## Fancy Pants (Only In Gooding Book #1)

*Bethany House Humorous Romance From a Bestselling Author* When Britisher Lady Sydney Hathwell's father dies, the American who planned to wed her suddenly reneges. Stranded in America and penniless, Sydney contacts a relative in Texas who, mistaking her male-sounding name, invites his "nephew" to join him on his ranch. "Big Tim" Creighton, however, is appalled when this mincing fop arrives at Forsaken. He determines he'll turn Fancy Pants Hathwell into a man before the boss returns home. From the get-go, he has "the kid" mucking stalls, clearing and plowing a field, and assisting with a difficult calving. But when Sydney's true identity is uncovered, Tim resents being deceived. Yet in time, he also finds that he doesn't like all the attention Sydney garners now that she's wearing pretty gowns... Together Sydney and Tim will discover the importance of family and what it means to be a man--and a

woman--of God.

## That Certain Spark (Only In Gooding Book #4)

*Bethany House* Gooding, Texas, is about to gain a double blessing--a veterinarian and a doctor. But when siblings Enoch and Taylor Bestman arrive, the discovery that Taylor is a lady doctor has the town up in arms. Especially Karl Van der Vort, the town blacksmith, who becomes the first patient...against his will. Though hesitant to believe in Taylor's doctoring skills, Karl finds himself oddly protective of this surprising woman who dares to drive about town on her own, wearing the color red, for heaven's sake! Taylor, on the other hand, wants only to prove that doctoring is her life's calling, despite the town's opposition. The result? Pride meets attraction head-on, and sparks begin to fly.

## Forevermore (Only In Gooding Book #2)

*Bethany House* Another unforgettable heroine! Like a dandelion in the wind, Hope Ladley blows from one farm to the next, helping cook for the field hands during the harvest. Illiterate and often twisting cliches and Bible verses into mind-boggling observations, Hope leaves widower Jakob Stauffer baffled by her unconventional ways. But her sunny disposition and unstinting love make changes of a different kind around the place. His little daughter and the pregnant sister he's shielding from an abusive husband adore Hope, and things are getting accomplished even if Hope's methods are unique. Then Jakob's brother-in-law shows up and threatens the newfound peace and happiness of the farm. With Jakob's future uncertain and his heart tangled, can the farmer convince Hope to take root and remain as his wife?

## Serendipity (Only In Gooding Book #5)

*Bethany House* Todd Valmer should have known better. A farmer who's been through several disasters, he travels to Virginia to fetch his widowed mother to cook and help him around his Texas farm...or that was the plan until she keels over on the train and they get kicked off. Maggie Rose barter for a living and also makes soaps, lotions, and perfumes with a special rose recipe passed down from mother to daughter for generations. She hasn't wanted to marry...until that handsome Texan shows up. Her heart skips a beat, and when he proposes, a hasty marriage follows. What ensues, however, is a clash of culture and a battle of wills--and it's clear they both mistook instant attraction and infatuation for love. As their marriage loses its sparkle and fills with disillusionment, Todd and Maggie

must determine what is worth fighting for. He dreams of a farm. Maggie wants to fulfill the family tradition with her rose perfumes. Todd's mother, however, has entirely different plans for her son that do not include Maggie. In light of their hasty marriage and mistaken dreams, is there any hope of recapturing their love and building a future together?

## In His Will

Barbour Publishing Sondra's husband died, leaving her to fend for herself. When her only other friend, Miller, passes away, too, it's more than Sondra can take. But when Miller leaves her his cattle ranch, she can hardly believe how deeply she's been blessed. She just has to make it through one year with Miller's appointed ranch manager - then the Culry Q will be hers forever. Dylan Ward was Miller's neighbor, and they had a deal. But Miller's will completely changes the arrangement. Dylan is seeing red - red hair that is, because Sondra Thankful will get the Curl Q. Now Dylan has to run both his ranch and hers. Will Dylan be able to see the Lord's will, or just his own? Can Sondra ever find happiness again after losing so much?

