Dire Needs

A Novel of the Eternal Wolf Clan

Penguin *Feared by humans and envied by werewolves, the Dire Wolves are immortal shifters, obeying no laws but their own bestial natures. Rifter leads the pack, and his primal instincts have led him to claim Gwen, a woman seeking solace from the chronic pain that has wracked her body her entire life. But whatever future Rifter and Gwen have is threatened by an enemy of both humanity and the Dire Wolves...*

Dire Desires

Penguin *Hunting down the monsters that escaped from Purgatory into the human world, Jinx, a Dire wolf without a pack, is distracted from his mission by a fellow Dire on the verge of discovering her powers. Original. 35,000 first printing.*

Vipers Run

Penguin *The Vipers Motorcycle Club has strict rules for their brotherhood and the women who enter it. Now one Viper is about to find out how much trouble one woman can be... Former Army Ranger Christian Cage Owens joined the Vipers Motorcycle Club for its sense of brotherhood. In return, he pledged to live outside the law, protecting club members and their families, as well as keeping other MCs out of Skulls Creek. But when Cage discovers that a rival MC—one Cage has an all too familiar past with—plans to push meth into his town, he calls an old Army buddy*

turned private investigator who's helped the Vipers in the past. By doing so, Cage endangers both his friend and Calla Benson, a woman who works in the PI's office. Now he's made it his mission to track Calla down and do whatever it takes to protect her. Thanks to the phone call with Cage, Calla knows she's formed a deep connection to a dangerous man. She quickly discovers that although he may live by a different set of rules, Cage is an honorable man who wants to be more than her protector—if only she can accept his dangerous lifestyle. But Calla comes to Skulls Creek with her own set of secrets...secrets that threaten to tear her and Cage—and the Vipers MC—apart. As they put their newfound love to the ultimate test, Cage will risk everything he cares about to save her...

Dire Wants

A Novel of the Eternal Wolf Clan

Penguin *The full moon is their mistress. They are predators of pleasure and pain. Feared by humans, envied by werewolves, the Dire wolves are immortal shifters, obeying no laws but their own bestial natures. Once they were many, but now only eight remain, a dangerous wolfpack forever on the hunt... The supernatural world is rising up against the human one. The weretrappers want to control the humans, and only the immortal Dire wolves stand in the way of total destruction. Stray, a Dire, and his long-lost brother, Killian, emerge as the leaders of their pack. To keep themselves and the humans safe, the Dires must find a witch as powerful as the one who has been helping the weretrappers. They find what they are looking for in Kate, a human who survived a horrible car accident that left her back scarred with a handprint no one else is able to see. Stray senses in Kate the powers of a witch and recruits her to help the Dires—all the while knowing that she is so powerful that they will need to kill her once she helps defeat the weretrappers. Stray doesn't expect the powerful connection that he feels with Kate, or his irresistible need to protect her. They cannot hide their feelings for each other, and what once was taboo now seems inevitable...*

New Moon

Little, Brown Books for Young Readers *From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of*

surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Shiver

Scholastic UK *Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever.*

King of Darkness

Sourcebooks, Inc. *ETERNAL COMMITMENT IS NOT ON HER AGENDA... Scorned by the vampire community for her lack of power, Isabel Anthony lives a carefree existence masquerading as human—although drifting through the debauched human nightlife, she prefers the patrons' blood to other indulgences. But when she meets the sexy, arrogant king of the vampires, this party-girl's life turns dark and dangerous. BUT TIME'S RUNNING OUT FOR THE KING OF THE VAMPIRES... Dead-set on finding the prophesied mate who will unlock his fiery powers, Thad Morgan must find his queen before their race is destroyed. Their enemies are gaining ground, and Thad needs his powers to unite his subjects. But when his search leads him to the defiant Isabel, he wonders if fate had gotten it seriously wrong...*

Wicked Highland Wishes

Julie Johnstone *Desire tempted them. Honor forbade them. Love ensnared them. Legendary warrior Lachlan MacLeod has never encountered anything or anyone he could not conquer. But when his younger brother confesses his love for Bridgette MacLean—the only woman Lachlan has ever wanted—Lachlan turns away from the beautiful Scottish lass, vowing to be no more than her friend. Yet his need for Bridgette enslaves him and may well prove to be the one thing he cannot defeat.*

Fiercely independent Bridgette longs to be treated as an equal to the men. She always imagined great battles in her future, not great love. Then Lachlan saw her as no one ever had and captured her heart, awakening new cravings inside her without realizing it. But when Lachlan's younger brother suffers a grave injury while saving her life, she feels unable to deny his plea for her heart. However, it is impossible to give what belongs to another... Torn between their own desire and their loyalties, Bridgette and Lachlan must find the courage to grasp the passion awaiting them and face the pain their choice will cause. Yet even as they confront their future and love finally seems within their grasp, a fight for the Scottish throne divides the Highland clans and Bridgette becomes a pawn in a political game that threatens to tear her and Lachlan apart forever.

