#### EXAMINED LIVES

---

---

#### FROM SOCRATES TO NIETZSCHE

---

*Farrar, Straus and Giroux* A New York Times Notable Book for 2011 We all want to know how to live. But before the good life was reduced to ten easy steps or a prescription from the doctor, philosophers offered arresting answers to the most fundamental questions about who we are and what makes for a life worth living. In Examined Lives, James Miller returns to this vibrant tradition with short, lively biographies of twelve famous philosophers. Socrates spent his life examining himself and the assumptions of others. His most famous student, Plato, risked his reputation to tutor a tyrant. Diogenes carried a bright lamp in broad daylight and announced he was "looking for a man." Aristotle's alliance with Alexander the Great presaged Seneca's complex role in the court of the Roman Emperor Nero. Augustine discovered God within himself. Montaigne and Descartes struggled to explore their deepest convictions in eras of murderous religious warfare. Rousseau aspired to a life of perfect virtue. Kant elaborated a new ideal of autonomy. Emerson successfully preached a gospel of self-reliance for the new American nation. And Nietzsche tried "to compose into one and bring together what is fragment and riddle and dreadful chance in man," before he lapsed into catatonic madness. With a flair for paradox and rich anecdote, Examined Lives is a book that confirms the continuing relevance of philosophy today—and explores the most urgent questions about what it means to live a good life.

#### SOCRATES

---

---

#### A MAN FOR OUR TIMES

---

*Penguin* "Spectacular . . . A delight to read." —The Wall Street Journal From bestselling biographer and historian Paul Johnson, a brilliant portrait of Socrates, the founding father of philosophy In his highly acclaimed style, historian Paul Johnson masterfully disentangles centuries of scarce sources to offer a riveting account of Socrates, who is often hailed as the most important thinker of all time. Johnson provides a compelling picture of Athens in the fifth century BCE, and of the people Socrates reciprocally delighted in, as well as many enlightening and intimate analyses of specific aspects of his personality. Enchantingly portraying "the sheer power of Socrates's mind, and its unique combination of steel, subtlety, and frivolity," Paul Johnson captures the vast and intriguing life of a man who did nothing less than supply the basic apparatus of the human mind.

#### THE SOCRATES EXPRESS

---

---

#### IN SEARCH OF LIFE LESSONS FROM DEAD PHILOSOPHERS

---

*Simon and Schuster* The New York Times bestselling author of *The Geography of Bliss* embarks on a rollicking intellectual journey, following in the footsteps of history's greatest thinkers and showing us how each—from Epicurus to Gandhi, Thoreau to Beauvoir—offers practical and spiritual lessons for today's unsettled times. We turn to philosophy for the same reasons we travel: to see the world from a different perspective, to unearth hidden beauty, and to find new ways of being. We want to learn how to embrace wonder. Face regrets. Sustain hope. Eric Weiner combines his twin passions for philosophy and travel in a globe-trotting pilgrimage that uncovers surprising life lessons from great thinkers around the world, from Rousseau to Nietzsche, Confucius to Simone Weil. Traveling by train (the most thoughtful mode of transport), he journeys thousands of miles, making stops in Athens, Delhi, Wyoming, Coney Island, Frankfurt, and points in between to reconnect with philosophy's original purpose: teaching us how to lead wiser, more meaningful lives. From Socrates and ancient Athens to Beauvoir and 20th-century Paris, Weiner's chosen philosophers and places provide important practical and spiritual lessons as we navigate today's chaotic times. In a "delightful" odyssey that "will take you places intellectually and humorously" (*San Francisco Book Review*), Weiner invites us to voyage alongside him on his life-changing pursuit of wisdom and discovery as he attempts to find answers to our most vital questions. The Socrates Express is "full of valuable lessons...a fun, sharp book that draws readers in with its apparent simplicity and bubble-gum philosophy approach and gradually pulls them in deeper and deeper" (NPR).

---

#### TWILIGHT OF THE IDOLS

---

*Courier Dover Publications* "Twilight of the Idols means that the old truth is on its last legs," declared Friedrich Nietzsche in this 1889 polemic. Forceful in his language and profound in his message, the philosopher delivered the nineteenth century's most devastating attack on Christianity. Intended by Nietzsche as a general introduction to his philosophy, it assails the "idols" of Western philosophy and culture, including the concepts of Socratic rationality and Christian morality. Written while Nietzsche was at the peak of his powers, less than a year before the onset of the insanity that gripped him until his death in 1900, this work's proximity to the end of the author's career renders it a distinctive portrait from his later period. The source of the famous dictum, "Whatever does not kill me makes me stronger," it blazes with provocative, inflammatory rhetoric that challenges readers to reexamine what they worship and why.

