McQueen's Machines

The Cars and Bikes of a Hollywood Icon

Motorbooks No other Hollywood star has been so closely linked with cars and bikes, from the 1968 Ford Mustang GT Fastback he drove in *Bullitt* (in the greatest car chase of all time) to the Triumph motorcycle of *The Great Escape*. *McQueen's Machines* gives readers a close-up look at the cars and motorcycles McQueen drove in movies, those he owned, and others he raced. With a foreword by Steve's son, Chad McQueen, and a wealth of details about of the star's racing career, stunt work, and car and motorcycle collecting, *McQueen's Machines* draws a fascinating picture of one outsized man's driving passion. Now in paperback.

Twelve Years a Slave

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

MV Agusta

From 1945 to the present

Giorgio Nada Editore Srl A completely new edition in graphics and updated in content of the MV Agusta story by Mario Colombo and Roberto Patrignani to mark MV's 70th anniversary in 2015, all told in two different sections: in the first part are the human, technical, industrial and sports stories. In the second is the systematic cataloguing of all the MV Agusta road and racing models, including all the versions of the latest F4 and F3. Hundreds of pictures in black and white and color enrich the book, in the creation of which Otto Grizzo has contributed to the most recent part.

Ducati

Design in the Sign of Emotion

Mick Walker's European Racing Motorcycles

Redline Books While the history of European ompetition motorcycles has been largely dominated by Italian, British, and German marques, other builders around the continent have also played significant roles from the turn of the century to present. Arranged by nation, this book examines more than two dozen important marques, including Bultaco, CZ, Elf, Husqvarna, KTM, Ossa, Peugeot, and many others. A wealth of rare photography, including a special color section, includes candid shots of the top personalities and the bikes both at rest and at speed.

The Book of the Classic MV Agusta Fours

Veloce Publishing Ltd MV Agusta's classic four-cylinder dominated Grand Prix racing for a decade from 1956. This magnificent engine was always at the heart of the MV Agusta, and it was this engine that created the legend.

McQueen's Motorcycles

Racing and Riding with the King of Cool

Motorbooks The long-departed Steve McQueen is still the coolest man on two wheels. Get an intimate look at his coolest bikes right here, right now, in McQueen's Motorcycles. Even thirty years after his death, Steve McQueen remains a cultural icon. His image continues to appear in advertising and pop culture and his fan base spans from car lovers to racing enthusiasts to motorcycle obsessives. In his movies, McQueen's character always had an envy-inducing motorcycle or car, but in his personal life, motorcycles were always McQueen's first true love. McQueen's Motorcycles focuses on the bikes that the King of Cool raced and collected. From the first Harley McQueen bought when he was an acting student in New York to the Triumph "desert sleds" and Huskys he desert raced all over California, Mexico, and Nevada, McQueen was never without a stable of two wheelers. His need for speed propelled him from Hollywood into a number of top off-road motorcycle races, including the Baja 1000, Mint 400, Elsinore Grand Prix, and even as a member of the 1964 ISDT team in Europe. Determined to be ahead of the pack, McQueen maintained his body like it was a machine itself. He trained vigorously, weight lifting, running, and studying martial arts. Later in his life, as he backed away from Hollywood, his interests turned to antique bikes and he accumulated an extensive collection, including Harley-Davidson, Indian, Triumph, Brough Superior, Cyclone, BSA, and Ace motorcycles. Today, McQueen still has the Midas touch; anything that was in the man's possession is a hot commodity. McQueen's classic motorcycles sell for top dollar at auctions, always at a multiple of what the same bike is worth without the McQueen pedigree. McQueen's Motorcycles reveals these highly sought-after machines in gorgeous photography and full historical context.

Blade-Mounted Trailing Edge Flap Control for Bvi Noise Reduction

Createspace Independent Publishing Platform Numerical procedures based on the 2-D and 3-D full potential equations and the 2-D Navier-Stokes equations were developed to study the effects of leading and trailing edge flap motions on the aerodynamics of parallel airfoil-vortex interactions and on the aerodynamics and acoustics of the more general self-generated rotor blade vortex interactions (BVI). For subcritical interactions, the 2-D results indicate that the trailing edge flap can be used to alleviate the impulsive loads experienced by the airfoil. For supercritical interactions, the results show the necessity of using a leading edge flap, rather than a trailing edge flap, to alleviate the interaction. Results for various time dependent flap motions and their effect on the predicted temporal sectional loads, differential pressures, and the free vortex trajectories are presented. For the OLS model rotor, contours of a BVI noise metric were used to quantify the effects of the trailing edge flap on the size and directivity of the high/low intensity noise region(s). Average reductions in the BVI noise levels on the order of 5 dB with moderate power penalties on the order of 18 pct. for a four bladed rotor and 58 pct. for a two bladed rotor were obtained. AmGov

Long Story Short

CQ Press All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

Empty

Simon and Schuster A girl tumbles into a downward spiral when a romantic encounter turns violent in this heartwrenching novel from the author of Cracked. Dell is used to disappointment. Ever since her dad left, it's been one let down after another. But no one—not even her best friend—understands all the pain she's going through. So Dell hides behind self-deprecating jokes and forced smiles. Then the one person she trusts betrays her. Dell is beyond devastated. Without anyone to turn to for comfort, her depression and self-loathing spin out of control. But just how far will she go to make all the heartbreak and the name-calling stop?