Vipers Rule

Penguin *From the New York Times bestselling author of Vipers Run, here is the latest Skulls Creek novel, starring the outlaws of the Vipers Motorcycle Club and the women in need of their protection—and love.... Even though he's no longer a U.S. soldier, Talon "Tals" Garrity hasn't lost his desire for living on the edge. As the enforcer for the Vipers Motorcycle Club, the eternal bad boy is always getting into trouble—especially with the ladies, who can't seem to resist him. But when Maddie Wells returns to Skulls Creek, he's shocked that she can't seem to keep her hands off him either. Good thing Tals doesn't mind playing with fire. Growing up with her family's prestigious name and money, Maddie could never indulge a bad-boy biker like Tals. Now that she's back, she finds herself irresistibly drawn to him. But if Maddie ends up getting what she wants, they might both be sorry. Because some very dangerous men are hot on her trail—and Tals and his MC will have to put their lives on the line to protect her....*

Fragmented

Penguin *From New York Times bestselling author Stephanie Tyler, the Section 8 series continues... WHEN THE RISKS ARE THIS GREAT... When Dr. Drea Timmons was kidnapped during Section 8's last mission, Jem did everything in his power to rescue the woman he'd fallen for—a woman unwillingly recruited for one of S8's most personal and dangerous covert operations. Drea survived, but at a price. The trauma of her capture has rendered her without a single memory of her ordeal—or any recollection of how violently unpredictable her ex-boyfriend, Danny, an Outlaw Angel, had become, or why she had left him. IS TRUST EVEN AN OPTION? When Danny threatens to turn Drea over to the feds, she is forced to go on the run and confront a past that is as deadly as her future. As trouble closes in on both ends, Drea has no choice but to trust Jem, the only man who can help her, the only man whose electrifying touch brings back memories—piece by piece—too stirring to forget.*

Dire Desires

A Novel of the Eternal Wolf Clan

Penguin *Feared by humans, envied by werewolves, the Dire wolves are immortal shifters, obeying no laws but their own bestial natures. Once they were many, but now only a few remain, a dangerous wolfpack forever on the hunt... Jinx is a Dire wolf without a pack. Kicked out of the house by his king, and living with a vampire named Jez, Jinx has been trying to undo the damage he'd unintentionally caused during the reign of the Dire ghost army, which unleashed some of Purgatory's worst monsters on the world at large. But when he hears that an unshifted Were is being held in a psychiatric hospital, he immediately drops everything to help her. Gillian Black has no idea what's happening to her—and Jinx discovers that she's not just any Were, but a Dire wolf from the original Greenland pack. He helps her escape and promises to keep her safe from the men—and wolves—who are hunting her, and teach her everything about being a wolf. He must also fight his feelings, wanting to claim her as his mate...at least until after he defeats the supernatural enemies that threaten all of them.*

Hard to Hold

Dell *THE SPECIAL OPS HERO FEARED NOTHING— UNTIL HE MET A WOMAN TOO HOT TO HOLD.... Lieutenant Jake Hansen has survived some of the riskiest missions known to man. But now the wounded Navy SEAL faces his toughest job yet: smuggling Dr. Isabelle Markham out of Africa without triggering an international incident. Not easy to do when the gorgeous hostage happens to be a senator's daughter—and about as easy to resist as an oasis in the desert. If it weren't for Jake, Isabelle would still be halfway across the world, where rebel forces left her for dead. The special ops warrior may have saved her life, but she doesn't need him to protect her now. Tell that to the ruggedly handsome hunk in full battle fatigues who's just been assigned as Isabelle's personal bodyguard. Close quarters aside, Isabelle won't let Jake anywhere near her heart—until danger throws them together again. And nothing in the jungles of wildest Africa could prepare them for a passion this wild. This crazy. This hot...*

