Fallout [Candlewick Press \(MA\)](#) *When an unthinkable nuclear attack occurs in an alternate-reality 1962, Scott is forced into his father's bomb shelter with his family and neighbors, where they rapidly consume limited supplies and fear the worst about the fate of the world outside. By the best-selling author of The Wave.* **Fallout** [Candlewick Press](#) *What if the bomb had actually been dropped? What if your family was the only one with a shelter? In the summer of 1962, the possibility of nuclear war is all anyone talks about. But Scott's dad is the only one in the neighborhood who actually prepares for the worst. As the neighbors scoff, he builds a bomb shelter to hold his family and stocks it with just enough supplies to keep the four of them alive for two critical weeks. In the middle of the night in late October, when the unthinkable happens, those same neighbors force their way into the shelter before Scott's dad can shut the door. With not enough room, not enough food, and not enough air, life inside the shelter is filthy, physically draining, and emotionally fraught. But even worse is the question of what will — and won't — remain when the door is opened again. Internationally best-selling author Todd Strasser has written his most impressive and personal novel to date, ruthlessly yet sensitively exploring the terrifying what-ifs of one of the most explosive moments in human history.* **Fallout** *In the summer of 1962, the possibility of nuclear war is all anyone talks about. With his girlfriend, Robin, away in Canada, eighteen-year-old Lucas Baker's only plans for the summer are to mellow out with his friends, smoke weed, drop a tab or two, and head out in his microbus for a three-day happening called the Woodstock Music and Art Fair. But life veers dramatically off track when he suddenly finds himself in danger of being drafted and sent to fight in Vietnam. If that isn't heavy enough, there's also the free-loving (and undeniably alluring) Tinsley, who seems determined to test Lucas's resolve to stay faithful to Robin; a frighteningly bad trip at a Led Zeppelin concert; a run-in with an angry motorcycle gang; parents who appear headed for a divorce; and a friend on the front lines in 'Nam who's in mortal danger of not making it back. As the pressures grow, it's not long before Lucas finds himself knocked so far down, it's starting to look like up to him. When tuning in, turning on, and dropping out is no longer enough, what else is there?* **No Place** [Simon and Schuster](#) *When Dan and his family go from middle class to homeless, issues of injustice rise to the forefront in this relatable, timely novel from Todd Strasser that VOYA calls "poignant," "darkly humorous," and "exceptionally thought-provoking." It seems like Dan has it all. He's a baseball star who is part of the popular crowd and dates the hottest girl in school. Then his family loses their home. Forced to move into the town's Tent City, Dan feels his world shifting. His friends try to pretend that everything's cool, but they're not the ones living among the homeless. As Dan struggles to adjust to his new life, he gets involved with the people who are fighting for better conditions and services for the residents of Tent City. But someone wants Tent City gone, and will stop at nothing until it's destroyed...* **How I Changed My Life** [Simon and Schuster](#) *Overweight high school senior Bo decides to change her image while working on the school play with a former star football player who is also struggling to find a new identity for himself.* **Thief of Dreams** [Open Road Media](#) *Vicious aliens, human gladiators, and elemental gods populate the realms of the Star Requiem series in the second novel following Mother of Storms. Adrian Cole's acclaimed Star Requiem series welcomes readers to Innasmorn, a planet where the elements are worshipped as gods . . . and where mankind is considered the enemy. In the impenetrable West of Innasmorn lies the forbidden city of Shung Hang—a mystical place shrouded in legend . . . and guarded by the winged warriors of the last goddess, the Aviatrix. Pursued by the relentless death machine of the corrupt prime consul Zellorian, the last remnants of an exterminated mortal race make their way across a perilous, devastated land. For only by harnessing an ancient power secreted in the Deathless City can the intrepid human survivors hope to hold the enemy at bay—and forestall the bloodthirsty alien Csendook's planned genocide of humankind. Don't miss the entire Star Requiem quartet: Mother of Storms, Thief of Dreams, Warlord of Heaven, and Labyrinth of Worlds.* **Boot Camp** [Simon and Schuster](#) *In the middle of the night Garrett is taken from his home to Harmony Lake, a boot camp for troubled teens. Maybe some kids deserve to be sent there, but Garrett knows he doesn't. Subjected to brutal physical and psychological abuse, he tries to fight back, but the battle is futile. He won't be allowed to leave until he's admitted his "mistakes" and conformed to Harmony Lake's standards of behavior. And there's no way to fake it. Beaten, humiliated, and stripped of his pride, Garrett's spirit is slowly ebbing away. Then he hears whispers of an escape plot. It's incredibly risky -- if he's caught, the consequences will be unthinkable -- but it may be his only way out. In this tense, riveting novel, award-winning YA author Todd Strasser reveals what really goes on in highly secretive -- and notoriously dangerous -- boot camps, a stealth prison system where any teenager under the age of eighteen can be imprisoned at his parents' whim.* **Give a Boy a Gun** [Simon and Schuster](#) *Todd Strasser's acclaimed account of school violence that Kirkus Reviews calls "vivid, distressing, and all too real." For as long as they can remember, Brendan and Gary have been mercilessly teased and harassed by the jocks who rule Middletown High. But not anymore. Stealing a small arsenal of guns from a neighbor, they take their classmates hostage at a school dance. In the panic of this desperate situation, it soon becomes clear that only one thing matters to Bendan and Gary: revenge.* **Sidewayz Glory** [Simon and Schuster](#) *The cops cracked down on illegal races, and now the only street racing around is at the hottest casino on the strip. The casino owner is starting his own high-stakes, high-payoff drift team -- and there's little he wouldn't do to have Sin City's best drifter. Kennin's under pressure to quit the scene and get his life back on track. But when he's offered five grand to fix his ride -- and the promise of enough cash to take care of his problems -- Kennin knows exactly what he has to do. No matter what the catch.* **Take Off** [Simon and Schuster](#) *After arriving in Sun Haven, fifteen-year-old Kai can't wait to get on a board and surf again, but the locals patrolling the best spot on the beach will only let him into the lineup if he consents to compete against one of them.* **Can't Get There from Here** [Simon and Schuster](#) *Her street name is Maybe She lives with a tribe of homeless teens -- runaways and throwaways, kids who have no place to go other than the cold city streets, and no family except for one another. As the other kids start to disappear -- victims of violence, addiction, and exposure -- Maybe tries to help Tears get off the streets...if it's not already too late. Todd Strasser, author of the powerful and disturbing Give a Boy a Gun, again focuses on an important social issue as he tells a thought-provoking, heart-wrenching story of young lives lost to the streets, and of a society that has forgotten how to care.* **The Good War** [Delacorte Books for Young Readers](#) *"Ms. Peterson is starting a video game club where the students will be playing The Good War, a new game based on World War II. But Ishmael isn't on Cretacea to marvel at the fresh air, sunshine, and endless blue ocean. He's here to work, risking his life to hunt down great ocean-dwelling beasts to harvest and send back to the resource-depleted Earth. Even though easy prey abounds, time and again the chase boat crews are ordered to ignore it in order to pursue the elusive Great Terrafin. Jake Liddell is a hero. At least, that's what everyone says he is. The military is even awarding him a Silver Star for his heroic achievements—a huge honor for the son of a military family. Now he's home, recovering from an injury, but it seems the war has followed him back. He needs pills to get any sleep, a young woman is trying to persuade him into speaking out against military recruitment tactics, and his grandfather is already urging him back onto the battlefield.
