The Magnificent Goodness of God and How It Will Transform Your Life Xulon Press The goodness of God is one of the most revolutionary truths of the Bible, but our generation has lost faith in the goodness of God. The image you carry in your heart of God and what He is like will dramatically affect your life, character, and destiny. Do you believe God can be your hero? Do you believe God has a good heart? Do you believe that God can transform you into the type of Christian that you always wanted to be? When we begin to understand and believe what it means when the Bible boldly declares that "God is good always," our lives will begin a breathtaking transformation, as we rise up to be a mighty witness for our Lord. Anyone who has been touched with the goodness of God cannot come away the same. The goodness of God encompasses everything that God is, and is a perfect representation of all His characteristics. The goodness of God is the foundation of all His works, plans, and purposes. If we are to understand what God is like, we must first know that He is good, and not evil. The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world, and marshals all of his forces to cause confusion about the true character of our God. The goodness of God is the pinnacle point of the spiritual battle that rages all around us. Understanding the goodness of God is first and foremost in spiritual warfare, because without this, you can never stand for God faithfully Becoming New A Devotional Guide for Letting God Transform Your Life Through His Word WestBow Press I was challenged as a young Christian woman by the notion that, as Christians, we should be distinctly different from others around us. According to Gods Word, when we trust in Christ as our Savior, we become a new creation, but that is not what I saw. I asked God, If this is trueand I know your Word is truewhy are so few Christians actually being transformed? Why am I not being transformed? This devotional is the culmination of the lessons that followed those questions. God does not instantly transform us into new creatures. The evidence is clear on that! The instant we accept Christ as our Savior we are declared completely righteous, but the process of transformation continues for the rest of our lives. As I learned to apply Gods truth to my daily life, he has been faithful to transform what was broken into something beautiful. He took my fears and taught me to live by faith. He took my strife and taught me to live in peace. He taught me to trade my anger and bitterness for love and forgiveness. I have learned to trust instead of doubt. I am filled with hope instead of hopelessness, and my sorrow has been turned to joy. He took my feelings of worthlessness and helped me to understand my value in his eyes. I believe it is my calling to share with others how God longs to transform their lives too. We can stay as we are, or we can allow God to teach us a better way. With his Spirit to empower us, we can continue becoming the people he intended us to be. I hope you will join me on this journey to becoming new! The Holy Spirit Activating God's Power in Your Life Thomas Nelson With prayerful reverence and focused wisdom, Dr. Graham puts an understandable face on this mysterious third Person of the Trinity: The Holy Spirit is "not an impersonal force, like gravity or magnetism. He is a Person, with all the attributes of personality. But not only is He a Person, He is divine as well. Exciting, revolutionary power is available exclusively to you as a Christian . . . It is the supernatural power: To transform human nature To be the salt of the earth, and the light of the world To bring about a dramatic but peaceful revolution in those around you To face any crisis You cannot buy this extraordinary power, nor can you find it by searching the earth for it. As a Christian it resides in you already, an awesome gift from God that you have only to claim and use once you know and accept its Source. Christians are powerful people, Billy Graham reminds us in this inspiring and insightful book, because "we have the mighty power of God available to us through . . . the Holy Spirit," He comes to us with no conditions attached. Jesus simply said, "If I go, I will send Him to you." Read this amazing book and see anew how this Person can transform your life and give you the power "to be truly good" and "to live victoriously." The Transformed Life Discover How to Live from the Inside Out 5 Fold Media, LLC Personal transformation requires radical change. It has been said that the only thing you can count on in this world is that nothing stays the same. You can change your address, your job, your wardrobe, your friends-you can even change your name-BUT your life will not transform until you change the way you think. Becoming a Christian ignites the process of transformation. Your relationship with God, eternal destination, and true self become new. Yet even with all these wonderful changes, we are left in a world, remain in a body, and are stuck with a mind that is pretty much the same. In this book, John Carter will teach you that God has designed a plan of genuine transformation for every person, one that goes far beyond the initial moment of salvation. Whether you realize it or not, you have the capacity and power to influence the direction of your life through a dynamic relationship with Jesus Christ. You can change. Here's how. One of the greatest challenges people face in today's culture is how to connect. In a distracted, disrupted, and rapidly transforming world, how do we meaningfully engage with others, ourselves, and God? That's why "The Transformed Life" by John Carter is so important. It's a road map for experiencing what the Bible teaches about personal transformation. We'll never transform our culture if our lives are not changed first, and this is an owner's manual for biblical change. Phil Cooke, Ph.D. Filmmaker, Media Consultant, and Author of One Big Thing: Discovering What You Were Born to Do Transform Your Thinking, Transform Your Life Radically Change Your Thoughts, Your World, and Your Destiny Harrison House Publishers Believers must believe what God says about them and their situations, more than what their circumstances say. Using humor and practical applications, Dr. Winston shows readers how to build new and successful thought patterns. Divinely Touched: Transform Your Life BalboaPress Divinely Touched is a story of personal