Needles-Financial and Managerial Accounting** [Houghton Mifflin Harcourt \(HMH\)](#) Includes sections on Reviewing the Chapter, Testing Your Knowledge, and Applying Your Knowledge. **Accounting Workbook:** This is a course for students at either secondary or tertiary levels who have an elementary background in accounting. The course was originally written for New Zealand students but has been adopted in a number of overseas countries. However, GST coverage is in accordance with New Zealand practice. The text introduces accounting concepts using a system-based approach within a case

study format. Accounting concepts are thus illustrated through relevant processing and financial reporting using real-world scenarios. The use of simple spreadsheets to process accounting information is an integral part of the texts. The text offers a wealth of questions and practical examples graded in order of difficulty. All elements of Level 2 NCEA are covered for New Zealand students. The final chapter is a revision chapter which was written specifically for the Achievement Standards. It provides additional revision notes and examples, with exercises organised according to the coverage of Achievement Standards. A student supplement to update the text for the 2007 Appendix requirements is included with the Teachers' Guide. The course includes student workbooks and a Teachers' Guide.