## The Solitary Envoy (Heirs of Acadia Book #1)

Bethany House Book 1 of Heirs of Acadia, continuing the story told in the bestselling Janette Oke and T. Davis Bunn Song of Acadia series. Erica Langston's comfortable home and loving family living near Washington, D.C., carry no outward hint of the sorrows and fears faced by her Acadian forebears, but she will soon discover that similar determination and fortitude will be required of her. When the British once again invade the nation's capital and leave death and destruction in their wake, Erica is left to deal with the creditors circling around the crumbling family business. It seems her only recourse is to travel to England to collect on outstanding debts held in British banks. Arriving in London at the home of the United States ambassador, Erica is gradually immersed in a secret mission that brings her face-to-face with her most feared and reviled enemy. She discovers that Gereth Powers is part of a group of Christian activists headed up by William Wilberforce himself. Along the way, Erica comes to realize her faith has been more cultural than real, and her spiritual journey becomes far more signi?cant than her journey over the ocean.

## Letter Perfect (California Historical Series Book #1)

Bethany House Laugh-Out-Loud Historical Fiction! Ruth Caldwell has always tried to live up to her mother's expectations of what a lady should be...often with less-than-impressive results. But when she's forced to journey west to meet the father she's never seen,

Ruth hopes that this might be the place she'll finally fit in. But her arrival brings about more mayhem than even Ruth is used to. She soon meets Josh McCain, the son of her father's business partner, but discovers some startling news: Her father passed away years ago. And though Josh urges Ruth to claim her inheritance, he grows suspicious of something more sinister at hand when her "accidents" seem to go beyond Ruth's normal bumbling ways and leave her very life in danger.

## Love, Lucas

Simon and Schuster A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

## The Girl Who Wrote in Silk

Sourcebooks, Inc. A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of

fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

## The Football Girl

*Delacorte Press* For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

Widower Daniel Clark isn't sure about the pretty bundle of energy who takes the nanny position, but he figures the voyage is only one week. When disaster strikes, Daniel seizes the chance to rescue Millicent and her sister. A most convenient marriage ensues...only Daniel realizes his heart has been lost to Millicent, while she views it all as a business arrangement. Will this whirlwind marriage have a chance as Daniel sets out to woo his oblivious wife?

## 9 Days and 9 Nights

*HarperCollins* In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

## Come Back to Me

*Simon and Schuster* In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—someone she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have. Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far greater than either of them expected. Jessa's finally found the man of her dreams and Kit's finally discovered there's someone he'd sacrifice everything for. When it's time for Kit to redeploy, neither one is ready to say goodbye. Jessa vows to wait for him and Kit promises to come home to her. No matter what. But as Jessa stands waiting for the Marine Chaplain to break her heart, she can't help but feel that Kit has broken his promise... Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her?

## Get Dirty

*HarperCollins* Now streaming on Netflix and BBC iPlayer! The Breakfast Club meets Pretty Little Liars in Gretchen McNeil's sharp and thrilling sequel to Get Even. Perfect for fans of E. Lockhart, Karen M. McManus, and Maureen Johnson. The members of Don't Get Mad aren't just mad anymore . . . they're afraid. And with Margot in a coma and Bree under house arrest, it's up to Olivia and Kitty to try to catch their deadly tormentor. But just as the girls are about to go on the offensive, Ed the Head reveals a shocking secret that turns all their theories upside down. The killer could be anyone, and this time he—or she—is out for more than just revenge. The girls desperately try to discover the killer's identity as their own lives are falling apart: Donté is pulling away from Kitty and seems to be hiding a secret of his own, Bree is sequestered under the watchful eye of her mom's bodyguard, and Olivia's mother is on an emotional downward spiral. The killer is closing in, the threats are becoming more personal, and when the police refuse to listen, the girls have no choice but to confront their anonymous "friend" . . . or die trying.

## Ubiquity

# Photography's Multitudes

*Leuven University Press* From its invention to the internet age, photography has been considered universal, pervasive, and omnipresent. This anthology of essays posits how the question of when photography came to be everywhere shapes our understanding of all manner of photographic media. Whether looking at a portrait image on the polished silver surface of the daguerreotype, or a viral image on the reflective glass of the smartphone, the experience of looking at photographs and thinking with photography is inseparable from the idea of ubiquity—that is, the apparent ability to be everywhere at once. While photography's distribution across cultures today is undeniable, the insidious logics and pervasive myths that have governed its spread demand our critical attention, now more than ever.

