Packed with an index and annotations for easy cross-referencing, this title sets the standard for quick reference. Features At-A-Glance:

- Completely annotated
- Table of Sections Affected By Recent Legislation
- Extensive Index and Table of Contents
- Updated After Each Regular Session of the General Assembly

---

### **CRIMINAL PROCEDURE**

---

---

### **MODEL PROBLEMS AND OUTSTANDING ANSWERS**

---

Oxford University Press In a criminal procedure class, students are asked to determine whether a citizen's constitutional rights were violated, and this question is consistently posed under a myriad of factual circumstances. In order to answer the query, students would need to examine and discuss the United States Supreme Court's interpretations of the Fourth, Fifth, Sixth, and Fourteenth Amendments of the US Constitution, identifying many tests and standards from those examinations and spirited discussions. Criminal Procedure: Model Problems and Outstanding Answers documents a few of the United States Supreme Court's tests and standards from these amendments to provide a more accurate assessment of whether a "right" under the Constitution has retained its full vitality, or whether it has been modified or made less vital than originally intended. Oxford University Press equips students

with an accessible guide to acing challenging criminal procedure law exams. In Criminal Procedure: Model Problems and Outstanding Answers, Carlton Bailey helps students demonstrate their knowledge of criminal procedure in the structured and sophisticated manner that professors expect on law school exams. This book provides clear introductions on the fundamental topics in criminal procedure, provides hypotheticals similar to those that students can expect to see on an exam (including multi-issue questions), and offers model answers to those hypotheticals. Professor Bailey then coaches students in how to evaluate their own work with a comprehensive self-analysis section. This book prepares students by challenging them to use the law they learn in class while also explaining the best way to express sophisticated answers on law school exams.

## **INDEX OF FORMS**

---

---

## **LEXISNEXIS PRACTICE GUIDE: CONNECTICUT FAMILY LAW**

---

LexisNexis LexisNexis Practice Guide: Connecticut Family Law is an affordable guide to Connecticut family law practice. Written by a team of experienced practitioners, the guide offers concise explanations of each step in a family law case, transitioning smoothly from legal analysis to practical application of a point of law. Practice strategies and checklists are included in each chapter to help practitioners identify and address legal and procedural issues. The book covers a wide range of topics related to Connecticut family law, including: divorce, alimony, child custody, taxes,

same-sex relationships, alternative dispute resolution, and more. The LexisNexis Practice Guide titles offer concise, how-to guidance including tips and warnings with quick-reference symbols, and a thorough offering of forms and checklists. Our Practice Guides integrate real-world insight and examples by expert practitioners and judges, and work the way you do--with an intuitive task-oriented organization, incorporating only those features that would measurably simplify and streamline the research process in both print and online. The format of the Guides confidently points you, step-by-step, to find precise, easy-to-understand information while keeping you in step with changing laws.

## **SECTION 1983 LITIGATION**

---

Wolters Kluwer In this invaluable three-volume set, you'll get an analysis of every aspect of the statute from the plaintiffs' and defendants' side of the courtroom - from direction on potential to considerations about choice of forum. This reference also gives you citations to state and district court decisions and circuit-by-circuit breakdowns of leading decisions. Plus, you'll explore constitutional rights enforceable under Section 1983, every facet of municipal liability and qualified immunity, bifurcating claims against officers and municipalities, and more. Martin A. Schwartz, an expert of Section 1983 actions, goes a step further and provides positions on open issues. Also available as part of the Section 1983 Litigation Complete Six-Volume Set.

---

## **FAMILY LAW REIMAGINED**

---

Harvard University Press This is the first book to explore the canonical narratives, stories, examples, and ideas that legal decisionmakers invoke to explain family law and its governing principles. Jill Elaine Hasday shows how this canon misdescribes the reality of family law, misdirects attention away from actual problems family law confronts, and misshapes policies.

