## KEY=BASICS - HERRERA GABRIELLE

---

**Creation Regained Biblical Basics for a Reformational Worldview Wm. B. Eerdmans Publishing** with a Postscript coauthored by Michael W. Goheen In print for two decades and translated into eight languages, Albert Wolters's classic formulation of an integrated Christian worldview has been revised and expanded to reach new readers beyond the generation that has already benefited from this clear, concise proposal for transcending the false dichotomy between sacred and secular. Wolters begins by defining the nature and scope of a worldview, distinguishing it from philosophy and theology. He then outlines a Reformed analysis of the three basic categories in human history -- creation, fall, and redemption -- arguing that while the fall reaches into every corner of the world, Christians are called to participate in Christ's redemption of all creation. This Twentieth Anniversary edition features a new concluding chapter, coauthored with Michael Goheen, that helpfully places the discussion of worldview in a broader narrative and missional context. Praise for the first edition "This is the best statement I have come across of the 'reformational' Christian worldview. It is lucidly written, includes a lot of helpful analogies and illustrations, and is throughout generous in its spirit." -- Nicholas Wolterstorff, Yale University "Translates the central insights and categories of the neo-Calvinist tradition into fresh, nontechnical language and clarifies them with a generous sprinkling of apt illustrations and images. . . . Highly recommended to all those desiring a crisp introduction to a Christian worldview in general or the neo-Calvinist tradition in particular." -- "Christian Scholar's Review" "Outstanding. . . . Deserves a wide readership not only in a specifically academic context among teachers, preachers, and students, but also among the larger group of believers who are concerned with issues involving Christian worldview, theology, and philosophy." -- "Calvin Theological Journal" **Creation Regained Biblical Basics for a Reformational Worldview Paternoster** **What's Your Worldview? An Interactive Approach to Life's Big Questions Crossway** 2014 Popular Theology Book of the Year - World Magazine How do you view the world? It's a big question. And how you answer is one of the most important things about you. Not sure what you'd say? Join James Anderson on an interactive journey of discovery aimed at helping you understand and evaluate the options when it comes to identifying your worldview. Cast in the mold of a classic "Choose Your Own Adventure" story, What's Your Worldview? will guide you toward finding intellectually satisfying answers to life's biggest questions—equipping you to think carefully about not only what you believe but why you believe it and how it impacts the rest of your life. **Worldview The History of a Concept Wm. B. Eerdmans Publishing** Conceiving of Christianity as a "worldview" has been one of the most significant events in the church in the last 150 years. In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life. This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English-speaking world. Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences. Finally, Naugle gives the concept biblical and theological grounding, exploring the unique ways that worldview has been used in the Evangelical, Orthodox, and Catholic traditions. This clear presentation of the concept of worldview will be valuable to a wide range of readers. **Authentic Communication Christian Speech Engaging Culture InterVarsity Press** What could be more natural, more human, than communication? But we all learn quickly enough that good communication is not always natural. There is much to learn from Scripture and from the academic study of human communication. In this book Tim Muehlhoff and Todd Lewis are able guides, aiding us in understanding the broad field of human communication in Christian perspective. **Kingdoms Apart Engaging the Two Kingdoms Perspective P & R Publishing** The Reformed community has spent a considerable amount of time debating the issue of Christ and culture, yet it remains divided. Many emphasize the imperative of cultural transformation, while others criticize such a program as a distraction. This project focuses on the two competing positions that have come out of the Reformed community: Neo-Calvinism and the Two Kingdoms Perspective. **Trilogy on Faith and Happiness New City Press** Augustine of Hippo, one of the most prolific writers of late antiquity, known primarily for four masterpieces: The Confessions, Teaching Christianity, The City of God, and The Trinity, composed a vast body of work comprised of more than five million words. He composed his earliest works in the form of dialogues shortly before his baptism in 387. The next decade of his life, a relatively unproductive transitional period, was followed by an explosion that averaged, in modern terms, a 300-page book per year. This early trilogy, The Happy Life, The Advantage of Believing, and Faith in the Unseen, demonstrates Augustine's fundamental concern to link Christian faith with the human quest for happiness. These three essential works, which illustrate his dictum that faith is necessary for understanding, constitute a magnificent introduction to Augustinian spirituality. Trilogy