## Trust in Numbers

# The Pursuit of Objectivity in Science and Public Life

*Princeton University Press* A foundational work on historical and social studies of quantification What accounts for the prestige of quantitative methods? The usual answer is that quantification is desirable in social investigation as a result of its successes in science. Trust in Numbers questions whether such success in the study of stars, molecules, or cells should be an attractive model for research on human societies, and examines why the natural sciences are highly quantitative in the first place. Theodore Porter argues that a better understanding of the attractions of quantification in business, government, and social research brings a fresh perspective to its role in psychology, physics, and medicine. Quantitative rigor is not inherent in science but arises from political and social pressures, and objectivity derives its impetus from cultural contexts. In a new preface, the author sheds light on the current infatuation with quantitative methods, particularly at the intersection of science and bureaucracy.

## Life in Motion

# An Unlikely Ballerina

*Simon and Schuster* Profiles the life and career of the professional ballerina, covering from when she began dance classes at age thirteen in an after-school community center through becoming the only African American soloist dancing with the American Ballet Theatre.

## Golden Gulag

# Prisons, Surplus, Crisis, and Opposition in Globalizing California

*Univ of California Press* Since 1980, the number of people in U.S. prisons has increased more than 450%. Despite a crime rate that has been falling steadily for decades, California has led the way in this explosion, with what a state analyst called "the biggest prison building project in the history of the world." *Golden Gulag* provides the first detailed explanation for that buildup by looking at how political and economic forces, ranging from global to local, conjoined to produce the prison boom. In an informed and impassioned account, Ruth Wilson Gilmore examines this issue through statewide, rural, and urban perspectives to explain how the expansion developed from surpluses of finance capital, labor, land, and state capacity. Detailing crises that hit California's economy with particular ferocity, she argues that defeats of radical struggles, weakening of labor, and shifting patterns of capital investment have been key conditions for prison growth. The results—a vast and expensive prison system, a huge number of incarcerated young people of color, and the increase in punitive justice such as the "three strikes" law—pose profound and troubling questions for the future of California, the United States, and the world. *Golden Gulag* provides a rich context for this complex dilemma, and at the same time challenges many cherished assumptions about who benefits and who suffers from the state's commitment to prison expansion.

## History of Macoupin County, Illinois

## Biographical and Pictorial

## Loafing Along Death Valley Trails

## A Personal Narrative of People and Places

*Pickle Partners Publishing* In 1926, on the advice of his doctor, former newspaperman William Caruthers, whose writings appeared in most Western magazines during a career spanning more than 25 years, retired to an orange grove near Ontario, California. Once there, he would go on to spend much of his time during the next 25 years in the Death Valley region, witnessing the transition of Death Valley from a prospector's hunting ground to a mecca for winter tourists. This book, which was first published in 1951, is William Caruthers' personal narrative of the old days in Death Valley—"of people and places in Panamint Valley, the Amargosa Desert and the big sink at the bottom of America." A wonderful read.

## The First Lie

*St. Martin's Press* An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, *New York Times* bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, *New York Times* bestselling author of *Drowning Ruth*

## Folk Devils and Moral Panics

### The Creation of the Mods and Rockers

Taylor & Francis US 'Richly documented and convincingly presented' -- New Society Mods and Rockers, skinheads, video nasties, designer drugs, bogus asylum seekers and hoodies. Every era has its own moral panics. It was Stanley Cohen's classic account, first published in the early 1970s and regularly revised, that brought the term 'moral panic' into widespread discussion. It is an outstanding investigation of the way in which the media and often those in a position of political power define a condition, or group, as a threat to societal values and interests. Fanned by screaming media headlines, Cohen brilliantly demonstrates how this leads to such groups being marginalised and vilified in the popular imagination, inhibiting rational debate about solutions to the social problems such groups represent. Furthermore, he argues that moral panics go even further by identifying the very fault lines of power in society. Full of sharp insight and analysis, Folk Devils and Moral Panics is essential reading for anyone wanting to understand this powerful and enduring phenomenon. Professor Stanley Cohen is Emeritus Professor of Sociology at the London School of Economics. He received the Sellin-Glueck Award of the American Society of Criminology (1985) and is on the Board of the International Council on Human Rights. He is a member of the British Academy.

## Leadership in Organizations

This book is about leadership in organizations. The primary focus is on managerial leadership, as opposed to parliamentary leadership, leadership of social movements, or informal leadership in peer groups. The book presents a broad survey of theory and research on leadership in formal organizations. The topic of leadership effectiveness is of special interest.

