The Legacy Journey

A Radical View of Biblical Wealth and Generosity

Ramsey Press What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. Boundaries

When To Say Yes, How to Say No

Zondervan Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and

Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.
