The Freemason's Manual

Or, Illustrations of Masonry, Containing, in Addition to the Rites Sanctioned

The Freemason's Manual

*Stone Guild Publishing* Originally published in 1862 and intended as a much-needed update to William Preston's *Illustrations of Masonry*, *The Freemason's Manual* sought to provide English Freemasons a deep explanation and education concerning many other Masonic degree systems recognized at the time. In addition, the book surveys the history of dozens of Masonic rites (both recognized and unrecognized) including the Ancient and Accepted Rite (Scottish Rite) and the York Rite (including the Mark Master, the Holy Royal arch, and the Knight Templar degrees), the Rite of Perfection, the Strict Observance, the Elu Cohens, the Rite of Philalethes, Swedenborg's Rite, the Rite of Mizraim, the Rite of Memphis, the Mopses, and Adoptive Masonry. Several details of these degrees are provided at a time before many subsequent changes made to the ritual work. This book offers a rare and intriguing glimpse into the Scottish Rite degrees before the influence of Albert Pike and from the perspective of English Freemasonry.

## Kasher in the Rye

### The True Tale of a White Boy from Oakland Who Became a Drug Addict, Criminal, Mental Patient, and Then Turned 16

*Grand Central Publishing* **Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.**

### Disciple IV

**DISCIPLE IV UNDER THE TREE OF LIFE** is the final study in the four-phase DISCIPLE program and is prepared for those who have completed **BECOMING DISCIPLES THROUGH BIBLE STUDY**. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of

the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for **DISCIPLE IV: UNDER THE TREE OF LIFE**. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
