## Waiting for Lefty

**Dramatists Play Service Inc** THE STORY: The action of the play is comprised of a series of varied, imaginatively conceived episodes, which blend into a powerful and stirring mosaic. The opening scene is a hiring hall where a union leader (obviously in the pay of the bosses) is trying to convince a committee of workers (who are waiting for their leader, Lefty, to arrive) not to strike. This is followed by a moving confrontation between a discouraged taxi driver, who cannot earn enough to live on, and his angry wife, who wants him to show some backbone and stand up to his employer; a revealing scene between a scheming boss and the young worker who refuses to spy on his fellow employees; a sad/funny episode centering on a young cabbie and his would-be bride, who lack the wherewithal to get married; a disturbing scene involving a senior doctor and the underpaid young intern (a labor activist) whom the doctor has been ordered to discharge; and, finally, a return to the union hall where the workers, learning that Lefty has been gunned down by the powers-that-be, resolve at last to stand up for their rights and to strike-and to stay off their jobs until their grievances are finally heard and acted upon by those who have so cynically exploited and misused them.

## These Truths: A History of the United States

**W. W. Norton & Company** New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? These Truths tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," These Truths observes. "It can't be shirked. There's nothing for it but to get to know it."

## Hatchet

**Simon and Schuster** Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and

commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

### A Thousand Splendid Suns

**A&C Black** A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

### U.S. History

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

### The Cay

**Laurel Leaf** For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, The Cay. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews \* "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man."—Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine

### A Negro Explorer at the North Pole

**Graphic Arts Books** A Negro Explorer at the North Pole (1912) is a memoir by Matthew Henson. Published a few years following an expedition to the planet's northernmost point—which he claims to have reached first—A Negro Explorer at the North Pole reflects on Henson's outsized role in ensuring the success of their mission. Although he was frequently overshadowed by Commander Robert Peary, Henson continues to be recognized as a pioneering African American who rose from poverty to become a true national hero. Seven times had Robert Peary and Matthew Henson attempted to reach the fabled North Pole. Seven times they failed. In 1908, following years of frustration, they gather a crew of Inuit guides and set sail from Greenland, hopeful that the eighth voyage will end in

discovery. Throughout his life, Matthew Henson has grown accustomed to proving himself. Born the son of sharecroppers in the immediate aftermath of the Civil War, he has endured racism and economic disparity his entire life. Since 1891, Henson and Peary—who he met while working at a Washington D.C. department store—have been attempting to reach the most remote location on planet earth, an icebound region devoid of sustenance and shelter, accessible only by boat, sled, and foot. As they near the North Pole, Henson prepares to make history. With a beautifully designed cover and professionally typeset manuscript, this edition of *Matthew Henson's A Negro Explorer at the North Pole* is a classic of African American literature reimagined for modern readers.

## The American Yawp

### A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877

**Stanford University Press** "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

## The Mental Floss History of the United States

## The (Almost) Complete and (Entirely) Entertaining Story of America

**Harper Collins** Smarter than your old history teacher, funnier than the founding fathers, and more American than apple pie, The Mental Floss History of the United States is an almost (but not entirely) comprehensive primer on American history (or at least, the good stuff). From the editors of MentalFloss.com and mental\_floss magazine—with its tagline: “Feel smart again”—comes an American History text packed with hilarious (but true!) trivia written in the smart-aleck tradition of The Mental Floss History of the World, Mental Floss Presents In the Beginning, and the first mental\_floss book, Condensed Knowledge. Perfect for trivia buffs, history lovers, college students, and anyone who likes to laugh and learn. United States history has never been so fun.

## My Side of the Mountain

**Penguin** “Should appeal to all rugged individualists who dream of escape to the forest.”—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. “An extraordinary book . . . It will be read year after year.” —The Horn Book

## A Different Mirror for Young People

### A History of Multicultural America

**Seven Stories Press** A longtime professor of Ethnic Studies at the University of California at Berkeley, Ronald Takaki was recognized as one of the foremost scholars of American ethnic history and diversity. When the first edition of *A Different Mirror* was published in 1993, *Publishers Weekly* called it "a brilliant revisionist history of America that is likely to become a classic of multicultural studies" and named it one of the ten best books of the year. Now Rebecca Stefoff, who adapted Howard Zinn's best-selling *A People's History of the United States* for younger readers, turns the updated 2008 edition of Takaki's multicultural masterwork into *A Different Mirror for Young People*. Drawing on Takaki's vast array of primary sources, and staying true to his own words whenever possible, *A Different Mirror for Young People* brings ethnic history alive through the words of people, including teenagers, who recorded their experiences in letters, diaries, and poems. Like Zinn's *A People's History*, Takaki's *A Different Mirror* offers a rich and rewarding "people's view" perspective on the American story.