on Faith and Happiness reveals Augustine's insight into fundamental existential questions and his conviction that human fulfillment can be found only in the incarnation of Jesus, the Word and Wisdom of God. It will prove especially useful for spiritual reading and for students of

Christian spirituality. **Living at the Crossroads An Introduction to Christian Worldview Baker Academic** How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church. **A Royal Priesthood? The Use of the Bible Ethically and Politically : a Dialogue with Oliver O'Donovan Harper Collins** The third in a series of books that result from annual conferences of the top evangelical hermeneutical scholars in the world. **Heaven Tyndale House Publishers, Inc. Over 1 Million Copies Sold! Have you ever wondered . . . ? What is Heaven really going to be like? What will we look like? What will we do every day? Won't Heaven get boring after a while? We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Dr. Randy Alcorn has the answers. In the most comprehensive and definitive book on Heaven to date, Randy invites you to picture Heaven the way Scripture describes it—a bright, vibrant, and physical New Earth, free from sin, suffering, and death, and brimming with Christ's presence, wondrous natural beauty, and the richness of human culture as God intended it. This is a book about real people with real bodies enjoying close relationships with God and each other, eating, drinking, working, playing, traveling, worshiping, and discovering on a New Earth. Earth as God created it. Earth as he intended it to be. The next time you hear someone say, "We can't begin to image what Heaven will be like," you'll be able to tell them, "I can." "Other than the Bible itself, this may well be the single most life-changing book you'll ever read." —Stu Weber "This is the best book on Heaven I've ever read." —Rick Warren "Randy Alcorn's thorough mind and careful pen have produced a treasury about Heaven that will inform my own writing for years to come." —Jerry B. Jenkins "Randy does an awesome job of answering people's toughest questions about what lies on the other side of death." —Joni Eareckson Tada About the Author Randy Alcorn is an author and the founder and director of Eternal Perspective Ministries, a nonprofit ministry dedicated to teaching principles of God's Word and assisting the church in ministering to unreached, unfed, unborn, uneducated, unreconciled, and unsupported people around the world. A New York Times bestselling author of over 50 books, including *Heaven*, *The Treasure Principle*, *If God Is Good*, *Happiness*, and the award-winning novel *Safely Home*, his books sold exceed eleven million copies and have been translated into over seventy languages. Randy resides in Oregon with his wife, Nanci.** **Heaven Is Not My Home Thomas Nelson** In *Heaven Is Not My Home*, author and scholar Paul Marshall asserts that God is not seeking to destroy the earth, but to restore it to its original splendor. In this thought-provoking book, he shows us how the redemption of all things should shape the way we look at every aspect of our lives. **Preaching to a Post-Everything World Crafting Biblical Sermons That Connect with Our Culture Baker Books** Zack Eswine starts this unique pastoral resource with a captivating question: Could I now reach who I once was? Challenging the idea that today's preachers must do away with biblical or expository preaching if they are to reach non-Christian people, Eswine offers a way of preaching that embraces biblical exposition in missional terms. Recognizing all of the different cultural situations in which the gospel must be preached, he gives preachers practical advice on preaching in a global context while remaining faithful to the Bible. Pastors, seminarians, and church and ministry leaders who speak in various contexts will welcome this fresh, thoughtful examination of bringing the Word to today's multi-everything, post-everything world. **Hidden Worldviews Eight Cultural Stories That Shape Our Lives InterVarsity Press** Steve Wilkens and Mark Sanford show how to detect the individualism, consumerism, nationalism, moral relativism, scientific naturalism, New Age thinking, postmodern tribalism and salvation as therapy that fly under our radar. Building on the work of worldview thinkers like James Sire, this book helps those committed to the gospel story recognize those rival cultural stories that compete for our hearts and minds. **Beyond Identity Destinee S.A.** There can be few people in the early twenty-first century who have not, at some time, asked the question, "Who am I?" or set out to "find themselves." With creative insight and common sense, Dick Keyes offers a novel solution to the modern problem of identity that is found in the very creation of humanity itself. As human beings, we find our worth, value and meaning not in possessions, approval in others' eyes, or in the integration of our emotional life. We truly find ourselves only when we look "beyond identity" to a relationship with the God who made us. Dick Keyes and his wife Mardi, have worked with L'Abri Fellowship for over forty years in Switzerland, England and now in Massachusetts. He is a graduate of Harvard University and Westminster Theological Seminary. He is also the author of: *Heroism*, *Chameleon Christianity*, *Seeing Through