NEXT GENERATION EXCEL

MODELING IN EXCEL FOR ANALYSTS AND MBAS (FOR MS WINDOWS AND MAC OS)

John Wiley & Sons Take Excel to the next level in accounting and financial modeling In this new Second Edition of Next Generation Excel, Isaac Gottlieb shows financial analysts how to harness the full power of Excel to move forward into the new world of accounting and finance. Companies of all sizes use financial models to analyze their finances and plan business operations, as well as to create financial accounting reports like balance sheets, income statements, and statements of cash flows. While many businesspeople are quite familiar with the reports created with financial models, most are not as familiar with the creation of the models themselves. This book shows them how to build an accurate and effective financial model using the solid functionality and easy usability of Excel. Fully updated and revised to include support for Apple users Written by a professor of management and statistics who has taught the discipline for fifteen years Appropriate for professional financial analysts, as well as MBA students For professionals and students whose responsibilities or studies include a full understanding of financial modeling, Next Generation Excel, Second Edition offers comprehensive training.

FINANCIAL ACCOUNTING

FINANCIAL ACCOUNTING

Financial Accounting - The best source for understanding why and when financially sound decisions are made in business today. Improvements made to the second Canadian edition have been focused on satisfying the differing needs and abilities of students. This edition has been enhanced with new pedagogical features designed to help students approach the material from different perspectives. This new edition also boasts enhanced coverage of the International Financial Reporting Standards (IFRS) and the Accounting Standards for Private Enterprise (ASPE), clearly distinguishing between these two approaches throughout the text.

FINANCIAL ACCOUNTING FOR EXECUTIVES AND MBAS

INSTRUCTOR EDITION

MANAGERIAL ACCOUNTING

FINANCIAL REPORTING AND ANALYSIS

McGraw-Hill/Irwin *Financial Reporting & Analysis (FR&A) by Revsine/Collins/Johnson/Mittelstaedt emphasizes both the process of financial reporting and the analysis of financial statements. This book employs a true "user" perspective by discussing the contracting and decision implications of accounting and this helps readers understand why accounting choices matter and to whom. Revsine, Collins, Johnson, and Mittelstaedt train their readers to be good financial detectives, able to read, use, and interpret the statements and-most importantly understand how and why managers can utilize the flexibility in GAAP to manipulate the numbers for their own purposes.*

THE PORTABLE MBA

John Wiley & Sons *A totally revised new edition of the bestselling guide to business school basics The bestselling book that invented the "MBA in a book" category, The Portable MBA Fifth Edition is a reliable and information-packed guide to the business school curriculum and experience. For years, professionals who need MBA-level information and insight-but don't need the hassle of business school-have turned to the Portable MBA series for the very best, most up-to-date coverage of the business basics. This new revised and expanded edition continues that long tradition with practical, real-world business insight from faculty members from the prestigious Darden School at the University of Virginia. With 50 percent new material, including new chapters on such topics as emerging economies, enterprise risk management, consumer behavior, managing teams, and up-to-date career advice, this is the best Portable MBA ever. Covers all the core topics you'd learn in business school, including finance, accounting, marketing, economics, ethics, operations management, management and leadership, and strategy. Every chapter is totally updated and seven new chapters have been added on vital business topics Includes case studies and interactive web-based examples Whether you own your own small business or work in a major corporate office, The Portable MBA gives you the comprehensive information and rich understanding of the business world that you need.*

THE STARTUP OWNER'S MANUAL

THE STEP-BY-STEP GUIDE FOR BUILDING A GREAT COMPANY

John Wiley & Sons *More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.*

COMPLETE MBA FOR DUMMIES

You'll find out how to use databases to your advantage, recognize and reward your employees, analyze financial statements, and understand the challenges of strategic planning in a global business environment. You'll also learn the basic principals of accounting, get a grip on the concepts behind stocks and bonds, and find out how technology has revolutionized everything from manufacturing to marketing. Discover how to: Know and respond to your customers' needs Handle budgets and forecasts Recruit and retain top people Establish and run employee teams Use Sarbanes-Oxley to your company's advantage Negotiate with the best of them Build long-term relationships with clients Avoid common managerial mistakes Improve cash flow Market your products and services Make the most of your advertising dollar Once you know what an MBA knows, the sky's the limit. Read The Complete MBA For Dummies, 2nd Edition, and watch your career take off!*