---

#### CAN DEMOCRACY WORK?

---

---

#### A SHORT HISTORY OF A RADICAL IDEA, FROM ANCIENT ATHENS TO OUR WORLD

---

*Farrar, Straus and Giroux* A new history of the world's most embattled idea Today, democracy is the world's only broadly accepted political system, and yet it has become synonymous with disappointment and crisis. How did it come to this? In *Can Democracy Work?* James Miller, the author of the classic history of 1960s protest *Democracy Is in the Streets*, offers a lively, surprising, and urgent history of the democratic idea from its first stirrings to the present. As he shows, democracy has always been rife with inner tensions. The ancient Greeks preferred to choose leaders by lottery and regarded elections as inherently corrupt and undemocratic. The French revolutionaries sought to incarnate the popular will, but many of them came to see the people as the enemy. And in the United States, the franchise would be extended to some even as it was taken from others. Amid the wars and revolutions of the twentieth century, communists, liberals, and nationalists all sought to claim the ideals of democracy for themselves—even as they manifestly failed to realize them. Ranging from the theaters of Athens to the tents of Occupy Wall Street, *Can Democracy Work?* is an entertaining and insightful guide to our most cherished—and vexed—ideal.

---

#### THE ART OF LIVING

---

---

#### SOCRATIC REFLECTIONS FROM PLATO TO FOUCAULT

---

*Univ of California Press* In this wide-ranging, brilliantly written account, Nehamas provides an incisive reevaluation of Socrates' place in the Western philosophical tradition and shows the importance of Socrates for Montaigne, Nietzsche, and Foucault.

---

#### SEINFELD AND PHILOSOPHY

---

---

#### A BOOK ABOUT EVERYTHING AND NOTHING

---

*ReadHowYouWant.com* How is Jerry like Socrates? Is it rational for George to "do the opposite?" Would Simone de Beauvoir say that Elaine is a feminist? Is Kramer stuck in Kierkegaard's aesthetic stage? *Seinfeld and Philosophy* is both an enlightening look at the most popular sitcom of the decade and an entertaining introduction to philosophy via *Seinfeld's* plots and characters. These fourteen essays, which explore the ideas of Plato, Aristotle, Lao-Tzu, Heidegger, Kant, Marx, Kierkegaard, Nietzsche, Sartre, and Wittgenstein, will show readers how to be masters of their philosophical domain.

---

#### HOW TO LIVE

---

---

#### OR A LIFE OF MONTAIGNE IN ONE QUESTION AND TWENTY ATTEMPTS AT AN ANSWER

---

*Other Press, LLC* Winner of the 2010 National Book Critics Circle Award for Biography How to get along with people, how to deal with violence, how to adjust to losing someone you love—such questions arise in most people's lives. They are all versions of a bigger question: how do you live? How do you do the good or honorable thing, while flourishing and feeling happy? This question obsessed Renaissance writers, none more than Michel Eyquem de Montaigne, perhaps the first truly modern individual. A nobleman, public official and wine-grower, he wrote free-roaming explorations of his thought and experience, unlike anything written before. He called them "essays," meaning "attempts" or "tries." Into them, he put whatever was in his head: his tastes in wine and food, his childhood memories, the way his dog's ears twitched when it was dreaming, as well as the appalling events of the religious civil wars raging around him. *The Essays* was an instant bestseller and, over four hundred years later, Montaigne's honesty and charm still draw people to him. Readers come in search of companionship, wisdom and entertainment—and in search of themselves. This book, a spirited and singular biography,

relates the story of his life by way of the questions he posed and the answers he explored. It traces his bizarre upbringing, youthful career and sexual adventures, his travels, and his friendships with the scholar and poet Étienne de La Boétie and with his adopted “daughter,” Marie de Gournay. And we also meet his readers—who for centuries have found in Montaigne an inexhaustible source of answers to the haunting question, “how to live?”

---

### LIFE EXAMINED: FOUNDATIONAL THEMES IN ETHICAL AND SOCIO-POLITICAL THOUGHT

---

*Broadview Press* Life Examined is an anthology of carefully edited readings designed to serve as an introduction to many of the fundamental concepts of ethical and socio-political thought. It includes primary sources from a variety of traditions, with selections that range chronologically from ancient times through to the present day. These readings have been thoughtfully selected, edited, and contextualized to provide students with opportunities to sharpen their capacities for critical and theoretical reflection. The book begins with three key texts that frame the historical discourse. Subsequent chapters are organized around ethical themes and theoretical questions that have animated debates throughout the ages, including the nature of practical rationality, scientific reasoning, wisdom, the law, equality, power, violence, and identity.