Cynicism* **Engaging God's World A Christian Vision of Faith, Learning, and Living Wm. B. Eerdmans Publishing** An inspiring guide for developing the Christian mind extols the crucial roll of Christian higher education in the intellectual and spiritual formation of believers. **Work Its Purpose, Dignity, and Transformation P & R Publishing** Whether you're teaching children in a preschool, operating a cash register at a fast-food restaurant, or performing complex surgeries in emergency situations, "€,"you have the power to change the world. God knows the good you do when you serve him faithfully at work, even if you don't see it yourself. The product of twenty years of thought, *Work: Its Purpose, Dignity, and Transformation* ennobles and motivates men and women in their labors. Providing historical background and inspiring stories of God-honoring workers, Daniel Doriani explains the Bible's teaching on the nature, glory, misery, and eventual restoration of work. You will learn what it means to be faithful at work, even in risky places, and what steps you can take to transform your workplace and the world through the reformation of work. **Exiles on Mission How Christians Can Thrive in a Post-Christian World Brazos Press** Many Christians in the West sense that traditional Christian teaching is losing traction in the public square. What does faithful Christian witness look like in a post-Christian culture? Paul Williams, the CEO of one of the world's largest and oldest Bible societies, interprets the dissonance Christians often experience while trying to live out their faith in the 21st century. He provides constructive tools to help readers understand culture in myriad contexts and offer a missional response. Williams calls for a truly missional understanding of post-Christendom Christianity whereby local churches are reimagined as embassies of the kingdom of God and Christians serve as ambassadors in all spheres of life and work. This book invites readers to embrace the language of exile and imagine a hopeful mission of the scattered and gathered church in the post-Christian West. It shows a clear pathway for fruitful missional engagement for the whole people of God, helping Christians make sense of the world in which they live, more authentically integrate faith with everyday life, and orient all of their efforts within God's missional purpose for the world. **The Drama of Scripture Finding Our Place in the Biblical Story Baker Academic** This bestselling textbook surveys the grand narrative of the Bible, demonstrating how the biblical story forms the foundation of a Christian worldview. The second edition has

been thoroughly revised. Additional material is available online through Baker Academic's Textbook eSources, offering course help for professors and study aids for students. Resources include discussion questions, a Bible reading schedule, an adult Bible class schedule, and a course syllabus. **Fidelity Five Stories Catapult** "Berry richly evokes Port William's farmlands and hamlets, and his characters are fiercely individual, yet mutually protective in everything they do. . . . His sentences are exquisitely constructed, suggesting the cyclic rhythms of his agrarian world." —New York Times Book Review Reissued as part of Counterpoint's celebration of beloved American author Wendell Berry, the five stories in *Fidelity* return readers to Berry's fictional town of Port William, Kentucky, and the familiar characters who form a tight-knit community within. "Each of these elegant stories spans the twentieth century and reveals the profound interconnectedness of the farmers and their families to one another, to their past and to the landscape they inhabit." —The San Francisco Chronicle "Visionary . . . rooted in a deep concern for nature and the land, . . . [these stories are] tough, relentless and clear. In a roundabout way they are confrontational because they ask basic questions about men and women, violence, work and loyalty." —Hans Ostrom, *The Morning News Tribune*

**Old Testament Cosmology and Divine Accommodation A Relevance Theory Approach Wipf and Stock Publishers** In order to reconcile the discrepancies between ancient and modern cosmology, confessional scholars from every viewpoint on the interpretation of the early chapters of Genesis agree that God accommodated language to finite human understanding. But in the history of interpretation, no consensus has emerged regarding what accommodation entails at the linguistic level. More precise consideration of how the ancient cognitive environment functions in the informative intention of the divine and human authors is necessary. Not only does relevance theory validate interpretative options that are inherently most probable within the primary communication situation, but the application of relevance theory can also help disentangle the complexities of dual authorship inherent in any model of accommodation. The results also make a salutary contribution to the theological reading of Scripture. **Glimpses of a Greater Glory A Devotional Through the Storyline of the Bible Createspace Independent Publishing Platform** The *Storyline of the Bible* devotional was designed to provide an overview of the narrative of the Bible—keeping you in the actual text of the Bible with connecting overviews and questions that help bridge the world of the Bible