LOOSE LEAF FOR INTRODUCTORY FINANCIAL ACCOUNTING FOR BUSINESS

McGraw-Hill Education *Learning Financial Accounting can often feel like learning a foreign language to students, in particular when terminology and procedure is piled on before core concepts are truly mastered. Introductory Financial Accounting for Business is an innovative approach that emphasizes critical thinking over the rote memorization of terms, such as "debits" and "credits". The sequential learning model employed by the authors helps students see the bottom-line consequences of financial statements as it relates to the overall business, better preparing them for careers as accountants, entrepreneurs, and decision-makers. The authors focus initially on conceptual underpinnings -- the reasons why we approach procedures the way we do - rather than confusing students by front-loading the material with over-complicated details. Author Chris Edmonds has also created a highly popular and widely used series of video lectures, which engage students by clearly and charismatically going over each learning objective in a conversational style. These videos help reinforce important lessons and are always available for review. By developing this stronger foundation, students understand Accounting ideas more broadly and are able to ultimately learn procedural applications more quickly and accurately. With a straightforward writing style and highly engaging video lectures, this dynamic author team leads students down a streamlined learning path focused on critical thinking, clarity of concept, and applicability of material to the real world.*

FINANCIAL ACCOUNTING FOR MANAGEMENT: AN ANALYTICAL PERSPECTIVE

Pearson Education India *Financial Accounting for Management: An Analytical Perspective focuses on the analysis and interpretation of financial information for strategic decision making to enable students and managers to formulate business strategies for revenue enhancement, cost economies, efficiency improvements, restructuring of operations, and further expansion or diversification for creating and enhancing the shareholder's value. MBA, MFC and MBE students are its primary audience but its practical orientation will also be useful to corporate sector managers and CA, CWA, CS, CFA and CAIIB students.*

MANAGERS NOT MBAS

A HARD LOOK AT THE SOFT PRACTICE OF MANAGING AND MANAGEMENT DEVELOPMENT

Berrett-Koehler Publishers In this sweeping critique of how managers are educated and how, as a consequence, management is practiced, Henry Mintzberg offers thoughtful and controversial ideas for reforming both. "The MBA trains the wrong people in the wrong ways with the wrong consequences," Mintzberg writes. "Using the classroom to help develop people already practicing management is a fine idea, but pretending to create managers out of people who have never managed is a sham." Leaders cannot be created in a classroom. They arise in context. But people who already practice management can significantly improve their effectiveness given the opportunity to learn thoughtfully from their own experience. Mintzberg calls for a more engaging approach to managing and a more reflective approach to management education. He also outlines how business schools can become true schools of management.

MANAGERIAL ACCOUNTING FOR MANAGERS

FINANCIAL ACCOUNTING FOR DECISION MAKERS

FINANCIAL AND MANAGERIAL ACCOUNTING

CASES IN FINANCIAL REPORTING

AN INTEGRATED APPROACH WITH AN EMPHASIS ON EARNINGS AND PERSISTENCE

Prentice Hall For intermediate and financial accounting courses at the MBA and undergraduate level, or a supplement to financial statement analysis texts. This collection of financial accounting cases is designed to help students become financial statement users. Each case utilizes financial statement information (balance sheet, income statement, statement of cash flow and/or footnotes) and a number of topical questions. Students use the financial statement information to infer and interpret the economic events underlying the numbers. Related articles taken from business publications accompany some cases, and information from the articles is incorporated into the case question material. Also available the Pearson Custom Case Program.