Chase the Darkness

Penguin *The author of Wolf's Fall returns with her "hot and to die for"* Alpha Pack—a top-secret band of Navy SEALs with Psy powers and shifter prowess whose dangerous missions sometimes require a more intimate call to duty... Believed dead by his Pack mates, Micah Chase, a wolf shifter and Dreamwalker, was held captive for months, subject to tortures that left him physically scarred and emotionally unsettled. Now under the care of the Alpha Pack's doctors, he's been prescribed an experimental healing drug, but he still can't shake the nightmares. Even more damning is that Micah's problems pose a danger to his team, and if he doesn't get himself under control, they'll all suffer a terrible fate. There is a key to his salvation. Jacee is a beautiful coyote shifter, and though her kind is hated, she's falling in love with a man whose very future is in her hands. Together they'll face his personal demons as well as a deadly enemy—and for both of them desire has never come with such risk. *Dark Faerie Tales*

Blue Willow

Bell Bridge Books *Two very different families. One love story. There had always been MacKenzies and Colebrooks on the land known as Blue Willow, their histories entangled like the graceful branches of the rare willow trees that thrived there. Artemas Colebrook and Lily MacKenzie shared more than that history, their souls bound to each other and to the land the day the boy held tiny Lily minutes after her birth. But the tragedy that has brought Lily back to the small farm where she spent her childhood has also made Artemas's brothers and sisters her bitter enemies. Torn between family loyalties and their shared sense of destiny, Artemas and Lily must come to terms with a childhood devotion that has turned to bittersweet desire, a passion that could destroy all they have struggled for - even Blue Willow itself.*

Cole's Redemption: Alpha Pack Book 5

Hachette UK *Fans of J. R. Ward, Nalini Singh, Kresley Cole and Gena Showalter, meet the Alpha Pack. Once, they were Navy SEALs. Now, they are a top secret team of wolf shifters with Psy powers who take on the darkest dangers on Earth. Intensely passionate and utterly thrilling, J. D. Tyler's Alpha Pack are unforgettable. When a battle leaves healer and black wolf shifter Zander Cole deaf and his powers dimmed, he is devastated and sees only one option: leave the Pack for ever. White wolf shifter Selene Westfall knows pain - and she lives to exact revenge. So when she is challenged by a savage black wolf, she puts up a vicious fight - only to become his Bondmate as a result of his bite. Forced together through their unlikely, turbulent bond, a love neither expected may be all that stands between these two damaged souls and a killer trying desperately to keep the past dead and buried... Don't miss the other sexy and exciting Alpha Pack adventures in Primal Law, Savage Awakening, Black Moon and Hunter's Heart. And be sure not to miss J. D. Tyler's romantic suspense alter-ego Jo Davis, and her thrilling, scorching-hot Sugarland Blue series.*

The Darkest Part of the Forest

Little, Brown Books for Young Readers *A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake. Until one day, he does.... As the*

world turns upside down, Hazel has to become the knight she once pretended to be. The Darkest Part of the Forest is bestselling author Holly Black's triumphant return to the opulent, enchanting faerie tales that launched her YA career.

Writing Beyond Pen and Parchment

Inscribed Objects in Medieval

European Literature

Walter de Gruyter GmbH & Co KG *What can stories of magical engraved rings or prophetic inscriptions on walls tell us about how writing was perceived before print transformed the world? Writing beyond Pen and Parchment introduces readers to a Middle Ages where writing is not confined to manuscripts but is inscribed in the broader material world, in textiles and tombs, on weapons or human skin. Drawing on the work done at the Collaborative Research Centre "Material Text Cultures," (SFB 933) this volume presents a comparative overview of how and where text-bearing artefacts appear in medieval German, Old Norse, British, French, Italian and Iberian literary traditions, and also traces the paths inscribed objects chart across multiple linguistic and cultural traditions. The volume's focus on the raw materials and practices that shaped artefacts both mundane or fantastical in medieval narratives offers a fresh perspective on the medieval world that takes seriously the vibrancy of matter as a vital aspect of textual culture often overlooked.*

Ethics in Psychology and the Mental Health Professions

Standards and Cases

Oxford University Press *Most mental health professionals and behavioral scientists enter the field with a strong desire to help others, but clinical practice and research endeavors often involve decision-making in the context of ethical ambiguity. Good intentions are important, but unfortunately, they do not always protect the practitioner and client from breaches in ethical conduct. Academics, researchers, and students also face a range of ethical challenges from the classroom to the laboratory. Now in a new expanded edition, Ethics in Psychology and the Mental Health Professions, the most widely read and cited ethics textbook in psychology, has emerged with a broadened scope extending across the mental health and behavioral science fields. The revised volume considers many of the ethical questions and dilemmas that mental health professionals encounter in their everyday practice, research, and teaching. The book has been completely updated and is now also relevant for counselors, marriage and family therapists, social workers, and psychiatrists, and includes the ethics codes of those groups as appendices. Providing both a critical assessment and elucidation of key topics in the APA's guidelines, this comprehensive volume takes a practical approach to ethics and offers constructive means for both preventing problems, recognizing, approaching, and resolving ethical predicaments. Written in a highly readable and accessible style, this new edition retains the key features which have contributed to its popularity, including hundreds of case studies that provide illustrative guidance on a wide variety of topics, including fee setting, advertising for clients, research ethics, sexual attraction, how to confront observed unethical conduct in others, and confidentiality, among others. Ethics in Psychology and the Mental Health Professions will be important reading for practitioners and students-in training. A Shadow in the Ember

