CHECKMATE MOVES FOR BUSINESS STARTUPS

TACTICAL ADVANTAGES FROM GAMEBOARD TO LIFE

Bookbaby **Checkmate Moves for Business Startups** is a unique empowerment guide for women in business. You will learn that chess, life, and business are interconnected. You will learn how you can apply basic chess strategies successfully into your daily life patterns while gaining confidence in your abilities. You will also learn how to play chess, gain tactical advantages from gameboard to life, and develop analytical patterns to help solve problems with more focus and logical clarity. Best of all, you will be given smart tactics needed to finally start the business of your dream.

THE CHECKMATE FORMULA

HOW SERIAL ENTREPRENEURS & CEOS WIN CONSISTENTLY IN THE "CHESS GAME" OF BUSINESS

Outskirts Press This extraordinary book presents the powerful results of thirty years of observing and evaluating real-world success patterns of billionaires & visionaries. It unravels the intriguing mystery of how grandmasters in business achieve success, and presents a novel and compelling way to perceive the world of business. After reading it you may never view or approach business quite the same way again. **THE CHECKMATE FORMULA** answers two questions: what are the essential factors in business that dictate success or failure, and how do serial winners win consistently? Revealing a pragmatic roadmap used by the greatest business minds, it shows how to perceive reality differently through techniques like The Great Awareness, think differently through approaches like The Great Enabler, and act differently using the greatest force multiplier of all -- The Decryption Key. It simplifies & deconstructs business into understandable truths, and reassembles them into practical guidelines for creative thinking and result-generation. You'll learn how to address major issues like capital raises, strategy and the customer acceptance riddle, and what it really means to understand the big picture -- with a generous dose of examples and insights from the business elite (including colorful analogies to chess and art). It's an engaging read that will benefit entrepreneurs & executives wanting to "up" their game, and founders wanting to beat the odds.

THE FRANCHISE ANNUAL

E-FINANCE

THE FUTURE IS HERE

SAGE Publishing India **E-Finance: The Future is Here** exhorts the Indian banks to use their post crisis advantages like safe and sound business practices, technology competence and lower costs to attract business from overseas customers. 'The Future is Here,' avers V C Joshi and suggests that financial institutions could effectively use their branch network to market e-services. This concise yet comprehensive book talks about not only the planning aspect, but also the process of e-banking; it discusses the internet business model that these banks can adhere to and examines the working of e-banking, e-insurance and e-broking, and so on. The developments in alternate systems of trading in areas like treasuries and foreign exchange are also discussed in great detail. The author oversteps the Indian periphery and takes on a global approach. The security aspects discussed exhaustively and the author highlights the difficulties in enforcing claims through the judicial process. This book is enriched with recent examples and will be very useful for professionals in the banking, insurance and financial sectors, as also to management students and the general reader. Since it touches upon the implementation aspects of e-finance, it would also be of immense help to practising executives.

His resources are loved by the new media. --- The New York Times called it: 'Dial-an-Expert.' The Associated Press called it: 'An Encyclopedia of Sources,' and PRWEEK called it: 'a dating service of PR.' He also founded The News Council, to help non-profit groups use the power of his networking.

1001 DEADLY CHECKMATES

Gambit Publications **For all chess-players, from beginners to world champions, from kids to seniors, delivering checkmate is the greatest thrill the game has to offer. The ability to spot checkmates is a vital skill - and this easy-to-use book shows you how it is done. With the help of Grandmaster John Nunn, you will be ready to shock your next opponent with a deadly checkmate, whether in a school match, a club tournament - or even a championship game! By focusing exclusively on positions from real games, ranging from junior events to grandmaster encounters, Nunn ensures that the mates featured are those which arise most often in real life. He also highlights themes and ideas that are often missed in practice. While solving these puzzles, your all-important 'mental library' of patterns will grow, leading to an immediate increase in your playing strength. All 1001 puzzle positions have been carefully checked, and are graded by theme and difficulty. Points are awarded for finding the checkmate, so you can measure your skill. Most of the puzzles are suitable for novice and junior players. The last chapter challenges you with 'extreme checkmates', but don't worry: you'll be ready for them!**

1000 CHECKMATE COMBINATIONS

Batsford This truly outstanding book, first published in Russian in the 1970s and regarded as a classic, contains everything you need to know about how to deliver checkmate. 1000 Checkmate Combinations contains a wealth of elegant and sophisticated chess tactics as well as systematic and effective instruction. Each chapter covers a different piece or combination of pieces that is able to deliver checkmate, and provides illustrative templates for just about every mating formation. By working through the book, readers will develop their ability to recognise the potential for checkmate, as well as the know-how to execute one. Clearly written and beautifully organised, it will appeal to all chess players but particularly club players.

THIS IS DANGEROUS

LOGAN & KAYLA #1

Logan Knight is a real-life knight in shining armor. A detective godsend in a sleek black suit has me thinking less than secretive thoughts. Brooding and mysterious, he's the kind of guy every girl instantly notices. Between his seductive smirk and charming good looks, it's no wonder I can't help the way he makes me feel whenever I'm near him. Too bad he's unavailable-or so he says. He thinks I'm a do-gooder who shouldn't get involved with a guy like him. His past is messy and relationships just add to that. He insists the timing is all wrong and he's devoted to his career, but I don't buy that excuse for a second. I see the way his body tenses and his jaw ticks every time another guy is around me. He just won't admit it, but I'm more determined than ever to show him what he's missing. I'm a devoted animal rescuer

and I'll risk everything to save them, but when a dramatic turn of events puts both our lives at risk, I'm positive Logan will write me off for good. But when he asks for my help with a personal crisis, I know it's my last chance to finally show him I can handle anything he throws my way-messy past and all. He might think he has me all figured out, but I'll prove him wrong no matter what he thinks. This game of push and pull has me running in circles. One wrong move and we could both lose. Checkmate, Knight. This is book 1 in the Logan & Kayla duet and must be read first. Suggested for mature readers only.