INTERNATIONAL CORPORATE FINANCE, + WEBSITE

VALUE CREATION WITH CURRENCY DERIVATIVES IN GLOBAL CAPITAL MARKETS

John Wiley & Sons A thorough introduction to corporate finance from a renowned professor of finance and banking As globalization redefines the field of corporate finance, international and domestic finance have become almost inseparably intertwined. It's increasingly difficult to understand what is happening in capital markets without a firm grasp of currency markets, the investment strategies of sovereign wealth funds, carry trade, and foreign exchange derivatives products. International Corporate Finance offers thorough coverage of the international monetary climate, including Islamic finance, Asian banking, and cross-border mergers and acquisitions. Additionally, the book offers keen insight on global capital markets, equity markets, and bond markets, as well as foreign exchange risk management and how to forecast exchange rates. Offers a comprehensive discussion of the current state of international corporate finance Provides simple rules and pragmatic answers to key managerial questions and issues Includes case studies and real-world decision-making situations For anyone who wants to understand how finance works in today's hyper-connected global economy, International Corporate Finance is an insightful, practical guide to this complex subject.

MACROECONOMICS FOR MBAS AND MASTERS OF FINANCE

Cambridge University Press An innovative textbook that provides a concise explanation of the foundations of modern macroeconomic theory and its methods.

FINANCIAL ACCOUNTING

AN INTEGRATED APPROACH

This fifth edition of Trotman's *Financial Accounting: An Integrated Approach* incorporates comprehensive coverage of new issues in sustainability with a new chapter dedicated to current and emerging issues, while building upon the approachable, user-friendly, Australian-focussed style of previous editions. This new edition continues to provide students with a detailed understanding of the accounting framework in a balanced and engaging approach that provides non-accounting majors with enough details to understand and analyse company financial statements and provides accounting majors with a sound basis for future studies in accounting. Drawing on topical source documents and newspaper articles, *Financial Accounting: An Integrated Approach* makes accounting interesting and relevant.

ORGANIZATIONAL CULTURE AND LEADERSHIP

John Wiley & Sons Regarded as one of the most influential management books of all time, this fourth edition of *Leadership and Organizational Culture* transforms the abstract concept of culture into a tool that can be used to better shape the dynamics of organization and change. This updated edition focuses on today's business realities. Edgar Schein draws on a wide range of contemporary research to redefine culture and demonstrate the crucial role leaders play in successfully applying the principles of culture to achieve their organizational goals.

MANAGERIAL ACCOUNTING

FINANCIAL ACCOUNTING

A GUIDE TO FORENSIC ACCOUNTING INVESTIGATION

John Wiley & Sons Recent catastrophic business failures have caused some to rethink the value of the audit, with many demanding that auditors take more responsibility for fraud detection. This book provides forensic accounting specialists?experts in uncovering fraud?with new coverage on the latest PCAOB Auditing Standards, the Foreign Corrupt Practices Act, options fraud, as well as fraud in China and its implications. Auditors are equipped with the necessary practical aids, case examples, and skills for identifying situations that call for extended fraud detection procedures.

FRANK WOOD'S BUSINESS ACCOUNTING VOLUME 1

Pearson Higher Ed The world's best-selling textbook on book-keeping and accounting, Business Accounting Volume 1 continues to provide an indispensable introduction for students and professionals across the globe. It is renowned for clarity, with easy-to-understand language and a plethora of examples to aid your understanding. The 12th edition is updated to be fully compliant with International Financial Reporting Standards (IFRS). Other updates include new coverage of professional ethics, disaster recovery, and over 70 new examples to test your understanding. 'A benchmark for all accounting books.' Sarah Knight, former Finance Courses Coordinator, Huntingdonshire Regional College 'The writing style of the book is "spot-on" and just the right tone - well done! I consider all chapters to be at the appropriate level, very practical and structured in manageable "bite-sized" chunks.' Alison Fox, Lecturer, University of Dundee This title can be supported by MyAccountingLab, an online homework and tutorial system designed to test and build your students understanding. MyAccountingLab provides a personalised approach, with instant feedback and numerous additional resources to support their learning. For students · A personalised study plan · Worked solutions showing them how to solve difficult problems · An eText for quick reference · Case studies to help them apply what they've learned · Audio animations and videos Use the power of MyAccountingLab to accelerate your students learning.