## Broke, USA

## From Pawnshops to Poverty, Inc.—How the Working Poor Became Big Business

*Harper Collins* For most people, the Great Crash of 2008 has meant troubling times. Not so for those in the flourishing poverty industry. These mercenary entrepreneurs have taken advantage of an era of deregulation to devise high-priced products to sell to the credit-hungry working poor, including the instant tax refund and the payday loan. In the process they've created an industry larger than the casino business and have proved that pawnbrokers and check cashers, if they dream big enough, can grow very rich off those with thin wallets. *Broke, USA* is Gary Rivlin's riveting report from the economic fringes. Timely, shocking, and powerful, it offers a much-needed look at why our country is in a financial mess and gives a voice to the millions of ordinary Americans left devastated in the wake of the economic collapse.

## Beside You in Time

## Sense Methods and Queer Sociabilities in the American Nineteenth Century

*Duke University Press* In *Beside You in Time* Elizabeth Freeman expands biopolitical and queer theory by outlining a temporal view of the long nineteenth century. Drawing on Foucauldian notions of discipline as a regime that yoked the human body to time, Freeman shows how time became a social and sensory means by which people assembled into groups in ways that resisted disciplinary forces. She tracks temporalized bodies across many entangled regimes—religion, secularity, race, historiography, health, and sexuality—and examines how those bodies act in relation to those regimes. In analyses of the use of rhythmic dance by the Shakers; African American slave narratives; literature by Mark Twain, Pauline Hopkins, Herman Melville, and others; and how Catholic sacraments conjoined people across historical boundaries, Freeman makes the case for the body as an instrument of what she calls queer hypersociality. As a mode of being in which bodies are connected to others and their histories across and throughout time, queer hypersociality, Freeman contends, provides the means for subjugated bodies to escape disciplinary regimes of time and to create new

social worlds.

## The Book of Iowa Films

*Lulu.com* This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.

## Black on Both Sides

## A Racial History of Trans Identity

*U of Minnesota Press* The story of Christine Jorgensen, America's first prominent transsexual, famously narrated trans embodiment in the postwar era. Her celebrity, however, has obscured other mid-century trans narratives—ones lived by African Americans such as Lucy Hicks Anderson and James McHarris. Their erasure from trans history masks the profound ways race has figured prominently in the construction and representation of transgender subjects. In *Black on Both Sides*, C. Riley Snorton identifies multiple intersections between blackness and transness from the mid-nineteenth century to present-day anti-black and anti-trans legislation and violence. Drawing on a deep and varied archive of materials—early sexological texts, fugitive slave narratives, Afro-modernist literature, sensationalist journalism, Hollywood films—Snorton attends to how slavery and the production of racialized gender provided the foundations for an understanding of gender as mutable. In tracing the twinned genealogies of blackness and transness, Snorton follows multiple trajectories, from the medical experiments conducted on enslaved black women by J. Marion Sims, the “father of American gynecology,” to the negation of blackness that makes transnormativity possible. Revealing instances of personal sovereignty among blacks living in the antebellum North that were mapped in terms of “cross dressing” and canonical black literary

works that express black men's access to the "female within," *Black on Both Sides* concludes with a reading of the fate of Phillip DeVine, who was murdered alongside Brandon Teena in 1993, a fact omitted from the film *Boys Don't Cry* out of narrative convenience. Reconstructing these theoretical and historical trajectories furthers our imaginative capacities to conceive more livable black and trans worlds.

## The Elusive Synthesis: Aesthetics and Science

*Springer Science & Business Media* The tension between art and science may be traced back to the Greeks. What became "natural philosophy" and later "science" has traditionally been posed as a fundamental alternative to poetry and art. It is a theme that has commanded central attention in Western thought, as it captures the ancient conflict of Apollo and Dionysus over what deserves to order our thought and serve as the aspiration of our cultural efforts. The modern schism between art and science was again clearly articulated in the Romantic period and seemingly grew to a crescendo fifty years ago as a result of the debate concerning atomic power. The discussion has not abated in the physical sciences, and in fact has dramatically expanded most prominently into the domains of ecology and medicine. Issues concerning the role of science in modern society, although heavily political, must be regarded at heart as deeply embedded in our cultural values. Although each generation addresses them anew, the philosophical problems which lay at the foundation of these fundamental concerns always appear fresh and difficult. This anthology of original essays considers how science might have a greater commonality with art than was perhaps realized in a more positivist era. The contributors are concerned with how the aesthetic participates in science, both as a factor in constructing theory and influencing practice. The collection is thus no less than a spectrum of how Beauty and Science might be regarded through the same prism.