to our world today. Seeing the larger Biblical narrative can dramatically change the way you understand Christianity. Without this larger perspective, it's easy to view the Bible as a collection of moralistic stories, subtly leading to a self-centered faith that essentially sees the Bible as a divinely inspired self-help book. This approach gets us no where. However, when you begin to grasp the grand narrative which begins with those powerful four words, "In the beginning God..." you start to realize that perhaps this life and this world is not about me, but about a God whose plan for redemption is far greater than I can imagine or hope. This is the good news that emerges as you connect the many pieces of this life-changing drama. This devotional will not only help you see the larger narrative but hopefully the main Actor who graciously makes Himself known. "Many books are now coming out on 'faith and work'—but I know of none like this. David Kim gives us a way to reflect on our vocations and our lives in light of the gospel and the Word—in prayer before the face of God. There is deep theology here but it is not a textbook, but rather a devotional guide. Unique—I recommend it!"- Tim Keller, Senior Pastor, Redeemer Presbyterian Church "A devotional book that feeds our souls must at the very least draw us close to the God who has redeemed us. This wonderful book certainly does that—but it does much more. It points us to the Redeemer who, as the Sovereign Lord of all creation, calls us to serve the goals of His glorious Kingdom in our daily lives."- Richard Mouw, President, Fuller Theological Seminary **Seeking a Better Country 300 Years of American Presbyterianism (Paperback Edition)** The first American presbytery was founded in 1706. In the following years, Presbyterians grew to form one of the largest and most eminent denominations in the United States. Now, more than three hundred years later, that church is dwindling. What has happened? Lively, bracing, and informative, *Seeking a Better Country* takes an honest look at the rise and decline of American Presbyterianism, giving context to Presbyterians of all stripes. **The Presbyterian Philosopher The Authorized Biography of Gordon H. Clark Wipf and Stock Publishers** This is the story of Gordon Clark (1902-85), respected philosopher and prolific writer, who held that Christianity, as a logically coherent system, is superior to all other philosophies. Clark fought no wars and conquered no kingdoms. Yet he was a leading figure in many theological wars fought for the Kingdom of God. These battles for the minds and souls of men were every bit as crucial as physical wars between nations. In an age of increasing secularization, he put up an intellectual defense of the Christian faith. This faith, he believed, was a system. All of its parts link together, a luxury of no other philosophy. His stance shows a Christianity that is in fact intellectual, not relying on appeals to emotion or experience. In propounding this view, he encountered frequent opposition, not from the secular world, but from within his own denomination. This biography helps explain why his thought was so profound, why resistance mounted against him, and how his struggles impacted American Presbyterianism. Additionally, this book calls for a reappraisal of Clark's views, which have been maligned by controversy. Understanding and applying his views could significantly fortify Christians combating irrational and non-systematic ideas prevalent in today's churches. **Living in God's Two Kingdoms A Biblical Vision for Christianity and Culture Crossway** Modern movements such as neo-Calvinism, the New Perspective on Paul, and the emerging church have popularized a view of Christianity and culture that calls for the redemption of earthly society and institutions. Many Christians have reflexively embraced this view, enticed by the socially active and engaged faith it produces. *Living in God's Two Kingdoms* illustrates how a two-kingdoms model of Christianity and culture affirms much of what is compelling in these transformationist movements while remaining faithful to the whole counsel of Scripture. By focusing on God's response to each kingdom—his preservation of the civil society and his redemption of the spiritual kingdom—VanDrunen teaches readers how to live faithfully in each sphere. Highlighting vital biblical distinctions between honorable and holy tasks, VanDrunen's analysis will challenge Christians to be actively and critically engaged in the culture around them while retaining their identities as sojourners and exiles in this world. **Canon and Biblical Interpretation Zondervan Academic** Drawing on a broad array of contributors, volume seven of the *Scripture and Hermeneutics Series* assesses the current state of canonical interpretation and uses that as a starting point for exploring ingredients in theological interpretation of the Bible today. *Canon and Biblical Interpretation* begins with a masterful examination of the canonical approach and the various criticisms that have been leveled against it. Additional chapters look at canonical interpretation in relation to different parts of the Bible, such as the Pentateuch, the Wisdom books, the Psalms, and the Gospels. Articles address such issues as canonical authority and the controversial relationship between canonical interpretation