### The Sign Of The Beaver

**HarperCollins** A 1984 Newbery Honor Book Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

## Discovering Our Past: A History of the United States

### Student Edition (print only)

**McGraw-Hill Education**

### Touching Spirit Bear

**Harper Collins** In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

### The Federalist Papers

**Read Books Ltd** Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799–1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

### Born a Crime

## Stories from a South African Childhood

**One World** #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*,

and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

## Stargirl

**Ember** In this story about the perils of popularity, the courage of nonconformity, and the thrill of first love, an eccentric student named Stargirl changes Mica High School forever.

## Among the Hidden

**Simon and Schuster** In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the *Shadow Children* series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

## The Witch of Blackbird Pond

**Houghton Mifflin Harcourt** In 1687 in Connecticut, Kit Tyler, feeling out of place in the Puritan household of her aunt, befriends an old woman considered a witch by the community and suddenly finds herself standing trial for witchcraft.

## Their Eyes Were Watching God

**Prabhat Prakashan** *Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

## The Radical Republicans

**Knopf** This is the story of the men who, as political realists, fought for the cause of racial reform in America before, during, and after the Civil War. Charles Sumner, Thaddeus Stevens, Benjamin F. Wade, and Zachariah Chandler are the central figures in Mr. Trefousse's study of the Radical Republicans who steered a course between the extreme abolitionists on the one hand and the more cautious gradualists on the other, as they strove to break the slaveholder's domination of the federal government and then to wrest from the postbellum South an acknowledgment of the civil rights of the Negro. The author delineates their key role in founding the Republican party and follows their struggle to keep the party firm in its opposition to the expansion of slavery, to commit it to emancipation, and finally to make it the party of racial justice. This is the story as well of the tangled relationship of the Radical Republicans with Abraham Lincoln—a relationship of both quarrels and mutual support. The author stresses the similarity between Lincoln's ultimate aims and those of the Radical Republicans, demonstrating that without Lincoln's support Sumner and his colleagues could never have accomplished their ends—and that without their help Lincoln might not have succeeded in crushing the rebellion and putting an end to the slavery. And he argues that by 1865 Lincoln's Reconstruction policies were nearing those of the Radicals and that, had he lived, they would not have broken with him as they did with his successor. Lincoln's assassination left the Radicals with no means to translate their demands into effective action. Their efforts to remake the South in such a way as to secure justice for the Negro brought them into conflict with President Johnson, in whose impeachment they played a leading role. Although they succeeded in initiating congressional Reconstruction and adding the fourteenth and fifteenth amendments to the Constitution, the Radicals lost power after the failure of the Johnson impeachment. Mr. Trefousse shows how, despite their declining influence throughout the 1870s, their accomplishments helped make possible—a century later—the resumption of the struggle for civil rights.

## Bud, Not Buddy

**Delacorte Books for Young Readers** The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham*—1963, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but

Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. AN ALA BEST BOOK FOR YOUNG ADULTS AN ALA NOTABLE CHILDREN'S BOOK AN IRA CHILDREN'S BOOK AWARD WINNER NAMED TO 14 STATE AWARD LISTS "The book is a gem, of value to all ages, not just the young people to whom it is aimed." —The Christian Science Monitor "Will keep readers engrossed from first page to last." —Publishers Weekly, Starred "Curtis writes with a razor-sharp intelligence that grabs the reader by the heart and never lets go. . . This highly recommended title [is] at the top of the list of books to be read again and again." —Voice of Youth Advocates, Starred From the Hardcover edition.

## The Absolutely True Diary of a Part-Time Indian

**Little, Brown Books for Young Readers** Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

## Stats

## Modeling the World

**Pearson** This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Clear, accessible, and teachable, *Stats: Modeling the World* leads with practical data analysis and graphics to engage students and get them thinking statistically from the start. Through updated, relevant examples and data—and the authors' signature Think, Show, and Tell problem-solving method—students learn what we can find in data, why we find it interesting, and how to report it to others. The new Fourth Edition is even more engaging than previous editions, builds on the innovative features that have made the first three editions so popular, and includes revisions designed to make it even easier for students to put the concepts of statistics together in a coherent whole.

## Just Mercy

## A Story of Justice and Redemption

**One World** #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. "[Bryan Stevenson's] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country."—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book "Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields."—David Cole, *The New York Review of Books* "Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela."—Nicholas Kristof, *The New York Times* "You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. *Just Mercy* will make you upset and it will make you hopeful."—Ted Conover, *The New York Times Book Review* "Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—*The Washington Post* "As deeply moving, poignant and powerful a book

as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The Philadelphia Inquirer

# A Long Walk to Water

## Based on a True Story

**Houghton Mifflin Harcourt** When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.