BECOMING MADAM CHANCELLOR

ANGELA MERKEL AND THE BERLIN REPUBLIC

GAMBIT

Simon and Schuster "A truly frightening story with the crystal ring of truth and authenticity; well written, well plotted and as topical as a novel can get." —Nelson DeMille, New York Times bestselling author "Not only does Bodman know the White House inside and out, she also knows how to tell a gripping, fast-paced tale of political intrigue filled with the kind of delicious insider detail most other novelists have to make up." —Joseph Finder, New York Times bestselling author "A nail-biter...You will not turn out the lights until you have read through to the last page." —The Washington Times "Bodman's insider knowledge of government operations and the scary plausibility of the story line make this worth reading." —Library Journal In this second book of the White House national security thriller series, Dr. Cameron Talbot, a famous expert on missile defense systems, returns to investigate how American airplanes could plummet from the sky—though nothing shows up on radar and none of the usual terrorist suspects have claimed responsibility. With the country in a panic and the economy taking a nose-dive, the beautiful scientist finds herself once again enmeshed in international plots as well as a romantic triangle in the highest levels of government.

BENJAMIN AND BRECHT

THE STORY OF A FRIENDSHIP

Verso Books A fascinating account of the friendship between two of the most brilliant minds of the twentieth century Germany in the mid 1920s, a place and time of looming turmoil, brought together Walter Benjamin—acclaimed critic and extraordinary literary theorist—and Bertolt Brecht, one of the twentieth century's most influential playwrights. It was a friendship that would shape their writing for the rest of their lives. In this groundbreaking work, Erdmut Wizisla explores what this relationship meant for them personally and professionally, as well as the effect it had on those around them. From the first meeting between Benjamin and Brecht to their experiences in exile, these eventful lives are illuminated by personal correspondence, journal entries and private miscellany—including previously unpublished materials—detailing the friends' electric discussions of their collaboration. Wizisla delves into the archives of other luminaries in the distinguished constellation of writers and artists in Weimar Germany, which included Margarete Steffin, Theodor Adorno, Ernst Bloch and Hannah Arendt. Wizisla's account of this friendship opens a window on nearly two decades of European intellectual life.

AUTHENTIC FAITH

WestBow Press There are times and places where heaven and earth collide, where the line between eternity and time grows dim, and the reality of God becomes real. There are experiences and circumstances that force our beliefs to cross over from a mundane theory and into a living reality. This is my story. It is our story. It is His story. It is not perfect, but it is real. It is a story of my experiences with God, calling to ministry, journey of planting a church, and surviving disaster and devastation. This book is for anyone who ever desperately wondered if God exists or if He cares. It is for honest people who have questioned Christians, been disappointed with church as usual, or simply wondered if there was more. I hope my story will inspire and challenge you to discover the wonderful treasure of authentic faith or galvanize the faith you already have.

CHECKMATE IN BERLIN

THE COLD WAR SHOWDOWN THAT SHAPED THE MODERN WORLD

Henry Holt and Company From a master of popular history, the lively, immersive story of the race to seize Berlin in the aftermath of World War II as it's never been told before **BERLIN'S FATE WAS SEALED AT THE 1945 YALTA CONFERENCE**: the city, along with the rest of Germany, was to be carved up among the victorious powers— the United States, Britain, France, and the Soviet Union. On paper, it seemed a pragmatic solution. In reality, once the four powers were no longer united by the common purpose of defeating Germany, they wasted little time reverting to their prewar hostility toward—and suspicion of—one another. The veneer of civility between the Western allies and the Soviets was to break down in spectacular fashion in Berlin. Rival systems, rival ideologies, and rival personalities ensured that the German capital became an explosive battleground. The warring leaders who ran Berlin's four sectors were charismatic, mercurial men, and Giles Milton brings them all to rich and thrilling life here. We meet unforgettable individuals like America's explosive Frank "Howlin' Mad" Howley, a brusque sharp-tongued colonel with a relish for mischief and a loathing for all Russians. Appointed commandant of the city's American sector, Howley fought an intensely personal battle against his wily nemesis, General Alexander Kotikov, commandant of the Soviet sector. Kotikov oozed charm as he proposed vodka toasts at his alcohol-fueled parties, but Howley correctly suspected his Soviet rival was Stalin's agent, appointed to evict the Western allies from Berlin and ultimately from Germany as well. Throughout, *Checkmate in Berlin* recounts the first battle of the Cold War as we've never before seen it. An exhilarating tale of intense rivalry and raw power, it is above all a story of flawed individuals who were determined to win, and Milton does a masterful job of weaving between all the key players' motivations and thinking at every turn. A story of unprecedented human drama, it's one that had a profound, and often underestimated, shaping force on the modern world - one that's still felt today.