---

### BASIC WRITINGS OF NIETZSCHE

---

*Modern Library* Introduction by Peter Gay Translated and edited by Walter Kaufmann Commentary by Martin Heidegger, Albert Camus, and Gilles Deleuze One hundred years after his death, Friedrich Nietzsche remains the most influential philosopher of the modern era. Basic Writings of Nietzsche gathers the complete texts of five of Nietzsche’s most important works, from his first book to his last: The Birth of Tragedy, Beyond Good and Evil, On the Genealogy of Morals, The Case of Wagner, and Ecce Homo. Edited and translated by the great Nietzsche scholar Walter Kaufmann, this volume also features seventy-five aphorisms, selections from Nietzsche’s correspondence, and variants from drafts for Ecce Homo. It is a definitive guide to the full range of Nietzsche’s thought. Includes a Modern Library Reading Group Guide

### HOW TO LIVE A GOOD LIFE

---

---

### A GUIDE TO CHOOSING YOUR PERSONAL PHILOSOPHY

---

*Vintage* A collection of essays by fifteen philosophers presenting a thoughtful, introductory guide to choosing a philosophy for living an examined and meaningful life. Socrates famously said “the unexamined life is not worth living,” but what does it mean to truly live philosophically? This thought-provoking, wide-ranging collection brings together essays by fifteen leading philosophers reflecting on what it means to live according to a philosophy of life. From Eastern philosophies (Daoism, Confucianism, and Buddhism) and classical Western philosophies (such as Aristotelianism and Stoicism), to the four major religions, as well as contemporary philosophies (such as existentialism and effective altruism), each contributor offers a lively, personal account of how they find meaning in the practice of their chosen philosophical tradition. Together, the pieces in How to Live a Good Life provide not only a beginner’s guide to choosing a life philosophy but also a timely portrait of what it means to live an examined life in the twenty-first century. A VINTAGE ORIGINAL

---

### THE PHILOSOPHY BOOK

---

---

### BIG IDEAS SIMPLY EXPLAINED

---

*Penguin* What existed before the Universe was created? Where does self-worth come from? Do the ends always justify the means? The Philosophy Book answers the most profound questions we all have. It is your visual guide to the fundamental nature of existence, society, and how we think. Discover what it means to be free, whether science can predict the future, or how language shapes our thoughts. Learn about the world’s greatest philosophers, from Plato and Confucius to modern thinkers such as Chomsky and Derrida and follow charts and timelines that graphically show the progression of ideas and logic. Written in plain English, with concise explanations of branches of philosophy such as metaphysics and ethics, it untangles complicated theories and makes sense of abstract concepts. It is an ideal reference whether you’re a student or a general reader, with simple explanations of big ideas, including the four noble truths, the soul, class struggle, moral purpose, and good and evil. If you’re curious about the deeper questions in life, The Philosophy Book is both an invaluable reference and illuminating read.

### THE LIFE OF FRIEDRICH NIETZSCHE

---

---

### THE STORY OF PHILOSOPHY

---

---

### BREAKFAST WITH SOCRATES

---

---

### THE PHILOSOPHY OF EVERYDAY LIFE

---

*Profile Books* What does it mean to be awake? What exactly is therapeutic about retail therapy? And what are you really working on when you’re at your desk, in the gym, or having dinner? From getting ready in the morning, through heading to work, going to a party, having sex and falling back to sleep, Breakfast with Socrates provides an hour-by-hour commentary on what history’s greatest philosophers have said about the meaning behind everything we do. A fascinating exploration of our daily lives, Breakfast with Socrates also draws on literature, art, politics and psychology to offer an informal introduction to the history of ideas that will help anyone to think more healthily. Breakfast will never be the same again...