THE 30 DAY MBA

YOUR FAST TRACK GUIDE TO BUSINESS SUCCESS

Kogan Page Publishers If you want to accelerate your career development and transform your skillset, but without the price tag and two-year commitment of the MBA, this is the book for you. The 30 Day MBA covers the 12 core disciplines of business: accounting, finance, marketing, organizational behaviour, business history, business law, economics, entrepreneurship, ethics and social responsibility, operations management, research and analysis and strategy. It provides the tools and techniques you need to seize business opportunities and implement strategies successfully. Complex concepts are explained in simple and practical terms, helping you to apply high level concepts to the real-life world of business. The 30 Day MBA also contains insightful case studies from leading organizations including IKEA, Cisco, Cobra Beer, Heinz, Shell, Hotel Chocolat and Chilango, to help keep you right up-to-the-minute with current trends and inspire you to explore new concepts. This book equips you with essential hard knowledge, but also helps you understand how business and current thinking is shifting in today's turbulent global markets, and broadens your mind with the knowledge and confidence to excel in a competitive career.

STAKEHOLDER THEORY

THE STATE OF THE ART

Cambridge University Press In 1984, R. Edward Freeman published his landmark book, Strategic Management: A Stakeholder Approach, a work that set the agenda for what we now call stakeholder theory. In the intervening years, the literature on stakeholder theory has become vast and diverse. This book examines this body of research and assesses its relevance for our understanding of modern business. Beginning with a discussion of the origins and development of stakeholder theory, it shows how this corpus of theory has influenced a variety of different fields, including strategic management, finance, accounting, management, marketing, law, health care, public policy, and environment. It also features in-depth discussions of two important areas that stakeholder theory has helped to shape and define: business ethics and corporate social responsibility. The book concludes by arguing that we should re-frame capitalism in the terms of stakeholder theory so that we come to see business as creating value for stakeholders.

INVESTMENT BANKING

VALUATION, LEVERAGED BUYOUTS, AND MERGERS AND ACQUISITIONS

John Wiley & Sons Investment Banking, UNIVERSITY EDITION is a highly accessible and authoritative book written by investment bankers that explains how to perform the valuation work at the core of the financial world. This body of work builds on Rosenbaum and Pearl's combined 30+ years of experience on a multitude of transactions, as well as input received from numerous investment bankers, investment professionals at private equity firms and hedge funds, attorneys, corporate executives, peer authors, and university professors. This book fills a noticeable gap in contemporary financial literature, which tends to focus on theory rather than practical application. It focuses on the primary valuation methodologies currently used on Wall Street—comparable companies, precedent transactions, DCF, and LBO analysis—as well as M&A analysis. The ability to perform these methodologies is especially critical for those students aspiring to gain full-time positions at investment banks, private equity firms, or hedge funds. This is the book Rosenbaum and Pearl wish had existed when we were trying to break into Wall Street. Written to reflect today's dynamic market conditions, Investment Banking, UNIVERSITY EDITION skillfully: Introduces students to the primary valuation methodologies currently used on Wall Street Uses a step-by-step how-to approach for each methodology and builds a chronological knowledge base Defines key terms, financial concepts, and processes throughout Provides a comprehensive overview of the fundamentals of LBOs and an organized M&A sale process Presents new coverage of M&A buy-side analytical tools—which includes both qualitative aspects, such as buyer motivations and strategies, along with technical financial and valuation assessment tools Includes a comprehensive merger consequences analysis, including accretion/(dilution) and balance sheet effects Contains challenging end-of-chapter questions to reinforce concepts covered A perfect guide for those seeking to learn the fundamentals of valuation, M&A, and corporate finance used in investment banking and professional investing, this UNIVERSITY EDITION—which includes an instructor's companion site—is an essential asset. It provides students with an invaluable education as well as a much-needed edge for gaining entry to the ultra-competitive world of professional finance.

VAULT GUIDE TO FINANCE INTERVIEWS

Vault Reports Incorporated From the Vault Career Library covering the basics of financial statements, fit portion of interviews and equity and debt valuation techniques in a step-by-step process.