and general hermeneutics. A unique chapter explores the relationship between academic exegesis and *lectio divina*. Editors: • Craig Bartholomew • Robin Parry • Scott Hahn • Christopher Seitz • Al Wolters **Educating for Life Reflections on Christian Teaching and Learning Baker Academic** Few people have influenced the

development of Christian schools in the Reformed tradition in North America and around the world as much as Nicholas Wolterstorff. This book draws together the world-renowned Christian philosopher's thoughts and reflections on Christian education over the last three decades. As a tribute to his contributions, Calvin College education professors Gloria Goris Stronks and Clarence W. Joldersma have organized a broad array of writings and unpublished speeches into a cohesive volume. The guiding principle in making selections was the inclusion of pieces that speak to people who struggle with what makes education truly Christian. Wolterstorff's writings on education are divided into four sections. In the first section, he discusses the nature of Christian education. The second section finds Wolterstorff examining criticisms of Christian education. The third section offers his observations on Christian learning within a pluralistic society. Finally, in the fourth section, he looks at some of the goals of Christian education. Of interest to many as a significant development in his maturing thought is the ever increasing role that justice should play in Christian education. **Educating for Life** portrays Wolterstorff's evolving thinking on education while paying tribute to him as one of the premier Christian philosophers of our day. **The Heresy of Orthodoxy (Foreword by I. Howard Marshall) How Contemporary Culture's Fascination with Diversity Has Reshaped Our Understanding of Early Christianity Crossway** Beginning with Walter Bauer in 1934, the denial of clear orthodoxy in early Christianity has shaped and largely defined modern New Testament criticism, recently given new life through the work of spokesmen like Bart Ehrman. Spreading from academia into mainstream media, the suggestion that diversity of doctrine in the early church led to many competing orthodoxies is indicative of today's postmodern relativism. Authors Köstenberger and Kruger engage Ehrman and others in this polemic against a dogged adherence to popular ideals of diversity. Köstenberger and Kruger's accessible and careful scholarship not only counters the "Bauer Thesis" using its own terms, but also engages overlooked evidence from the New Testament. Their conclusions are drawn from analysis of the evidence of unity in the New Testament, the formation and closing of the canon, and the methodology and integrity of the recording and distribution of religious texts within the early church. **Walking with God in the Classroom Christian Approaches to Teaching and Learning Association of Christian Schools International How to Stay Christian in College Tyndale House** When students go to college, they're leaving behind their network of support and heading to a world with different perspectives, responsibilities, and expectations. Even for those going to "Christian" colleges, there's no guarantee they won't face challenges to their faith. So how do students stay Christian in college? How do they stay open about their faith in the face of potential ridicule? A must-read for every college student, *How to Stay Christian in College* will guide readers through the maze of campus realities. J. Budziszewski discusses the foundations of the Christian faith and directly addresses different worldviews and myths that students may encounter at college. Filled with quotes, statistics, resources, stories, and encouragement, this book will equip students to conquer the dangers that lie ahead. **Redeeming Work A Guide to Discovering God's Calling for Your Career Templeton Foundation Press** The world of work is changing rapidly. As a Christian trying to discern the right career path, you might perceive the marketplace as a bewildering and anxiety-provoking place. You might even worry you'll have to sacrifice your values to have a successful career. How can you hope to find work that is informed by faith and that serves God's will? *Redeeming Work* was written to answer just this question. The author, Bryan Dik, PhD, is one of the leading psychologists in the world who specializes in vocation. A professor, entrepreneur, and follower of Christ, Dik wrote this book as a labor of love after devoting his career to research and development of practical strategies for helping others find purposeful work. His message: there are abundant opportunities for Christians to forge careers that answer God's calling for their lives. In *Redeeming Work*, he shares the tools you need to find these opportunities and pursue them successfully. Your purchase of *Redeeming Work* comes with a special bonus: free access to an evidence-based online career assessment system called PathwayU. By taking this assessment, you'll learn about what makes you unique, including what you enjoy (interests), what matters to you (values), your general tendencies (personality), and what you most need from an organization (workplace preferences). Then, you'll be able to explore career paths (and current job openings) that fit the pattern of gifts God has given you. **For the Least