transformation. It chronicles Mary's spiritual awakening, how she was divinely saved, led, and transformed. From the depths of depression, from battles with physical ailments for which the medical profession had no explanations, from being led into worlds she never knew existed, she survived being taken to the underworld. She was guided and healed by light workers, shamans, and avatars from this world and the spirit dimension and led on a journey of personal, physical, mental, and spiritual healing. Mary's experience, like that of a caterpillar when transformed into a beautiful butterfly, is one that will inspire, enlighten, and transform your life as well. Dr. Dave uses science, research, and "knowledge of the ages" to explain what Mary experienced and open worlds to the reader that they may never have imagined. Divinely Touched: Transform Your Life can, in fact, do just that. "With painstaking detail, Mary describes her descent into darkness and her triumphant return. Like Margaret Starbird, in The Goddess in the Gospels, who also has a spiritual awakening that took her into the realms of psychosis, Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness. Inside you will find a compelling story that may help you or someone you love." —Maureen St. Germain, author of Beyond the Flower of Life & You Are the Genie in the Bottle "The world is waiting for this powerful story of good vs. evil. Mary's story is amazing, compelling, eye-opening, and courageous. Her faith has carried her through the darkness into the light. She is God's instrument and truly a living expression of divine light flowing forth into the world. Divinely Touched is a must-read, and you won't want to put it down. It will blow your mind!" —Pat Hastings, Author of Simply a Woman of Faith: How to Live in Spiritual Power and Transform Your Life "Mary's amazing story will capture your interest and touch your heart. You will be inspired to move forward on your own journey of awakening." —Andrew Oser, author of How Alternation Can Change Your Life; Finding the Rhythms of Health and Happiness "Divinely Touched is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening." —Dr. Michael Sharp, author of The Great Awakening, The Book of Light, The Book of Love, The Dossier of Ascension Get to Know Yourself and Transform Your Life with the Wisdom and Magical Power of Stories iUniverse Stories can heal many minor and major problems without harming the listener. God has a unique calling for every individual that fits His special plan and purpose for your life. This calling is the way you are to live on the earth and encompasses all your being and doing. Essentially, calling refers to belonging to Christ and participating in His redemptive work in the world in the special way He has called you. The two books in this series will help you to discern your calling from God and then pursue that calling with passion and obedience, relying on the Lord Jesus Christ to fulfill the calling by doing His work in you and through you. In the process, you will experience miracles from God - all to the glory of the Lord Jesus Christ! You will benefit by getting to know God in a personal way, deepening your daily walk with Him, and fulfilling your calling. Dr. Charles Stanley Senior Pastor, First Baptist Church, Atlanta Founder and President of In Touch Ministries These powerful and compelling volumes will not only inspire and challenge you to greater Christian living, but could very well bring spiritual renewal and revival to the Christian Church. Dr. J. Gerald Harris Pastor and retired editor of The Christian Index Transform Your Thinking, Transform Your Life Radically Change Your Thoughts, Your World, and Your Destiny Destiny Image Publishers Dr. Bill Winston, broadcast nationwide in over 100 million homes on the Believer's Walk of Faith program, helps believers renovate their thought life by focusing on who they are in Christ, building success in every area of living. In the book of Romans, the apostle Paul encourages believers to be transformed by renewing their mind. The Greek word for transformed is "metamorphosis"; or "to change." Dr. Winston reveals that believers must believe what God says about them and their situations, more than what their circumstances say. They must build a new way of thinking. Dr. Winston encourages that God's Word takes a higher place than their current situations. God promises an abundant life, not a barely-get-through-it life, but that is where many believers have been living. Readers will begin to discover God's promises and find ways to renew their minds through study and meditation, giving them the inner strength to overcome adversity and find success in every area. God's Outrageous Claims Thirteen Discoveries That Can Transform Your Life Zondervan God's astounding claims about himself and his work on our behalf are embedded throughout the pages of Scripture. He sees potential in us that we don't see in our wildest dreams. He sees qualities that we don't think we can ever achieve. He has faith in us that we lack in ourselves. But when we know and fully understand what He has promised, we are liberated to grow in virtue, live out our faith as an adventure, relate to others with authenticity, earn a living with integrity, and make a difference in our culture--all through his power. Lee Strobel's insights into the benefits of living as a fully devoted follower of Christ are refreshing and powerfully relevant. Using true stories, including his own, he shows that Christianity really works, that we really can live transformed, authentic, and effective lives--and that God's promises and power are very real and very true. Two Faces in the Mirror Tom Cannon When you look into the mirror, what kind of person do you see staring back at you? Is it the person in the mirror the kind of person you can be proud of, and that you have always hoped to become, or is it the face of a person who falls consistently short of God's best intentions? The good news is - you don't have to dismay, even if the person staring back at you is less than you hoped they would be. If you will turn to Christ, and trust Him to transform your broken, or lacking life today, He will create a 'new you' - one that you can be proud of being, and who will become an effective representative for Him. In Two Faces in the Mirror, Tom Cannon addresses eight (8) major struggles facing modern society, and gives practical, time-tested, biblical