Instructor Video DVD contains video clips from CBS that highlight current legal issues. **Instructor Notes,** located on the OLC, give insight into how to incorporate segments into the classroom and offer questions to stimulate discussion. Most of these videos are also part of Premium content - a big plus for instructors teaching online/hybrid courses.

BETRAYAL

THE WEST'S SECRET WAR FOR OIL AND THE ARMENIAN GENOCIDE: THE PROMISE NEVER KEPT

At the turn of the 20th century, when the Ottoman and Russian empires were on the verge of collapse, world powers were competing to secure a share of natural resources from those failing states, most notably untapped crude oil. **BETRAYAL: The Promise Never Kept** is the first publication of its kind that chronicles the West's secret war for oil, as it relates to World War One and the Armenian Genocide. Using never before published materials from the archival collection of Shahan Natalie, an 11-year-old genocide survivor and orphan, destined to become a journalist, poet, human rights activist and revolutionary, **BETRAYAL** connects the dots to reveal who was truly behind the crimes against humanity, which took the lives of 2.5 million Christian Armenians living in their ancestral home, carried out by the Turks and Germans over a 30-year span of time (1894-1923). **BETRAYAL** also shares the censored memoirs of Soghomon Tehlirian, the assassin of the Turkish world leader, Talaat Pasha, the man who gave the orders to eradicate the Armenian people from the face of the Earth. Included in **BETRAYAL** are also memoirs, writings, articles and other publications that document the infighting of the Armenian revolutionary organizations, leading up to and following the Armenian Genocide. **BETRAYAL** closes with the on-going struggle for remembrance of the genocidal atrocities committed against the Armenian people. It presents documents from nations who have officially recognized the Armenian Genocide, including Turkey, Russia, England, France, and most notably, the United States of America.
