Current Catalog

Includes subject section, name section, and 1968-1970, technical reports.

Anthropology and Global Counterinsurgency

[University of Chicago Press](#) Global events of the early twenty-first century have placed new stress on the relationship among anthropology, governance, and war. Facing prolonged insurgency, segments of the U.S. military have taken a new interest in anthropology, prompting intense ethical and scholarly debate. Inspired by these issues, the essays in Anthropology and Global Counterinsurgency consider how anthropologists can, should, and do respond to military overtures, and they articulate anthropological perspectives on global war and power relations. This book investigates the shifting boundaries between military and civil state violence; perceptions and effects of American power around the globe; the history of counterinsurgency doctrine and practice; and debate over culture, knowledge, and conscience in counterinsurgency. These wide-ranging essays shed new light on the fraught world of Pax Americana and on the ethical and political dilemmas faced by anthropologists and military personnel alike when attempting to understand and intervene in our world.

Essential Principles of Business for CSEC: 4th Edition

[Hachette UK](#) Discover Principles of Business as a real-world subject through thought-provoking case studies and prepare effectively for the CSEC May/June 2019 examinations. -Develop knowledge systematically with each section focusing on a specific aspect of the syllabus, and clear syllabus references throughout. -Revise for the exam with unit summaries, in-chapter challenges, and MCQs. -Increase confidence with exam-type questions at the end of each unit and a full section dedicated to exam preparation and the School Based Assessment. -Ensure all three examined profile dimensions are developed with contextualised structured response questions.

Una Marson

Una Marson's work embodied anti-colonialism, anti-racism, feminism, class politics and pan-Africanism in the first half of the twentieth century. Her poetry and dramatic work symbolically ushered in a new era in Jamaica's literary landscape and her efforts in championing early Jamaican literature, as well as her avid support for Caribbean writers in Britain and the region, made her a key proponent of the development of a national and West Indian literary canon. She challenged racial inequality, affirmed standards of black beauty and black identity, and explored the complexities of gender, religious discrimination and class/economic exploitation. She did not frame her work around a single cause but, instead, she was mindful of the multiple intersections of oppression. Britain's hold on Jamaica's cultural imagination would finally be challenged by artists like Marson who were eager to free their nation of colonial authority and cultural dominance. In the end, through her advocacy and pioneering work, Marson achieved a voice for the oppressed.

Agricultural Science

A Junior Secondary Course for the Caribbean

This three-part course takes into account recent changes and provides a base for the CXC examination.

Human and Social Biology

Certificate Mathematics

A Revision Course for the Caribbean
