SOCIAL MEDIA IN INDIA

REGULATORY NEEDS, ISSUES AND CHALLENGES

SAGE Publishing India *Social media is acutely prone to misuse—thanks to its independent and undisciplined nature—necessitating regulation. The book addresses this concern, analysing critical sociopolitical issues related to social media regulation and discussing the latest developments in India. Social Media in India: Regulatory Needs, Issues and Challenges reviews the values of freedom of expression, privacy and regulation, and proposes strategies to balance the triad, aiding policy formation, at a time when the Indian government and significant social media intermediaries are in a standoff over the newly ordained IT rules. This book covers all aspects that need to be examined for the overhaul of the regulatory framework including addiction, awareness, rampant misinformation, political applications and conflicts. Highlighting such social and user-centric challenges to the sustainability of online social networks, the book argues for the need of a robust regulatory framework and advocates an attitude adjustment about privacy and social media in the age of disinformation.*

MY SEARCH FOR A LOVE IN INDIA

Pencil *About the book: The book 'MY SEARCH FOR A LOVE IN INDIA' is an autobiography of Mr.U.Annadurai.His life history from the years 1981-1983, when he was studying his M.Sc Mathematics at, Madurai Kamaraj University, Tamilnadu, is written by him in this book. He says about his life when he did his M.PHIL Maths and M.PHIL Futures studies in M.K.University.He says about his experiences in his employments with the Life Insurance Corporation of India. He says about his career as a temporary lecturer in Mathematics in 11 Colleges, GRI, and as an Assistant professor in Mathematics under Tamilnadu government collegiate education service. He gives his friendship with some girls but none of them married him. He is the author of the book 'HUMAN LOVE AND RELATIONSHIP'.He is the author of 'ON THE WAY IN MY LIFE' a short.*

HISTORY OF JOURNALISTS ORGANISATIONS IN MADRAS

Pustaka Digital Media *The Press in India had been a powerful force since its inception. It not only influenced the minds of the people but has also remained a guiding star in the lives of succeeding generations. During the Colonial era, journals and newspapers started and managed by the nationalist Indians rattled British authorities and forced them to introduce stringent measures against the Press, particularly against the Vernacular Press. Many a time, journals and newspapers were to face proscription from the imperial authorities, as fiery articles, they feared, would push the nation into great chaos. Such was the power of the Press. Since no journalist organisation in Chennai had all the documents related to the study, I made use of websites of different organisations, newspapers and magazines. However, a large chunk of information was culled out from the documents preserved in the office of the Madras Union of Journalists. I profusely thank its office bearers for permitting me the access. But for their help, the task of documentation and study would have been more strenuous. As indicated elsewhere in this book, the splits in journalist's unions has split their office records also. Hence a yawning gap is noticed in the history of different unions in Chennai. Some organisations have only limited records in the form of their constitution, occasional newsletters or handouts.*

THE INDIAN REVIEW

THE NEWS MEDIA IN NATIONAL AND INTERNATIONAL CONFLICT

Routledge *Ironically, as telecommunications technology—the embodiment of modernity—advances, bringing people in different*

nations into more direct contact during conflict situations, traditional cultural factors become increasingly important as differing ways of thinking and acting collide. The mass media can be seen as a factor in the creation of international conflict; they also, claim many scholars, are the key to control and resolution of those problems. Whichever side of the coin one chooses to look at—mass communication as cause or cure of conflict—there is no doubt that the news media are no longer peripheral players on the global scene; they are important participants whose organizational patterns of behavior, values, and motivations must be taken into account in understanding national and international conflict. In this volume, a distinguished group of authors explores the variety of ways the news media—newspapers, radio, and television—are involved in conflict situations. Conflicts between the United States and Iran, India and Pakistan, and the United States and China are examined, and national-level studies in Sri Lanka, Iran, Hong Kong, and the United States provide varied contexts in which the authors look at the complex interrelationships among government, news media, and the public in conflict situations.

MOTIVATING THOUGHTS APJ ABDUL KALAM

Prabhat Prakashan Kalam continued to inspire people throughout his life with whatever role that he was entrusted to play. And even moments before his death he addressed a host of students at Indian Institute of Management at Shillong. His significance as a scientist and a statesman will continue to inspire generations of people and this people is a humble attempt in this direction. It is meant to make Kalam's ideas and motivational thoughts accessible to people in concise and easy way with the hope that his wisdom will continue to ignite the minds of the young and the old alike.

