Truth, Growth, Repeat. A Business Manual for Generation Why [John Wiley & Sons](#) The plain English guide to growing your business with purpose. Avoiding corporate jargon and overly-academic theorising in favor of a commonsense analysis of modern business behaviour, *Truth, Growth, Repeat* is like a user manual for company growth in a new world of commercial transparency. By mapping the way business works today at a very honest and human level, this street-smart book is a must-read for any business owner who wants to achieve growth and success without compromising their personal values. The book introduces *The Circle of True Purpose*, a virtuous sequence of knock-on effects that proves that enduring commercial growth is the result when a business owner's authentic motive is placed at the core of everything the business does. Author and brand expert Mike Edmonds explains the correct sequence to follow to acquire both financial return and personal fulfilment, and why going the other way leads to a never-ending cycle of inconsistent sales and consumer distrust. To illustrate these two key paths in life, the book contains many stories of actual businesses who've experienced these effects. This practical guide takes business owners through a series of exercises to help surface their own True Purpose and implement it in their sector of industry. Get tips on growing your business authentically from an expert in translating complex theory into usable advice Find out why truth is not only an admirable moral quality but is increasingly the key to lasting business success Discover ways to surface your True Purpose and learn the actual steps you can take to implement them in our always-on, super-connected world Bust the corporate myths that might be holding you back and obtain simple, usable tools that will help your higher ideal deliver higher returns If you feel there's a powerful truth inside your business that the world isn't seeing, *Truth, Growth, Repeat* could be the most important book you ever read.

Live Well on Less Than You Think [The New York Times](#) **Guide to Achieving Your Financial Freedom** [Macmillan](#) A smart, down-to-earth primer on financial survival-and prosperity-in today's uncertain economy, from the author of the bestselling *Retire on Less Than You Think* With *Retire on Less Than You Think*, New York Times business columnist and editor Fred Brock challenged the conventional wisdom on the real costs of retirement. Now he turns his attention to the hype that is driving money decisions during the working years-credit card debt, health care costs, stagnant wages-and shows how it is possible for all of us to build a secure and prosperous household on less than we think. Brock offers his distinctive brand of savvy, real-world advice, including how to - assess the real money value of your job based on commuting costs, benefits, and job market opportunities - get the most out of location, from tax savings and living costs - minimize your housing costs while maximizing your assets - manage major expenses, like college tuition and cars - cut expensive habits and pay attention to the “little” things to boost your savings - get to the bottom line on insurance - play the credit card game to your advantage Brock shows readers how to analyze their true costs of living so that they can live debt- and worry-free while enjoying themselves and securing their future. A substantial list of national, regional, and online resources as well as work sheets once again give readers the tools to customize and realize their financial plans.