of These A Biblical Answer to Poverty Zondervan** Today, many thoughtful and compassionate Christians are addressing the challenge of alleviating poverty. But while much progress has been made, many well-intentioned efforts have led Christians to actions that are not only ineffective, but leave the most vulnerable in a worse situation than before. Is there a better answer? Combining biblical exegesis with proven economic principles, *For the Least of These: A Biblical Answer to Poverty* equips Christians with both a solid biblical and economic understanding of how best to care for the poor and foster sustainable economic development. With contributions from fifteen leading Christian economists, theologians, historians, and practitioners, it presents the case for why a multi-faceted approach is needed, and why a renewed focus on markets and trade are the world's best hope for alleviating poverty and serving those in financial need. **On Being Presbyterian Our Beliefs, Practices, and Stories Presbyterian & Reformed Publishing Company** As I have been doing this work, the questions that I have kept in the forefront of my mind are: How did the PCA come to be the way it currently is? What is the connection between the way the conservative movement in the old southern Presbyterian church developed and the way the PCA lives and breathes as a church of God doing kingdom business today? These historical questions have led me to a more pressing question which I have faced as a teaching elder in the PCA: Do conservative Presbyterian churches, as represented in my denomination, embrace their Presbyterian identity? Or do other ideas, practices, and narratives serve to shape them? In other words, one could read the history of the PCA as an attempt to answer the question: What does it mean to be a (conservative) Presbyterian in the postmodern age? - Preface. **God's Renaissance Man The Life and Work of Abraham Kuyper EP BOOKS** A journalist, a theologian, a pastor, a prime minister, few people can boast of having such dimensions to their careers! Yet such was the remarkable life of Abraham Kuyper (1837-1920), who played a major role in helping modern Christians to develop a consistently biblical and practical world-view, not only in his native country of the Netherlands, but throughout much of the world. All of life belongs to God. In Kuyper's own words, No single piece of our mental world is to be hermetically sealed off from the rest, and there is not a square inch in the whole domain of our human existence over which Christ, who is Sovereign over all, does not cry: Mine **Work and Worship Reconnecting Our Labor and Liturgy Baker Academic** The modern chasm between "secular" work and "sacred" worship has had a devastating impact on Western Christianity. Drawing on years of research, ministry, and leadership experience, Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another. Together they engage in a rich biblical, theological, and historical exploration of the deep and life-giving connections between labor and liturgy. In so doing, Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship. **Far as the Curse is Found The Covenant Story of Redemption Presbyterian & Reformed Publishing**

**Company** "God's covenant with his people is an unfolding historical drama with personal and earthly dimensions that are often overlooked. In this study of the meaning and scope of the covenant, Michael D. Williams highlights the goodness of the physical realm and God's redemptive intentions for his creation."-- from back cover. **Shaping a Christian Worldview The Foundation of Christian Higher Education B&H Publishing Group** *Shaping a Christian Worldview* presents a collection of essays that address the key issues facing the future of Christian higher education. With contributions from key players in the field, this book addresses the critical issues for Christian institutions of various traditions as the new century begins to leave its indelible mark on education. **The Central Significance of Culture Reformation Media & Press** Dr. Lee devotes serious study to the matter of culture and offers a wide outlook on the cultural command and the work of man in all areas of life as a commission of God--the Lord of culture. **(Christianity) God Seen in the Mirror of the World An Introduction to the Philosophy of God Herder & Herder** *God Seen in the Mirror of the World* is the present study of the beings of things and of God. **Christian Worldview A Student's Guide Crossway** Everything we do, say, and think reflects our fundamental worldview. Whether we realize it or not, basic beliefs about God, man, good and evil, history, and the future inevitably shape how we view and interact with the world. In this accessible student's guide, Phil Ryken, author and current president of Wheaton College, explains the distinguishing marks of a distinctly Christian worldview—exploring the existence of God, the nature of creation, the role of grace, and God's plan for the future. Written for both Christians and non-Christians, this handy resource will help believers develop a cohesive worldview while offering unbelievers a succinct introduction to the foundational tenets of the Christian faith. **Recapture the Wonder Thomas Nelson** Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder--to experience God's amazing promise of childlike joy.