THE RAJIV GANDHI ASSASSINATION

THE INVESTIGATION

Sterling Publishers Pvt. Ltd *Who Killed Rajiv Gandhi? Why? How? An infamous murder. It was 10:20 pm on 21 May. The year was 1991. A woman bowed respectfully. Her arm reached out to touch his feet. Suddenly there was an explosion. The deafening sound, the clouds of smoke, the shattered bodies, the blood and gore. Who put together the pieces? Who saw through the foul play? Follow the trail. Follow the trial. Follow the story to know the truth. This book unfolds the gripping story - at once fascinating and grim - of perhaps the first case of assassination of a world-class leader by a human bomb. There was a general demand for explanation and action. The totally blind case with enormous ramifications needed skilled, dexterous and professional investigation. D. R. Kaarthikeyan was called upon by the Government of India to unravel the mystery. This assassination profoundly influenced political developments in India and altered the course of contemporary history in India and Sri Lanka.*

THE PEARSON GENERAL KNOWLEDGE MANUAL 2010 (NEW EDITION)

Pearson Education India An Updated and Revised Edition of the Most Popular General Knowledge Manual

BHARAT RATNAS

Prabhat Prakashan Bharat Ratna is the highest Civilian Award of India for exemplary service to the nation in various fields viz. social service; art & culture; science & research; sports etc. Bharat Ratna is special identity of those exceptional personalities; who possess extraordinary leadership qualities; who set a goal for their life and who never waived from their goal. They lead from the front; confront the challenges with fortitude; never allowed themselves to be cowed down by adverse circumstances; rather; they mould the circumstances in order to earn name and fame for themselves. The purpose of this book is to acquaint the youth with the personalities and works of such great gems of India who have brought laurels for themselves and our motherland. Readers will realise that it is not enough to fly high in imagination for achievement of goal; rather it needs strict discipline and finest efforts.

HEALTH AND THE MEDIA

ESSAYS ON THE EFFECTS OF MASS COMMUNICATION

McFarland Analyzing the relationship between medicine and the media from different perspectives, these new essays fill a gap in this emerging field, providing new information on approaches to health communication and important reevaluations of health literacy theories. The contributors discuss ideas and methodologies across a range of topics, including multifaceted health communication, media coverage of maternal health, the rhetoric of diagnosis in autoimmune illness, media representation of the sick in data-driven healthcare, and health news coverage in print media.

HIGH SCHOOL ESSAYS

Prabhat Prakashan Essay is basically the act of 'trying out... or an act of attempting to accomplish something. It is also an analytic

or interpretive literary composition. Essays; therefore; essentially reveal the personality of the writer besides giving his/her viewpoints on a specific subject matter. Essays help us express ourselves; our thoughts; our ideas and our perceptions about things we are associated with or about things we are impacted with or wish to have an impact on. Essays not only provide the required space and tool; they also let us leisurely saunter along. Tweeting or emailing cannot achieve this. This answers why we should write essays. We should write because we cannot always speak out minds coherently. There is no fixed length of an essay. It could be written in just about 100 words or even in several thousand words. Generally speaking; essays are not very long. But they need not be too small either. On an average; an essay in one thousand words should be adequate. A range of 1;000 to 1;500 is generally accepted as ideal for competitive exams and that is the length of the majority of the essays in this book.

SWAMI YATISWARANANDA AS WE KNEW HIM - REMINISCENCES OF MONASTIC AND LAY DEVOTEES VOLUME TWO

HISTORICAL DICTIONARY OF THE TAMILS

Scarecrow Press The cultural heritage of the Tamils dates back two thousand years. As a language, Tamil has existed since the pre-Christian era, around the same time as the early classical languages Hebrew and Sanskrit. The first book on Tamil grammar, the *Tolkappiyam*, was written around the fifth century BCE. Today, Tamil cuisine has captured the imagination of the vegetarian world, and Tamil cinema, with its heavy political allegories and opera style music, is popular across the globe. Not confined to their homeland of Tamil Nadu, the Tamils constitute a powerful diaspora in Sri Lanka (where they are fighting for their political rights), Singapore (where Tamil is one of the national languages), and Malaysia. The diaspora extends to places as far flung as the U.K., the U.S., and Australia. Tamil temples and cultural centers can be found everywhere from Pittsburgh to San Francisco and from Texas to Toronto. The *Historical Dictionary of the Tamils* presents a vivid picture of the Tamils' cultural and literary traditions, both the historic past and the vibrant present. This is done through a list of acronyms and abbreviations, a chronology, an introductory essay, a bibliography, black and white photos, maps, and over 500 cross-referenced dictionary entries covering Tamil history from the megalithic age to present day and Tamil personalities, economics, literature, music, politics, and cinema. This one-volume reference is an excellent entry point into a deeper understanding of the cultural milieu of the Tamils.

Three Periodic Tests which include Pen Paper Test and Multiple Assessment is given as a part of internal assessment. Five Model Papers are also provided to prepare the student for the examination.

SRINIVASA RAMANUJAN

LIFE AND WORK OF A NATURAL MATHEMATICAL GENIUS, SWAYAMBHU

Springer Nature This book offers a unique account on the life and works of Srinivasa Ramanujan—often hailed as the greatest “natural” mathematical genius. Sharing valuable insights into the many stages of Ramanujan’s life, this book provides glimpses into his prolific research on highly composite numbers, partitions, continued fractions, mock theta functions, arithmetic, and hypergeometric functions which led the author to discover a new summation theorem. It also includes the list of Ramanujan’s collected papers, letters and other material present at the Wren Library, Trinity College in Cambridge, UK. This book is a valuable resource for all readers interested in Ramanujan’s life, work and indelible contributions to mathematics.