## **GENDER AND LAW**

---

---

## **THEORY, DOCTRINE, COMMENTARY**

---

Aspen Publishing The purchase of this ebook edition does not entitle you to receive access to the Connected eBook on CasebookConnect. You will need to purchase a new print book to get access to the full experience including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Gender and Law: Theory, Doctrine, Commentary, Eighth

Edition is organized around theoretical frameworks, showing different conceptualizations of equality and justice and their impact on concrete legal problems. The text provides complete, up-to-date coverage of conventional “women and the law” issues, including employment law and affirmative action, reproductive rights, LGBTQ issues, domestic violence, rape, pornography, international women’s rights, and global trafficking. Showing the complex ways in which gender permeates the law, the text also explores the gender aspects of subject matters less commonly associated with gender, such as property, ethics, contracts, sports, and civil procedure. Throughout, the materials allow an emphasis on alternative approaches and how these approaches make a difference. Excerpted legal cases, statutes, and law review articles form an ongoing dialogue within the book to stimulate thought and discussion and almost 250 provocative “putting theory into practice” problems challenge students to think deeply about current gender law issues. New to the Eighth Edition: The book now begins with an introductory chapter that previews the five major theoretical frameworks that shape the book: Formal Equality, Substantive Equality, Difference, Non-subordination, and Autonomy. It also introduces three critical perspectives that interrelate and enrich the study of gender—queer theory, intersectionality analysis, and masculinity theory. By introducing these critiques and adjacent theories from the outset, later chapters can integrate and build on these interrelations in specific areas of coverage. Putting Theory into Practice problems that pose cutting-edge, current issues are included throughout each chapter. Updated and more sustained attention to gender identity and non-binary identities throughout the book. Materials raising questions and critique about the intersection of race and gender are covered in greater depth. Materials and questions about masculinity as an aspect of gender are now integrated throughout the book instead of being covered discretely in a single chapter. Expanded coverage of the ERA and the renewed efforts to secure ratification. Materials on gender equity in the legal profession have been updated and new coverage has been added on women in leadership, including women in politics. The materials on public accommodations discrimination now include *Masterpiece Cakeshop v. Colorado Civil Rights Comm’n* as a principal case. An extensively revised and comprehensive teacher’s manual includes references to additional materials and updated suggestions of audio and video clips from films, documentaries, news programs, and television and radio series for the book’s main substantive topics.

## **EVALUATION OF THE 2006 FAMILY LAW REFORMS**

---

### **CHILD PROTECTIVE SERVICES**

---

#### **A GUIDE FOR CASEWORKERS**

---

From the Preface: This manual, *Child Protective Services: A Guide for Caseworkers*, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best

practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in *A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice*. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based— including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

## **LAW AND THE GAY RIGHTS STORY**

---

---

---

---

## **THE LONG SEARCH FOR EQUAL JUSTICE IN A DIVIDED DEMOCRACY**

---

---

Rutgers University Press For much of the 20th century, American gays and lesbians lived in fear that public exposure of their sexualities might cause them to be fired, blackmailed, or even arrested. Today, they are enjoying an unprecedented number of legal rights and protections. Clearly, the tides have shifted for gays and lesbians, but what caused this enormous sea change? In his gripping new book, Walter Frank offers an in-depth look at the court cases that were pivotal in establishing gay rights. But he also tells the story of those individuals who were willing to make waves by fighting for those rights, taking enormous personal risks at a time when the tide of public opinion was against them. Frank's accessible style brings complex legal issues down to earth but, as a former litigator, never loses sight of the law's human dimension and the context of the events occurring outside the courtroom. Chronicling the past half-century of gay and lesbian history, *Law and the Gay Rights Story* offers a unique perspective on familiar events like the Stonewall Riots, the AIDS crisis, and the repeal of "Don't Ask, Don't Tell." Frank pays special attention to the constitutional issues surrounding same-sex marriage and closely analyzes the two recent Supreme Court cases addressing the issue. While a strong advocate for gay rights, Frank also examines critiques of the movement, including some coming from the gay community itself. Comprehensive in coverage, the book explains the legal and constitutional issues involved in each of the major goals of the gay rights movement: a safe and healthy school environment, workplace equality, an end to anti-gay violence, relationship recognition, and full integration into all the institutions

of the larger society, including marriage and military service. Drawing from extensive archival research and from decades of experience as a practicing litigator, Frank not only provides a vivid history, but also shows where the battle for gay rights might go from here.