Blue Box Press #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and

cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

The Biological Mind

How Brain, Body, and Environment Collaborate to Make Us Who We Are

Basic Books *A pioneering neuroscientist argues that we are more than our brains. To many, the brain is the seat of personal identity and autonomy. But the way we talk about the brain is often rooted more in mystical conceptions of the soul than in scientific fact. This blinds us to the physical realities of mental function. We ignore bodily influences on our psychology, from chemicals in the blood to bacteria in the gut, and overlook the ways that the environment affects our behavior, via factors varying from subconscious sights and sounds to the weather. As a result, we alternately overestimate our capacity for free will or equate brains to inorganic machines like computers. But a brain is neither a soul nor an electrical network: it is a bodily organ, and it cannot be separated from its surroundings. Our selves aren't just inside our heads—they're spread throughout our bodies and beyond. Only once we come to terms with this can we grasp the true nature of our humanity.*

Ramses the Damned: The Reign of Osiris

Anchor *The gilded adventures of Ramses the Damned, iconic creation of the legendary bestselling author, continue in this breathtakingly suspenseful tale of a titanic supernatural power unleashed on the eve of war. A pharaoh made immortal by a mysterious and powerful elixir, Ramses the Great became counselor and lover to some of Egypt's greatest and most powerful rulers before he was awakened from centuries of slumber to the mystifying and dazzling world of Edwardian England. Having vanquished foes both human and supernatural, he's found love with the beautiful heiress Julie Stratford, daughter of Lawrence Stratford, the slain archeologist who discovered his tomb. Now, with the outbreak of a world war looming, Ramses and those immortals brought forth from the mists of history by his resurrection will face their greatest test yet. Russian assassins bearing weapons of immense power have assembled under one command: all those who loved Lawrence Stratford must die. From the glowing jewels at their necks comes an incredible supernatural force: the power to bring statues to life. As Ramses and his allies, including the immortal queens Cleopatra and Bektaten, gather together to battle these threats, Ramses reveals that the great weapon may have roots in an ancient Egyptian ritual designed to render pharaohs humble before Osiris, the god of the underworld. The resulting journey will take them across storm-tossed seas and into the forests of northern Russia, where they will confront a terrifying collision of*

tortured political ambitions and religious fervor held in thrall to a Godlike power. But the true answers they seek will lie beyond the border between life and death, within realms that defy the imagination of even an immortal such as Ramses the Great. In Ramses the Damned: The Reign of Osiris, Anne Rice, revered and beloved storyteller ("queen of gothic lit, the maestro of the monstrous and the diva of the devious" --The Philadelphia Inquirer), in collaboration with her son, acclaimed bestselling novelist Christopher Rice ("a magician; a master" --Peter Straub), bring us another thrilling, seductive tale of high adventure, romance, history, and suspense. One Night's Mystery

A Novel

"B" is for Burglar

A Kinsey Millhone Mystery

Holt Paperbacks *B is for Burglar*, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. After the Digital Tornado

Networks, Algorithms, Humanity

Cambridge University Press *Networks powered by algorithms are pervasive. Major contemporary technology trends—Internet of Things, Big Data, Digital Platform Power, Blockchain, and the Algorithmic Society—are manifestations of this phenomenon. The internet, which once seemed an unambiguous benefit to society, is now the basis for invasions of privacy, massive concentrations of power, and wide-scale manipulation. The algorithmic networked world poses deep questions about power, freedom, fairness, and human agency. The influential 1997 Federal Communications Commission whitepaper “Digital Tornado” hailed the “endless spiral of connectivity” that would transform society, and today, little remains untouched by digital connectivity. Yet fundamental questions remain unresolved, and even more serious challenges have emerged. This important collection, which offers a reckoning and a foretelling, features leading technology scholars who explain the legal, business, ethical, technical, and public policy challenges of building pervasive networks and algorithms for the benefit of humanity. This title is also available as Open Access on Cambridge Core.*
