## Camb Ket Prac Test Std Bk

KET (Key English Test) is the first and most basic level of the Cambridge ESOL General English exams, which corresponds to Level A2 of the Council of Europe's Common European Framework of Reference for Languages.

## Examining Writing

## Research and Practice in Assessing Second Language Writing

*Cambridge University Press* This publication highlights the need for test developers to provide clear explanations of the ability constructs which underpin tests offered in the public domain. An explanation is increasingly required, if the validity of test score interpretation and use are to be supported both logically, and with empirical evidence. The book demonstrates the application of a comprehensive test validation framework which adopts a socio-cognitive perspective. The framework embraces six core components which reflect the practical nature and quality of an actual testing event. It examines Cambridge ESOL writing tasks from the following perspectives: Test Taker, Cognitive Validity, Context Validity, Scoring Validity, Criterion-related Validity and Consequential Validity. The authors show how an understanding and analysis of the framework and its components in relation to specific writing tests can assist test developers to operationalise their tests more effectively, especially in relation to criterial distinctions across test levels.

## Cambridge Key English Test 1 Audio Cassette
