Descending Son 47North *If Jess Stark really knew what was on the other side of the coffin lid, he might just decide to remain six feet under . . . Jess stayed away from Palm Springs for seven years, avoiding his family and the girl who broke his heart. It took a desperate call from his mother to force him home to see his ailing father. As soon as he returned, Jess found himself embroiled in two suspicious deaths, emotional turmoil with his family, and a supernatural secret that involved them all--winding up in an unmarked grave in the middle of the Coachella Desert. In a tale that spreads from the California Desert to the jungles of Mexico and set in a town that time has practically forgotten, Descending Son is rooted in the sins of Jess's past and a future that threatens his life. Sure, Jess can go home again, but there's a heavy price to pay.* **The Last Commandment Head of Zeus Ltd** *In this transatlantic thriller, Scotland Yard detective Austin Grant must track a serial killer targeting those who transgress the Ten Commandments from London to New York.* **Should I Fall Mysterious Press** *A retired Scotland Yard Inspector races to prove the innocence of a falsely accused fugitive--his daughter's fiancée--in this whodunnit from "a marvellous storyteller" (Michael Koryta). When John Frankel's ex-wife is discovered dead on the floor of his Manhattan studio apartment, the NYPD Detective instantly becomes the prime suspect in her murder. Then more information surfaces, linking his gun to the fatal bullet, a motive is discovered, and Frankel flees the city, all of which further convinces his colleagues of his guilt. In spite of the mounting evidence, Frankel's bride-to-be, Rachel Grant, and her father, Austin Grant, formerly of Scotland Yard, are certain of his innocence. But with the police under orders to use whatever force necessary to stop what they view as a dangerous criminal, the duo will have to act fast, before the manhunt goes violently wrong. The investigation and relentless chase after Frankel takes them across the country, from the tropical shores of Hawaii to a deadly midnight rendezvous in a cemetery in northern Maine. And as that game of cat-and-mouse unfurls, so too does a complex murder plot with multiple victims--the ultimate solution of which will keep readers baffled and breathless until the very end. The second mystery from Scott Shepherd, the showrunner and screenwriter whose credits include *The Equalizer*, *The Dead Zone* and *Miami Vice*, *Should I Fall* is a fast-paced and expertly-crafted whodunnit that is as puzzling as it is entertaining.* **The New Sultan Bloomsbury Publishing** *In a world of rising tensions between Russia and the United States, the Middle East and Europe, Sunnis and Shiites, Islamism and liberalism, Turkey is at the epicentre. And at the heart of Turkey is its right-wing populist president, Recep Tayyip Erdoğan. Since 2002, Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power. His crackdown has been brutal and consistent - scores of journalists arrested, academics officially banned from leaving the country, university deans fired and many of the highest-ranking military officers arrested. In some senses, the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a 'strongman'. Here, leading Turkish expert Soner Cagaptay will look at Erdoğan's roots in Turkish history, what he believes in and how he has cemented his rule, as well as what this means for the world. The book will also unpick the 'threats' Erdogan has worked to combat - from the liberal Turks to the Gulen movement, from coup plotters to Kurdish nationalists - all of which have culminated in the crisis of modern Turkey.* **Prominent Families of New York Being an Account in Biographical Form of Individuals and Families Distinguished as Representatives of the Social, Professional and Civic Life of New York City A Book of Golden Deeds Of All Times and All Lands The Seventh Day** *Originally published as a Kindle Serial.* **Marmion, a Tale of Flodden Field When Scotland Was Jewish DNA Evidence, Archeology, Analysis of Migrations, and Public and Family Records Show Twelfth Century Semitic Roots McFarland** *The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.* **Oedipus the King Franklin Classics Trade Press** *This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.* **A Gift of Love Sermons from Strength to Love and Other Preachings Beacon Press** *The classic collection of sixteen sermons preached and compiled by Dr. King As Dr. King prepared for the Birmingham campaign in early 1963, he drafted the final sermons for Strength to Love, a volume of his best-known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. Having been arrested for holding a prayer vigil outside Albany City Hall, King and Ralph Abernathy shared a jail cell for fifteen days that was, according to King, "dirty, filthy, and ill-equipped" and "the worse I have ever seen." While behind bars, he spent uninterrupted time preparing the drafts for classic sermons such as "Loving*

