California Technology Register Killer Business Plan Lulu.com Computerworld For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network. Orange County Business and Industrial Directory California Services Register Thomas Register Obamacare A Handbook for Employers Timeforge Obamacare: A Handbook for Employers has all the information you need to prepare for Obamacare. With it, you can learn what you need to do right now in order to avoid penalties in 2014 or 2015. You'll learn how to make the pay or play decision, determine your large employer status, find out whether you are required to offer your employees affordable insurance, and much more. If you're a small employer find out what makes you small enough to qualify for small employer tax credits when purchasing coverage for your employees. Then, take it a step further and walk you through important decision-making, explaining how business activities like turnover and overtime can affect your decision. The book includes a comprehensive section of examples of real-world decisions that employers like yourself have made - hiring more part time staff, hiring more full time staff, purchasing insurance, skinny plans, and many others. Navigate the paperwork headache with the step-by-step guides in the book, and learn how to apply the ACA guideliness to your business. This book is not only a resource to help you understand the complexities within Obamacare, but also a step-by-step guide to implementing proactive, penalty-avoiding policy in your business. Obamacare: A Handbook for Employers will provide everything you need to know about Obamacare's impact on employers and individuals, as well as potential challenges you may face in adhering to the new policies in the coming year. www.employersandobamacare.com Computerworld For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide.