---

### THE NIETZSCHEAN MIND

---

*Routledge* Friedrich Nietzsche (1844-1900) is widely acknowledged as one of the greatest thinkers of the nineteenth century. His work continues to have a significant influence on philosophy, cultural criticism and modern intellectual history. The Nietzschean Mind seeks to provide a comprehensive survey of his work, not only placing it in its historical context but also exploring its contemporary significance. Comprising twenty-eight chapters by a team of international contributors, the volume is divided into seven parts: • Major works • Philosophical psychology and agency • The self • Value • Culture, society and politics • Metaphysics and epistemology • The affirmation of life This handbook includes coverage of all major aspects of Nietzsche’s thought, including his discussions of value, culture, society, the self, agency, action, philosophical psychology, epistemology and metaphysics; explorations of the philosophical and scientific influences upon Nietzsche’s thought; and discussion of Nietzsche’s major works. Essential reading for students and researchers in philosophy, Nietzsche’s work is central to ethics, moral psychology and political philosophy.

---

### RESCUING SOCRATES

---

---

### HOW THE GREAT BOOKS CHANGED MY LIFE AND WHY THEY MATTER FOR A NEW GENERATION

---

*Princeton University Press* A Dominican-born academic tells the story of how the Great Books transformed his life—and why they have the power to speak to people of all backgrounds What is the value of a liberal education? Traditionally characterized by a rigorous engagement with the classics of Western thought and literature, this approach to education is all but extinct in American universities, replaced by flexible distribution requirements and ever-narrower academic specialization. Many academics attack the very idea of a Western canon as chauvinistic, while the general public increasingly doubts the value of the humanities. In Rescuing Socrates, Dominican-born American academic Roosevelt Montás tells the story of how a liberal education transformed his life, and offers an intimate account of the relevance of the Great Books today, especially to members of historically marginalized communities. Montás emigrated from the Dominican Republic to Queens, New York, when he was twelve and encountered the Western classics as an undergraduate in Columbia University’s renowned Core Curriculum, one of America’s last remaining Great Books programs. The experience changed his life and determined his career—he went on to earn a PhD in English and comparative literature, serve as director of Columbia’s Center for the Core Curriculum, and start a Great Books program for low-income high school students who aspire to be the first in their families to attend college. Weaving together memoir and literary reflection, Rescuing Socrates describes how four authors—Plato, Augustine, Freud, and Gandhi—had a profound impact on Montás’s life. In doing so, the book drives home what it’s like to experience a liberal education—and why it can still remake lives.

---

### SOCRATES CAFE: A FRESH TASTE OF PHILOSOPHY

---

*W. W. Norton & Company* “A bracing, rollicking read about the spark that ignites when people start asking meaningful questions.” —O Magazine Christopher Phillips is a man on a mission: to revive the love of questions that Socrates inspired long ago in ancient Athens. “Like a Johnny Appleseed with a master’s degree, Phillips has gallivanted back and forth across America, to cafés and coffee shops, senior centers, assisted-living complexes, prisons, libraries, day-care centers, elementary and high schools, and churches, forming lasting communities of inquiry” (Utne Reader). Phillips not only presents the fundamentals of philosophical thought in this “charming, Philosophy for Dummies-type guide” (USA Today); he also recalls what led him to start his itinerant program and re-creates some of the most invigorating sessions, which come to reveal sometimes surprising, often profound reflections on the meaning of love, friendship, work, growing old, and others among Life’s Big Questions. “How to Start Your Own Socrates Café” guide included.

---

### THE PRE-PLATONIC PHILOSOPHERS

---

*University of Illinois Press* This first-time translation into English of key writings by Nietzsche, opens up new vistas on the evolution of his thinking and will prove to be invaluable to anyone studying his philosophy.

---

### NIETZSCHE: DAYBREAK

---

---

### THOUGHTS ON THE PREJUDICES OF MORALITY

---

*Cambridge University Press* A new edition of this important work of Nietzsche’s ‘mature’ philosophy.

---

### THE JOYFUL WISDOM

---

*Ozzyandias Press* The Joyful Wisdom, written in 1882, just before “Zarathustra,” is rightly judged to be one of Nietzsche’s best books. Here the essentially grave and masculine face of the poet-philosopher is seen to light up and suddenly break into a delightful smile. The warmth and kindness that beam from his features will astonish those hasty psychologists who have never divined that behind the

destroyer is the creator, and behind the blasphemer the lover of life. In the retrospective valuation of his work which appears in "Ecce Homo" the author himself observes with truth that the fourth book, "Sanctus Januarius," deserves especial attention: "The whole book is a gift from the Saint, and the introductory verses express my gratitude for the most wonderful month of January that I have ever spent."

