New and improved learning tools and resources enable educators to help students both inside and outside the classroom. Pearson recommends including MyAccountingLab with your purchase. MyAccountingLab is designed to work with the text and is the perfect way to engage each student effectively, by providing innovative multimedia and content online. This effective learning system integrates quizzes, homework and adaptive learning tools with a complete eText version of this text.*

Management and Cost Accounting Ft Press *The third edition of Management and Cost Accounting continues to offer a wide ranging suite of resources to serve the needs of students, instructors and professionals. With a strong European focus, this text provides a definitive coverage of established and contemporary issues within Management and Cost Accounting. Drawing on the latest research and surveys, the authors bring technical and theoretical concepts to life through extensive use of real world examples and case studies. Features Richly illustrated with a striking new full colour text design and photographs to further engage the reader, reinforce the practical relevance of issues discussed. Extended and fully updated coverage of Strategic Management Accounting In depth European and Harvard Case Studies. A mix of new, and classic cases which pull together themes and offer a broader perspective of how management accounting can be applied in a range of different contexts. Cases include questions, and guided solutions are provided on the CWS accompanying the book. Extensive assessment material, including questions taken from past papers to allow students to consolidate learning and practice their exam technique. Questions are*

Essentials of Organizational Behavior An Evidence-Based Approach SAGE Publications *Concise, practical, and based on the best available research, Essentials of Organizational Behavior: An Evidence-Based Approach, Second Edition equips students with the necessary skills to become effective leaders and managers. Author Terri A. Scandura uses an evidence-based approach to introduce students to new models proven to enhance the well-being, motivation, and productivity of people in the work place. Experiential exercises, self-assessments, and a variety of real-world cases and examples provide students with ample opportunity to apply OB concepts and hone their critical thinking abilities. New to this Edition A new Emotions and Moods chapter delves into important topics like emotional intelligence, emotional contagion, and affective neuroscience. A new Power and Politics chapter unpacks the most effective influence strategies and helps students develop their political skills. A streamlined table of contents now combines perception and decision making in a single chapter and change and stress in a single chapter. New case studies, including some from SAGE Business Cases for the Interactive eBook, on topics such as virtual teams, equal pay and the gender wage gap, and the use of apps at work introduce timely and relevant discussions to help foster student engagement. The new edition has been rigorously updated with the latest research throughout and includes expanded coverage of Machiavellian leadership, ethical decision making, and organizational design through change. New Best Practices and Research in Action boxes as well as new Toolkit Activities and Self-Assessments have been added to make the text even more hands-on and practical.*

Essentials of Database Management Prentice Hall *Readers who want an up-to-date overview of database development and management. Focusing on the topics that leading database practitioners say are most important, Essentials of Database Management presents a concise overview designed to ensure practical success for database professionals. Built upon the strong foundation of Modern Database Management, currently in its eleventh edition, the new Essentials of Database Management is ideal for a less-detailed approach. Like its comprehensive counterpart, it guides readers into the future by presenting research that could reveal the "next big thing" in database management. And it features up-to-date coverage in the areas undergoing rapid change due to improved managerial practices, database design tools and methodologies, and database technology.*

Managerial Accounting (16th Edition) Guan Li Kuai Ji (Ying Wen Ban Yuan Shu Di 16 Ban) Cost Accounting: Principles & Practice, 12th Edition Vikas Publishing House *A UGC recommended textbook for various commerce graduate programmes like B.Com, BBA, BBM and BBS. Also useful for CA, CS, ICMA, M.Com and MBA. The revised edition of Cost Accounting—Principles and Practice gives students a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been presented in a student-friendly, systematic and intelligible manner. Every discussion involving conceptual difficulties is immediately followed by a numerical example. A large number of charts and diagrams bring to light finer points of the subject and make it easily comprehensible. The subject matter has been organized on 'first things first' basis to sustain the interest of the students. Additional problems and solutions have been included in the Appendix to help students.*

Horngren's Accounting *Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learner succeed. The often difficult and intimidating topics in introductory accounting courses are reinforced with a wide variety of exercises and problems allowing students to practice similar questions many times until the concepts are clear. Instructors are able to deliver their course with ease using any delivery method--traditional, self-paced, or online--and students will learn and practice accounting in a variety of ways that meet their learning needs and study preferences. Cost Accounting, 16e Pearson Education India *Cost accounting provides key data to managers for planning and controlling, as well as costing products, services, even customers. Cost Accounting, 16e focuses on how this discipline would help managers make better decisions, as cost accountants are increasingly becoming integral members of company's decision-making teams. In order to emphasize this prominence in decision making, the authors have used the 'different costs for different purposes' theme throughout this book. By focusing on basic concepts, analyses, uses and procedures instead of procedures alone, they have recognized cost accounting as a managerial tool for business strategy and*

Intermediate Accounting *Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future. Note: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. Students, if interested in purchasing this title with MyManagementLab, ask your instructor for the correct package ISBN and Course ID.