solutions to them all. And here's the best part - if those biblical principles worked for others, they will assuredly work for you. How do we know that's true? It's in the Book, and God cannot (and will not) lie. Do you want to become the person God has called you to be? The journey starts now. Buy Two Faces in the Mirror today, and watch your tomorrows be transformed by the power of God. As a pastor and leaders, I have seen that most people are walking backwards into their futures! All their reference points about the future are usually drawn from the past. *Envision with God* turns you around to face what is ahead with God's guidance. After all, aren't all God's promises in the future? The practice of "envisioning with God" will not only turn you to your future in God but give you something many Christians lack: an absolute certainty in recognizing the voice of God. A common practice, even among mature Christians, is seeking confirmation for something their Father God has told them. It is strange, to say the least, that a child would not recognize his or her father's voice. This will no longer be a problem as one faithfully envisions with Father God. *Envisioning with God* erases the division between the marketplace and pulpit. You will discover that God doesn't recognize this division. His desire is for unity. Too many Christians are schizophrenic in terms of their spiritual identities. This has weakened families, churches, businesses, communities, and nations. No such division should exist as the many of the powerful examples in the books testify. *Envisioning with God* in a simple and systematic way will change your life, causing you to face your future and recognize the voice of God. *Envisioning* will engage you in a day-to-day dialog with your Father, and unify the roles of your spiritual identity, propelling you to your destiny, facing forward into God's promises. *God's Fire Starters* Xulon Press When it comes to having a desire to see things change, it is obvious that most Christians are ready for it! The problem is that churches have tried every program available, and yet they still feel that there is something missing from their ministry. This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation, by not realizing how desperately we need for God's Spirit to set us on fire! Take a journey through the Bible and discover for yourself, how God's fire is present when God is on the move! Discover how God's fire reveals his character as well as our calling to be transformed into the image of Christ! You will also discover how being one of God's Fire Starters can be one of the most exciting adventures of anyone's life! Donald A. Broadwater was born in Roanoke, Virginia and spent most of his early life growing up around the Blue Ridge Mountains. He graduated from Covenant College and Westminster Theological Seminary, and for the past three decades, Don and his family have been on an adventure that has taken them from America to Australia. He is married to Gloria and has two grown children from their 37-year marriage. God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus. This ministry is needed because our journeys are as unique as God who is fashioning them for us. God the Father, God the Son, God the Holy Spirit, Angels, Salvation...* Moody Publishers "For many people the word theology suggests seminary-educated scholars who sit in ivory towers, isolated from the real world, studying the Bible. Such study is often viewed as esoteric and unrelated to the world where men and women live, work, play, raise families, and struggle with the realities of day-to-day life. Nothing could be further from the truth." ---Tony Evans *What we think about God, also known as theology, influences what we believe, do, and say. And what we think, whether true or false, makes a big difference in real life. Tony Evans wants you to know the truth about God, so Theology You Can Count On communicates truths about God in language you can understand. He walks through what the Bible teaches, topic by topic, truth by truth. The great thing is, these truths aren't reserved for people with PhDs. They're for real life. Over and over again in scripture Christians are encouraged to "make vows to the Lord" (e.g., Psalm 76:11). Is it possible that making vows-- intentionally inserting various Christian practices into our lives-- would have great value to 21st-century Christians? What if we thoughtfully and publicly articulated vows before God and those we love? Would it help our lives take on the tone of the eternal? Has something been lost in the openness of the 21st century? The answer is yes! Gungor says: "Vow-making is an old trail that was very familiar to the ancients who have gone before us, but is virtually unknown for we moderns. As I have wandered down this path, it has been both intriguing and empowering, and, on another level, just plain dangerous. But I really think it's leading somewhere. That's the why of this writing." *How Can I Understand the Bible? This book focuses on how God transforms simple belief, that which enables us to believe in Jesus Christ as the Son of God who died for our sins, into genuine faith like that of Abraham, Jacob, David, and others. The biblical texts of the lives of these individuals reveal that genuine belief is the beginning of movement in the process of becoming, of being transformed over time. This process moves a person's faith beyond simple belief, comprised of mental assent to facts, to a genuine faith that encompasses trust in God, surrender to his will, and a heartfelt embrace of what is believed. This genuine faith results in obedience to the one believed. Many biblical texts make it explicit that it is God the Holy Spirit who does this work of transformation. Scripture provides no direct explanation about how that work is accomplished; however, the texts reveal it when you look for it. This book reexamines some of the familiar biblical stories of well-known and important biblical characters. We focus on how God brought about his transforming work through daily life events to move each one, over time, from simple belief to genuine faith anchored in deep trust. This trust enabled them to obey God in challenging circumstances. We pray that this analysis of the great biblical characters as revealed in Scripture will help you understand how God might be working in your own life to transform your simple belief into genuine faith.
