**Fallen Angels Zola Books** *Fallen Angels* by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, *Fallen Angels* has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, *Fallen Angels* "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." *Fallen Angels* has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. *Fallen Angels* was #16 on the American Library Association's list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars. **Fallen Angels Scholastic Inc.** Seventeen-year-old Richie Perry, just out of his Harlem high school, enlists in the Army in the summer of 1967 and spends a devastating year on active duty in Vietnam. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it: WAR **Fallen Angels Walter Dean Myers Invasion Scholastic Inc.** Walter Dean Myers brilliantly renders the realities of World War II. Josiah Wedgewood and Marcus Perry are on their way to an uncertain future. Their whole lives are ahead of them, yet at the same time, death's whisper is everywhere. One white, one black, these young men have nothing in common and everything in common as they approach an experience that will change them forever. It's May 1944. World War II is ramping up, and so are these young recruits, ready and eager. In small towns and big cities all over the globe, people are filled with fear. When Josiah and Marcus come together in what will be the greatest test of their lives, they learn hard lessons about race, friendship, and what it really means to fight. The city that movie director John Waters called "rich, hilarious, of questionable taste and throbbing with fake glamour." In *Fallen Angels*, award-winning journalist Marvin Wolf and noted criminal justice attorney Katherine Mader take you beyond the glitzy public facades, beyond the hype and dreams to the real streets and highways of this intriguing, often violent city. Exploring 39 exhaustively researched true crimes and mysteries, they reveal an altogether different side of L.A. than the one you might have seen on TV or in the movies. Instead, you'll find riveting accounts of L.A.'s most extraordinary crimes, from the time of the first American settlement, including: \* Did Clarence Darrow bribe jurors? \* A heavy crush ruins Fatty Arbuckle \* Bugsy Siegel's contract is a big hit \* Who killed Nick Adams? \* Patty Hearst and the SLA shootout \* John Belushi strikes out on a speedball ...and many other enthralling tales involving the mobsters, politicians, movie stars and private citizens of the City of Angels. **Bad Boy A Memoir Harper Collins** A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.
