Aircraft Dispatcher Book of Knowledge Independently Published The Aircraft Dispatcher Exam is equivalent to the Air Transport Pilot oral exam. Aircraft Dispatchers must execute and approve flight plans, route and altitude selection, and fuel load, all in compliance with FAA regulations. The format of questions and answers used in any Aircraft Dispatcher Guide or book is not sufficient to understand the extensive comprehensive material at hand and will not achieve the need to know in this profession. You cannot successfully answer questions without having full comprehension and knowledge. Unlike other books that only provide question and answer formats, this guide goes beyond the basic preparation which is necessary for passing the required exams. This book delivers to Aircraft Dispatchers a better understanding of the dispatcher's role. The information is up-to-date and brings you the latest and greatest available study materials, which are parts of an actual FAA oral exam. Route planning, regulations, and aviation weather are all part of the dispatcher's responsibilities and authorities and are covered in comprehensive detail.