Two Wheels South

An Adventure Guide for Motorcycle Explorers

Die Gestalten Verlag-DGV Go on the trip of a lifetime. Two Wheels South shows you how to realize your own journey. Two friends take the motorcycle trip of their life--From Brooklyn to Patagonia. Matias Corea shares his insights on how to prepare, choose the right motorcycle, what to pack, how to plan the route, where to camp and last but not least: How to prepare your mind. Setbacks and breaking down are part of the adventure, but preparation and being on the road teach you the confidence to tackle any problem. Follow Matias Corea and his friend Joel through the American South, Central America over the Darien Gap and beyond, over wooden cracking jungle bridges in Colombia and to dry lake high plateaus in Argentina. Feel the character of the roads and the smell of nature: Riding a motorcycle is one of the purest forms of traveling. After 7 months and 13 countries Matias and Joel have learned a lot while riding down south on their trusty BMW air-cooled G / S overland haulers and are ready to share their experience. Two Wheels South invites you on the experience of a lifetime.

The Furthest Points

Motorcycle Travels Through Spain and Portugal

No. 1 New Release in Spain & Portugal Travel, General Portugal Travel Guides, and Motorcycles. When Andy and his wife, Kim, set out on their Harley to discover the Furthest Points of Spain and Portugal, they picture beautiful weather, glorious scenery and delicious food. From a near-death experience and roadside sex stalls to bizarre Gaudí architecture and quirky, rural accommodation, will the trip deliver more than they anticipate, or will the torrential rain and gale-force winds send them scurrying home before completing their journey? Perfect for fans of Bill Bryson, Ted Simon's Jupiter's Travels and Ewan McGregor and Charley Boorman's The Long Way Round and The Long Way Down.

Scotch Missed

Neil Wilson Publishing This is a revised third edition of the hardback published in 1993 to celebrate the 500th anniversary of the first documentary records of the making of Scotch whisky in 1494. Brian Townsend has now detailed the remnants and ruins of almost every Victorian working distillery in Scotland. In this new edition he has fully updated the most recent closures and has sourced over 35 new archive photographs of many of Scotland's lost distilleries. The distilleries featured vary from the remnants of once great industrial concerns such as Saucel Distillery in Paisley to a mere tumble of bricks and mortar lying in a remote location like Glen Tarras at Langholm. Over the length and breadth of Scotland, its greatest export has left its mark and this book is a tribute not only to those who struggled against great odds and were finally beaten, but also to those who survived and have prospered. Townsend's detailed research brings to life a large portion of Scottish industrial heritage which would otherwise have been ignored and he has enlivened this with interviews of the last people to work those long gone stills. He has also tracked down the whisky which in some cases still exists and the book is fully illustrated with records past and present of this remarkable trade. Includes full OS map reference index to all distilleries listed and a full index.

The Ultimate Motorcycle Book

DK Publishing (Dorling Kindersley) A one-of-a-kind compendium of motorcycles for the veteran, mid-level rider, or rank beginner with major dreams. Over 100 classic, celebrity, and experimental bikes are showcased, from those of Lawrence of Arabia to the world's fastest production bike. Over 850 full-color photos.

Industrial Maintenance and Mechatronics

Goodheart-Wilcox Publisher "Industrial Maintenance and Mechatronics provides support for an Industrial Technology Maintenance (ITM) program. It covers the principal industrial technology disciplines, with a focus on electrical systems and electronic controls. It provides students with the necessary knowledge for entry-level positions in industrial maintenance and prepares them for NIMS Level 1 credentialing"--

Biology 12

The Ulysses Story

Steel Roses

When the chance to run arrives, Beldon doesn't think twice about escaping into the shadows of an enchanted castle locked in an eternal winter. He just wants to bury a secret. But the castle is a cold, cruel place and his host is less than welcoming. The sparks that fly between them are icy and aggressive; the tension building until one night it almost costs Beldon his life. Then things change. Beldon's attention turns to the shadowy Beast and the mystery that surrounds him. There is a curse to be broken after all and Beldon promised to help find a mysterious figure known as Beauty. However, Beldon did not expect his secret to resurface within this frozen castle and as such he is forced to confront himself and answer one question. As he and The Beast grow closer, does he want this Beauty found?~~~~ The original draft for the community who wanted a physical copy~