### **LAWYER'S DESK BOOK, 2016 EDITION**

---

Wolters Kluwer Lawyerand's Desk Book is an extraordinary guide that you canand't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant, authoritative legal answers, without exorbitant research fees. Packed with current, critical information, Lawyerand's Desk Book includes: Practical guidance on virtually any legal matter you might encounter: real estate transactions, trusts, divorce law, securities, mergers and acquisitions, computer law, tax planning, credit and collections, employer-employee relations, personal injury, and more - over 75 key legal areas in all! Quick answers to your legal questions, without having to search stacks of material, or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The Lawyer's Desk Book, 2016 Edition incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals, such as the Sarbanes- Oxley Act, and on legislation to cut individual and corporate tax rates, such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues.

---

### **THE RECOVERY OF MAINTENANCE IN THE EU AND WORLDWIDE**

---

Bloomsbury Publishing This book grew out of a major European Union (EU) funded project on the Hague Maintenance Convention of 2007 and on the EU Maintenance Regulation of 2009. The project involved carrying out analytical research on the implementation into national law of the EU Regulation and empirical research on the first year of its operation in practice. The project also engaged international experts in a major conference on recovery of maintenance in the EU and worldwide in Heidelberg in March 2013. The contributions in this book are the revised, refereed and edited versions of the best papers that were given at the conference. The book is divided into four parts: (i) comparative context (ii) international, looking at national and non-European regional practice and how the Hague Convention could change things; (iii) international and the EU, looking at issues covered by both the Hague Convention and the EU Regulation; and (iv) the EU - looking at the Maintenance Regulation. This is the first study to look carefully at both of the new cross-border maintenance regimes globally and in Europe and to begin the examination of the practical operation of the latter regime. The approval of the Hague Convention by

the EU on 9 April 2014 is a major step forward for its practical significance in enabling the recovery of child and spousal support, as from 1 August 2014 all of the 28 EU Member States apart from Denmark will be bound by the Convention.

## **RACIAL DISPROPORTIONALITY AND DISPARITIES IN THE CHILD WELFARE SYSTEM**

---

Springer Nature This volume examines existing research documenting racial disproportionality and disparities in child welfare systems, the underlying factors that contribute to these phenomena and the harms that result at both the individual and community levels. It reviews multiple forms of interventions designed to prevent and reduce disproportionality, particularly in states and jurisdictions that have seen meaningful change. With contributions from authorities and leaders in the field, this volume serves as the authoritative volume on the complex issue of child maltreatment and child welfare. It offers a central source of information for students and practitioners who are seeking understanding on how structural and institutional racism can be addressed in public systems.

## **JUDICIAL CONDUCT AND ETHICS**

---

LexisNexis Judges are expected not simply to decide the law but to exemplify it. In the face of increasing public scrutiny and a welter of new decisions, even the best-intentioned judges can find themselves at a loss. Here is the authoritative, practical guidance you need to ensure judicial activities are irreproachable. Now in its sixth edition, Judicial Conduct and Ethics has established its reputation as the nation's most definitive guide to the conduct of federal, state, and local judges. The new edition, which keeps pace with recent developments in this fast-evolving field, builds on this tradition. Setting the stage with an illuminating discussion of the use of power, Judicial Conduct and Ethics addresses the complete spectrum of judicial conduct, including uses and abuses of judicial power, judicial demeanor, disqualification, ex parte communications, case management, financial activities and disclosure, civic and charitable activities, personal conduct, political activities, civil and criminal liability, methods of discipline and removal, and disability and retirement. The book analyzes conduct that will subject judges to discipline under applicable codes of judicial conduct, and offers insights and advice on best practices. Some of the substantial new material added to this edition include a new section on international judicial ethics and an updated appendix that enables readers to search

the work with reference to rules from the 2007 ABA Model Code of Judicial Conduct. Areas that have been substantially revised or expanded include: • The Appearance of Impropriety • Disqualification • Regulation of Political Activities in Judicial Elections in light of the U. S. Supreme Court's decision in Florida Bar v. Williams-Yulee • Personal Conduct and Social Media