Your Enemies," "Love in Action," and "Shattered Dreams," and continued to work on the volume after his release. A Gift of Love includes these classic sermons, along with two new preachings. Collectively they present King's fusion of Christian teachings and social consciousness, and promote his prescient vision of love as a social and political force for change. **John A 12-Week Study Crossway** The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world. **The Lady of the Lake A Poem in Six Cantos Advanced Nutrition and Dietetics in Gastroenterology John Wiley & Sons** Advanced Nutrition and Dietetics in Gastroenterology provides informative and broad-ranging coverage of the relation between nutrition and diet and the gastrointestinal tract. It explores dietary factors involved in causation of a variety of gastrointestinal disorders, as well as the effects on diet and the treatments available. It also provides an overview of anatomy and physiology, measurement and assessment of function, and dietary components relevant to gastrointestinal health. ABOUT THE SERIES Dietary recommendations need to be based on solid evidence, but where can you find this information? The British Dietetic Association and the publishers of the Manual of Dietetic Practice present an essential and authoritative reference series on the evidence base relating to advanced aspects of nutrition and diet in selected clinical specialties. Each book provides a comprehensive and critical review of key literature in its subject. Each covers established areas of understanding, current controversies and areas of future development and investigation, and is oriented around six key themes: •Disease processes, including metabolism, physiology, and genetics •Disease consequences, including morbidity, mortality, nutritional epidemiology and patient perspectives •Nutritional consequences of diseases •Nutritional assessment, drawing on anthropometric, biochemical, clinical, dietary, economic and social approaches •Clinical investigation and management •Nutritional and dietary management •Trustworthy, international in scope, and accessible, Advanced Nutrition and Dietetics is a vital resource for a range of practitioners, researchers and educators in nutrition and dietetics, including dietitians, nutritionists, doctors and specialist nurses. **They Called Us River Rats The Last Batture Settlement of New Orleans Univ. Press of Mississippi** They Called Us River Rats: The Last Batture Settlement of New Orleans is the previously untold story of perhaps the oldest outsider settlement in America, an invisible community on the annually flooded shores of the Mississippi River. This community exists in the place between the normal high and low water line of the Mississippi River, a zone known in Louisiana as the batture. For the better part of two centuries, batture dwellers such as Macon Fry have raised shantyboats on stilts, built water-adapted homes, foraged, fished, and survived using the skills a river teaches. Until now the stories of this way of life have existed only in the memories of those who have lived here. Beginning in 2000, Fry set about recording the stories of all the old batture dwellers he could find: maritime workers, willow furniture makers, fishermen, artists, and river shrimpers. Along the way, Fry uncovered fascinating tales of fortune tellers, faith healers, and wild bird trappers who defiantly lived on the river. They Called Us River Rats also explores the troubled relationship between people inside the levees, the often-reviled batture folks, and the river itself. It traces the struggle between batture folks and city authorities, the commercial interests that claimed the river, and Louisiana's most powerful politicians. These conflicts have ended in legal battles, displacement, incarceration, and even lynching. Today Fry is among the senior generation of "River Rats" living in a vestigial colony of twelve "camps" on New Orleans's river batture, a fragment of a settlement that once stretched nearly six miles and numbered hundreds of homes. It is the last riparian settlement on the Lower Mississippi and a contrarian, independent life outside urban zoning, planning, and flood protection. This book is for everyone who ever felt the pull of the Mississippi River or saw its towering levees and wondered who could live on the other side. **Fifth Avenue, 5 A.M. Audrey Hepburn in Breakfast at Tiffany's Aurum** Before Breakfast at Tiffany's Audrey Hepburn was still a little-known actress with few film roles to speak of; after it - indeed, because of it - she was one of the world's most famous fashion, style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral - and how it made Audrey Hepburn into gamine, elusive Holly Golightly in the little black dress - and a star for the rest of her life. **The Christian Hymn Book A Compilation of Psalms, Hymns, and Spiritual Songs, Original and Selected To the Lighthouse Renard Press Ltd** Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', To the Lighthouse, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, To the Lighthouse has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance. **Rob Roy Inanna Harper Collins** A fresh retelling of the ancient texts about Ishtar, the world's first goddess. Illustrated with visual artifacts of the period. "A great masterpiece of universal literature."--Mircea Eliade **Introduction to Information Retrieval Cambridge University Press** Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the

design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

The Children's Book Vintage Canada From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of *Peter Pan* and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's *Adventures in Wonderland*. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

The Lion, the Witch, and the Wardrobe Wyatt North Publishing, LLC C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. *The Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

The Book of the Duffs How Jesus Became God The Exaltation of a Jewish Preacher from Galilee Harper Collins New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. *How Jesus Became God* tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God.

The Children's Book of Poetry Carefully Selected from the Works of the Best and Most Popular Writers for Children An anthology of poetry for children between the ages of six and fourteen encompassing such topics as "Baby-Days," "Animals and Birds," "Trees and Flowers," and "Christmas and New Year."

In addition, other vessels of miscellaneous character, including Victory and Liberty type temporary conversions for returning troops, are listed in the appendices ..."--Pref.

Strength to Love Beacon Press The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

Brave New World Rosetta Books Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

The Secret Teachings of All Ages GENERAL PRESS *The Secret Teachings of All Ages* is perhaps the most comprehensive and complete esoteric encyclopedia ever written. The sheer scope and ambition of this book are stunning. In this book Manly P. Hall has successfully distilled the essence of more arcane subjects than one would think possible. This book explores the themes underlying ancient mythology, philosophy, and religion. Unrivaled in its beauty and completeness, it distills ancient and modern teachings of nearly 600 experts.

The Past from God's Perspective: a Commentary on John's Gospel A unique commentary on how spiritual growth led to a deeper understanding of what God had done in Jesus. This new perspective led to new insights into who Jesus actually was and how we can know.

Christ the Conqueror of Hell The Descent Into Hades from an Orthodox Perspective St Vladimirs Seminary Press This in-depth study on the realm of death presents a message of hope held

by the first generation of Christians and the early church. Using Scripture, patristic tradition, early Christian poetry, and liturgical texts, Archbishop Hilarion explores the mysterious and enigmatic event of Christ's descent into Hades and its consequences for the human race. Insisting that Christ entered Sheol as Conqueror and not as victim, the author depicts the Lord's descent as an event of cosmic significance opening the path to universal salvation. He also reveals Hades as a place of divine presence, a place where the spiritual fate of a person may still change. Reminding readers that self-will remains the only hindrance to life in Christ, he presents the gospel message anew, even in the shadow of death. **Corcoran Gallery of Art American Paintings to 1945 Hudson Hills Press** This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945. **How Tobacco Smoke Causes Disease The Biology and Behavioral Basis for Smoking-attributable Disease : a Report of the Surgeon General U.S. Government Printing Office** This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products. **Masculine Mandate: God's Calling to Men Reformation Trust** In this book, Richard D. Phillips cuts through the cultural confusion, highlights God's mandate for men, and encourages readers to join him on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of God's Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and embrace their God-given mandate. Only then will they be able to recognize their high calling, and by God's grace, serve faithfully in whatever context God has placed them. **The Antiquary**