TOWARDS FREEDOM IN PONDICHERRY

SOCIETY, ECONOMY AND POLITICS UNDER FRENCH RULE (1816-1962)

Taylor & Francis Pondicherry had its own history due to its connection with the French. After delving deeply into social, cultural, economic aspects of the Pondicherry society, the study focuses on politics and the freedom movement as it developed there, using sources written in Tamil, English and French. But when the freedom movement gathered steam in British India, Pondicherry and its dependencies were caught between the ideas of joining the French Union, or the Indian Union. Goubert's Socialist Party's strategy had always been to safeguard French India's special identity and interests. He and his party associates and supporters turned against the French offer to hold a referendum on the question of independence and decided to join the Indian Union, because Jawaharlal Nehru provided him a better guarantee to safeguard French Indian and Pondicherry interests. It was rather a very well planned move that took all his political adversaries including the French by surprise. Goubert actually won his battle without bloodshed, by accepting to bear a certain dishonor for that among the French. The French government finally chose to set aside the constitutional provisions of Article 27 of the French Constitution, which stipulated that no cession, or exchange or addition to the territories was valid without the consent of the concerned population. Thus, they disregarded the population of French India deliberately and scuttled out of French India. Earlier, they had given away the loges to India even without consulting the parliament or the people concerned, but now they threw overboard the French constitutional provision to disengage themselves from India permanently, after obtaining some weak guarantees for their cultural presence.

A STUDY ON THE USAGE OF INTERNET BY WORKING WOMEN OF VADODARA CITY FOR PERFORMING THEIR HOUSEHOLD RESPONSIBILITIES

Anchor Academic Publishing *The internet is a system of enormous technical and social complexity. It comprises a gigantic but almost invisible universe that includes thousands of networks, millions of computers, and billions of users around the world. The internet has widened its reach among people by taking them away from just using it for emails and chat rooms to giving them more alternative media tools to use from. It has given power to the masses to speak about their rights, share their views on particular topics or events, and showcase their abilities to the world. It also provides an opportunity to learn an endless amount of different things, viz. different languages, cuisines, arts, crafts, and much more. The internet can be whatever we make of it. We can shape and form it. But most importantly, we can use it to connect people, communities, and countries around the world. In 2014, India was the third-largest online market with more than 198 million internet users, ranked only behind China and the United States and declaring itself as a market not to be ignored on the global stage. Furthermore, men dominated internet usage with 61 percent, while only 39 percent of women used it. The average daily online usage in India amounted 5.1 hours. There are 345 million users in India, counted in January 2016. With the growing needs of humans, it has become a challenge for women to fulfill all their responsibilities and to perform all their roles at the same time. Therefore, their dependency on family members, helpers/maids, friends, neighbors, and the media has increased. Media here includes print (i.e. newspaper, magazine, tabloids), electronic (i.e. television, radio), and new media (i.e. internet and mobile technology). This study evaluates how the internet can help working women to perform their household responsibilities.*

M. S. SUBBULAKSHMI

Sapna Book House (P) Ltd. *Madurai Shanmukhavadiyu Subbulakshmi was the first musician ever to be awarded the Bharat Ratna, India's highest civilian honor. She is the first Indian musician to receive the Ramon Magsaysay award, often considered Asia's Nobel Prize, in 1974 with the citation reading "Exacting purists acknowledge Srimati M. S. Subbulakshmi as the leading exponent of classical and semi-classical songs in the Karnataka tradition of South India."*

RAMANUJAN'S PLACE IN THE WORLD OF MATHEMATICS

ESSAYS PROVIDING A COMPARATIVE STUDY

Springer Nature The First Edition of the book is a collection of articles, all by the author, on the Indian mathematical genius Srinivasa Ramanujan as well as on some of the greatest mathematicians in history whose life and works have things in common with Ramanujan. It presents a unique comparative study of Ramanujan's spectacular discoveries and remarkable life with the monumental contributions of various mathematical luminaries, some of whom, like Ramanujan, overcame great difficulties in life. Also, among the articles are reviews of three important books on Ramanujan's mathematics and life. In addition, some aspects of Ramanujan's contributions, such as his remarkable formulae for the number pi, his path-breaking work in the theory of partitions, and his fundamental observations on quadratic forms, are discussed. Finally, the book describes various current efforts to ensure that the legacy of Ramanujan will be preserved and continue to thrive in the future. This Second Edition is an expanded version of the first with six more articles by the author. Of note is the inclusion of a detailed review of the movie The Man Who Knew Infinity, a description of

the fundamental work of the SASTRA Ramanujan Prize Winners, and an account of the Royal Society Conference to honour Ramanujan's legacy on the centenary of his election as FRS.

Puc Founder (M)

HANDBOOK OF ETHNIC CONFLICT

INTERNATIONAL PERSPECTIVES

Springer Science & Business Media *Although group conflict is hardly new, the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups. It is estimated that two-thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts. Unlike traditional warfare, civilians comprise more than 80 percent of the casualties, and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post-Cold War world. Although these conflicts also have political, economic, and other causes, the purpose of this volume is to develop a psychological understanding of ethnic warfare. More specifically, Handbook of Ethnopolitical Conflict explores the function of ethnic, religious, and national identities in intergroup conflict. In addition, it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide.*