---

### THE CONSOLATIONS OF PHILOSOPHY

---

*Vintage* From the author of *How Proust Can Change Your Life*, a delightful, truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems. Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time. But uncover he does, and the result is an unexpected book of both solace and humor. Dividing his work into six sections -- each highlighting a different psychic ailment and the appropriate philosopher -- de Botton offers consolation for unpopularity from Socrates, for not having enough money from Epicurus, for frustration from Seneca, for inadequacy from Montaigne, and for a broken heart from Schopenhauer (the darkest of thinkers and yet, paradoxically, the most cheering). Consolation for envy -- and, of course, the final word on consolation -- comes from Nietzsche: "Not everything which makes us feel better is good for us." This wonderfully engaging book will, however, make us feel better in a good way, with equal measures of wit and wisdom.

---

### A LITTLE HISTORY OF PHILOSOPHY

---

*Yale University Press* Philosophy begins with questions about the nature of reality and how we should live. These were the concerns of Socrates, who spent his days in the ancient Athenian marketplace asking awkward questions, disconcerting the people he met by showing them how little they genuinely understood. This engaging book introduces the great thinkers in Western philosophy and explores their most compelling ideas about the world and how best to live in it. In forty brief chapters, Nigel Warburton guides us on a chronological tour of the major ideas in the history of philosophy. He provides interesting and often quirky stories of the lives and deaths of thought-provoking philosophers from Socrates, who chose to die by hemlock poisoning rather than live on without the freedom to think for himself, to Peter Singer, who asks the disquieting philosophical and ethical questions that haunt our own times. Warburton not only makes philosophy accessible, he offers inspiration to think, argue, reason, and ask in the tradition of Socrates. *A Little History of Philosophy* presents the grand sweep of humanity's search for philosophical understanding and invites all to join in the discussion.

---

### SOCRATES ON FRIENDSHIP AND COMMUNITY

---

---

#### REFLECTIONS ON PLATO'S SYMPOSIUM, PHAEDRUS, AND LYSIS

---

*Cambridge University Press* In *Socrates on Friendship and Community*, Mary P. Nichols addresses Kierkegaard's and Nietzsche's criticism of Socrates and recovers the place of friendship and community in Socratic philosophizing. This approach stands in contrast to the modern philosophical tradition, in which Plato's Socrates has been viewed as an alienating influence on Western thought and life. Nichols' rich analysis of both dramatic details and philosophic themes in Plato's *Symposium*, *Phaedrus*, and *Lysis* shows how love finds its fulfillment in the reciprocal relation of friends. Nichols also shows how friends experience another as their own and themselves as belonging to another. Their experience, she argues, both sheds light on the nature of philosophy and serves as a standard for a political life that does justice to human freedom and community.

---

### HOUSE AND PHILOSOPHY

---

---

#### EVERYBODY LIES

---

*John Wiley & Sons* HOUSE AND PHILOSOPHY Is being nice overrated? Are we really just selfish, base animals crawling across Earth in a meaningless existence? Would reading less and watching more television be good for you? Is House a master of Eastern philosophy or just plain rude? Dr. Gregory House is arguably the most complex and challenging antihero in the history of television, but is there more to this self-important genius than gray matter and ego? This book takes a deeper look at House to reveal the philosophical underpinnings of this popular medical drama and its cane-waving curmudgeon's most outrageous behavior. What emerges is a remarkable character who is part Sherlock Holmes, part Socratic philosopher, part Nietzschean superman, part Taoist rhetorician, and not at all as screwed up as you might think. With everything from Aristotle to Zen, House and Philosophy takes an engaging look at everyone's favorite misanthropic genius and his team at Princeton-Plainsboro Hospital. To learn more about the Blackwell Philosophy and Pop Culture series, visit [www.andphilosophy.com](http://www.andphilosophy.com)

---

#### WHAT IS ANCIENT PHILOSOPHY?

---

*Harvard University Press* Hadot shows how the schools, trends, and ideas of ancient Greek and Roman philosophy strove to transform the individual's mode of perceiving and being in the world. For the ancients, philosophical theory and the philosophical way of life were inseparably linked. Hadot asks us to consider whether and how this connection might be reestablished today.

---

#### DESCENT OF SOCRATES

---

---

#### SELF-KNOWLEDGE AND CRYPTIC NATURE IN THE PLATONIC DIALOGUES

---

*Indiana University Press* Since the appearance of Plato's Dialogues, philosophers have been preoccupied with the identity of Socrates and have maintained that successful interpretation of the work hinges upon a clear understanding of what thoughts and ideas can be attributed to him. In *Descent of Socrates*, Peter Warnek offers a new interpretation of Plato by considering the appearance of Socrates within Plato's work as a philosophical question. Warnek reads the Dialogues as an inquiry into the nature of Socrates and in doing so opens up the relationship between humankind and the natural world. Here, Socrates appears as a demonic and tragic figure whose obsession with the task of self-knowledge transforms the history of philosophy. In this uncompromising work, Warnek reveals the importance of the concept of nature in the Platonic Dialogues in light of Socratic practice and the Ancient ideas that inspire contemporary philosophy.