---

## **RELOCATION ISSUES IN CHILD CUSTODY CASES**

---

Routledge Find out how evaluators, mediators, and judges deal with the issues of relocation in divorced families In the past, the relocation of a parent or child in custody cases was rarely a problem for divorced families—there was little conflict and little need for court intervention. But with the growth of shared custody, more fathers involved in parenting after divorce, and an increase in litigation between conflicted parents, relocation has become a complex issue that's difficult for evaluators, judges, and public policymakers to resolve. *Relocation Issues in Child Custody Cases* offers a firsthand look at how evaluators investigate, predict, and make recommendations; how judges reach decisions based on those recommendations; and how individual states deal with relocation cases. *Relocation Issues in Child Custody Cases* examines how evaluators, mediators, and judges can best facilitate an environment where a child has an ongoing relationship with two parents, regardless of where each parent lives. This unique book looks at how the landscape in relocation cases has changed since the California Supreme Court's landmark 2004 ruling in the LaMusga move-away case, examining relevant topics, including individual state statutes on relocation; a survey of courts in the United States; the functions of an evaluator; how a judge analyzes data before reaching a decision; parental conflict; domestic violence; change of circumstances; primary residence; and the process of developing parenting plans. *Relocation Issues in Child Custody Cases* examines: whether negative outcomes of parental relocation after divorce were a result of pre-existing conflict and domestic violence whether the "best interests of the child" is an acceptable standard in relocation cases investigative models for evaluators "for the move" and "against the move" biases—and how to reduce them a format for analyzing evidence in relocation cases the risks and benefits of presumptions in family law matters and much more *Relocation Issues in Child Custody Cases* is an essential resource for evaluators, mediators, judges, caseworkers, child psychologists, family therapists, and child advocates.

---

---

### **INVESTIGATION OF THE FERGUSON POLICE DEPARTMENT**

---

Createspace Independent Publishing Platform The Civil Rights Division of the United States Department of Justice opened its investigation of the Ferguson Police Department ("FPD") on September 4, 2014. This investigation has revealed a pattern or practice of unlawful conduct within the Ferguson Police Department that violates the First, Fourth, and Fourteenth Amendments to the United States Constitution, and federal statutory law. Over the course of the investigation, we interviewed City officials, including City Manager John Shaw, Mayor James Knowles, Chief of Police Thomas Jackson, Municipal Judge Ronald Brockmeyer, the Municipal Court Clerk, Ferguson's Finance Director, half of FPD's sworn officers, and others. We spent, collectively, approximately 100 person-days onsite in Ferguson. We participated in ride-alongs with on-duty officers, reviewed over 35,000 pages of police records as well as thousands of emails and other electronic materials provided by the police department. Enlisting the assistance of statistical experts, we analyzed FPD's data on stops, searches, citations, and arrests, as well as data collected by the municipal court. We observed four separate sessions of Ferguson Municipal Court, interviewing dozens of people charged with local offenses, and we reviewed third-party studies regarding municipal court practices in Ferguson and St. Louis County more broadly. As in all of our investigations, we sought to engage the local community, conducting hundreds of in-person and telephone interviews of individuals who reside in Ferguson or who have had interactions with the police department. We contacted ten neighborhood associations and met with each group that responded to us, as well as several other community groups and advocacy organizations. Throughout the investigation, we relied on two police chiefs who accompanied us to Ferguson and who themselves interviewed City and police officials, spoke with community members, and reviewed FPD policies and incident reports.

#### **A CASEBOOK**

---

Routledge Social Work and the Courts is a collection of important and cutting-edge court decisions in the field of human services, now in its third edition. Pollack and Kleinman present an array of legal cases in everyday language, with clear explanation of the facts and issues, and in-depth examinations of the reasoning and implications of each decision. This new edition includes over twenty new cases, all of which happened between 2010 and 2014, making this one of the most significant and timely investigations of how social work and the law intersect. Special attention is paid to recent rulings in child welfare and social worker liability. The dissection and analysis of these influential cases makes this volume an excellent teaching tool and an essential resource for both social workers and policy makers.