---

### THE PHILOSOPHY OF FRIEDRICH NIETZSCHE

---

---

#### THE PHILOSOPHER'S TOOLKIT

---

---

#### A COMPENDIUM OF PHILOSOPHICAL CONCEPTS AND METHODS

---

*John Wiley & Sons* The second edition of this popular compendium provides the necessary intellectual equipment to engage with and participate in effective philosophical argument, reading, and reflection. Features significantly revised, updated and expanded entries, and an entirely new section drawn from methods in the history of philosophy. This edition has a broad, pluralistic approach--appealing to readers in both continental philosophy and the history of philosophy, as well as analytic philosophy. Explains difficult concepts in an easily accessible manner, and addresses the use and application of these concepts. Proven useful to philosophy students at both beginning and advanced levels.

---

#### TRAGEDY AND PHILOSOPHY

---

*Princeton University Press* A critical re-examination of the views of Plato, Aristotle, Hegel and Nietzsche on tragedy. Ancient Greek tragedy is revealed as surprisingly modern and experimental, while such concepts as mimesis, catharsis, hubris and the tragic collision are discussed from different perspectives.

---

### PHILOSOPHY FOR TEENS

---

---

#### QUESTIONING LIFE'S BIG IDEAS (GRADES 7-12)

---

*Routledge* What is love? Is lying always wrong? Is beauty a matter of fact, or a matter of taste? What is discrimination? The answers to these questions, and more, are examined in *Philosophy for Teens: Questioning Life's Big Ideas*, an in-depth, teenager-friendly look at the philosophy behind everyday issues. The authors examine some of life's biggest topics, such as: lying, cheating, love, beauty, the role of government, hate, and prejudice. Both sides of the debates are covered on every issue, with information from some of the world's most noted philosophers included in a conversational style that teenagers will love. Each chapter includes discussions, questions, thought experiments, exercises and activities, and community action steps to help students make reasoned, informed decisions about some of life's greatest debates. Examining life's big ideas and discovering their own opinions have never been easier or more exciting for today's teens. Grades 7-12

---

#### THE SEVEN MYSTERIES OF LIFE

---

---

#### AN EXPLORATION IN SCIENCE & PHILOSOPHY

---

*Houghton Mifflin Harcourt* Mixing science with philosophy, the author contemplates what he perceives to be the seven mysteries of life, ranging from evolution to divinity.

---

#### THE ANTICHRIST

---

---

#### AFTER VIRTUE

---

*A&C Black* Highly controversial when it was first published in 1981, Alasdair MacIntyre's *After Virtue* has since established itself as a landmark work in contemporary moral philosophy. In this book, MacIntyre sought to address a crisis in moral language that he traced back to a European Enlightenment that had made the formulation of moral principles increasingly difficult. In the search for a way out of this impasse, MacIntyre returns to an earlier strand of ethical thinking, that of Aristotle, who emphasized the importance of 'virtue' to the ethical life. More than thirty years after its original publication, *After Virtue* remains a work that is impossible to ignore for anyone interested in our understanding of ethics and morality today.

---

#### HUMAN, ALL TOO HUMAN

---

---

#### A BOOK FOR FREE SPIRITS

---

---

## **NIETZSCHE AND PHILOSOPHY**

---

*A&C Black* Presents important accounts of Nietzsche's philosophy. The author shows how Nietzsche began a new way of thinking which breaks with the dialectic as a method and escapes the confines of philosophy itself.

---

## **POLITICAL PHILOSOPHY CROSS-EXAMINED**

---

---

### **PERENNIAL CHALLENGES TO THE PHILOSOPHIC LIFE**

---

*Palgrave Macmillan* Political societies frequently regard philosophers as potential threats to morality and religion, and those who speak for politics often demand a defense of philosophy. This book will address philosophy as a mode of existence put into question.

---

## **COMPLETE WORKS OF FRIEDRICH NIETZSCHE**

---

---

### **THE FIRST COMPLETE AND AUTHORISED ENGLISH TRANSLATION V 1 PT 1**

---

*Legare Street Press* This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.
