A DECADE OF DARKNESS, A LIFE RECLAIMED: A MEMOIR OF THE CLEVELAND KIDNAPPINGS

Weinstein Books *Michelle Knight, the first of the three women abducted by notorious Cleveland kidnapper Ariel Castro, recounts the full story of her years in captivity, her escape, and the powerful inner strength and capacity for hope that has helped her rebuild her life.*

LIFE RECLAIMED

RURAL PENNSYLVANIA, NAZI CAMPS, AND THE AMERICAN DREAM

iUniverse In April of 1944, during the last year of World War II and two months before the D-day landings at Normandy, Paul N. Frenkel was a fourteen-year-old living happily with his family in the rural Pennsylvania town of Hadad, Hungary. Suddenly, without explanation or justification, the family was rounded up with other Hungarian Jews, confined in a factory yard, and then herded into cattle cars and shipped off to Auschwitz. In *Life Reclaimed*, Frenkel narrates the story of his life—his prewar idyllic childhood in the foothills of the Carpathian Mountains, his survival in four Nazi camps as a young teenager, the loss of his parents and most of his relatives in Nazi hell, his daring escape from the death march out of Berga-Elster Camp, and his ultimate success as an entrepreneurial business executive and devoted family man in America. A story of endurance, courage, and hope, *Life Reclaimed* represents Frenkel's determined ongoing efforts to come to grips with his World War II experience—why his family and the other Hungarian Jews failed to realize their dire peril from the Nazis; why their Pennsylvania neighbors and friends actively collaborated with the Nazis or passively abandoned their Jewish colleagues to arrest, enslavement, and death; and why this dark past continues to haunt his life and burden his thoughts.

LIFE AFTER DARKNESS

FINDING HEALING AND HAPPINESS AFTER THE CLEVELAND KIDNAPPINGS

Hachette Books From Michelle Knight-Cleveland kidnapping survivor and #1 New York Times bestselling author of *Finding Me* comes an inspirational book about healing and resilience, on the five-year anniversary of her escape. Michelle Knight -- now known as Lily Rose Lee -- captured the world's attention in May 2013, when she and two fellow kidnapping victims were found and freed after being held for more than a decade by notorious Cleveland kidnapper Ariel Castro. But many people are still asking: What happened after her escape? How do you re-enter society after years of abuse and isolation? How do you get past the trauma and live a happy and joy filled life? How do you learn to trust again? In *Life After Darkness*, published on the fifth anniversary of her liberation, Lily describes how she managed to heal the wounds to her body, mind, and soul-wounds, she reveals, that were first inflicted even before her kidnapping. With the help of good friends and anchored by her own inner strength, she takes us with her step by step on her journey out of darkness into the light. An inspiring story -- and for anyone who has dared to hope after suffering, a guidebook to finding new purpose for a

meaningful life.

HOPE

A MEMOIR OF SURVIVAL IN CLEVELAND

Penguin *The #1 New York Times Bestseller* A bestselling book that is inspiring the nation: “We have written here about terrible things that we never wanted to think about again . . . Now we want the world to know: we survived, we are free, we love life.” Two women kidnapped by infamous Cleveland school-bus driver Ariel Castro share the stories of their abductions, captivity, and dramatic escape On May 6, 2013, Amanda Berry made headlines around the world when she fled a Cleveland home and called 911, saying: “Help me, I’m Amanda Berry. . . . I’ve been kidnapped, and I’ve been missing for ten years.” A horrifying story rapidly unfolded. Ariel Castro, a local school bus driver, had separately lured Berry, Gina DeJesus, and Michelle Knight to his home, where he kept them chained. In the decade that followed, the three were raped, psychologically abused, and threatened with death. Berry had a daughter—Jocelyn—by their captor. Drawing upon their recollections and the diary kept by Amanda Berry, Berry and Gina DeJesus describe a tale of unimaginable torment, and Pulitzer Prize-winning Washington Post reporters Mary Jordan and Kevin Sullivan interweave the events within Castro’s house with original reporting on efforts to find the missing girls. The full story behind the headlines—including details never previously released on Castro’s life and motivations—Hope is a harrowing yet inspiring chronicle of two women whose courage, ingenuity, and resourcefulness ultimately delivered them back to their lives and families.

FINDING ME

A DECADE OF DARKNESS, A LIFE RECLAIMED: A MEMOIR OF THE CLEVELAND KIDNAPPINGS

Hachette Books *The #1 New York Times Bestseller and inspirational memoir by Michelle Knight, whose survival story gripped the world and continues to inspire and offer hope.* Michelle was a young single mother when she was kidnapped by a local school bus driver named Ariel Castro. For more than a decade afterward, she endured unimaginable torture at the hand of her abductor. In 2003 Amanda Berry joined her in captivity, followed by Gina DeJesus in 2004. Their escape on May 6, 2013, made headlines around the world. Barely out of her own tumultuous childhood, Michelle was estranged from her family and fighting for custody of her young son when she disappeared. Local police believed she had run away, so they removed her from the missing persons lists fifteen months after she vanished. Castro tormented her with these facts, reminding her that no one was looking for her, that the outside world had forgotten her. But Michelle would not be broken. In *Finding Me*, Michelle will reveal the heartbreaking details of her story, including the thoughts and prayers that helped her find courage to endure her unimaginable circumstances and now build a life worth living. By sharing both her past and her efforts to create a future, Michelle becomes a voice for the voiceless and a powerful symbol of hope for the thousands of children and young adults who go missing every year.

LATE BLOOMER

Fantagraphics Books *Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works.* p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

A STOLEN LIFE

Simon and Schuster A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

Goodbye Bella and Edward!"- I Heart YA Books "This was such a magical and beautifully written tale of love and found family. The plot had all the dynamic twists and turns to keep me enthralled to see what would happen next. I support any book that takes the "good versus evil" theme and flips it so the "evil" beings are misunderstood and hated by the "good" for being different. Also, I just really like vampires." - Verified Reviewer "Leighton had shown off her talents as a world builder, with an ability to create an atmosphere the reader can feel a part of. Her characters arrive on the scene fully fleshed out, each with their own quirks and backstory." - Steve Taintor, Vine Voice "Holy f***ing s***! This woman is an f***ing genius! I mean, seriously! A COMPLICATED LEGACY

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

BROKEN ROAD

A WIDOWER'S JOURNEY

Createspace Independent Publishing Platform Once upon a time, I viewed the Air Force as my personal entertainment and dating service. I was a hard-charging, well-paid, impeccably-educated, high-functioning, award-winning anesthetist and clinical instructor of anesthesia as well as an Air Force captain on my way to becoming a colonel in record time. Beyond that, I worked in a highly specialized area of the military, dabbling in the shadowy world behind the scenes in places some have never heard of, in situations that rarely make the nightly news. Known by important people, I was a guy who could "get 'er done" no matter what the order or mission at hand. On call twenty-four hours a day, I never knew when my next mission would be called. One moment in the operating room in San Antonio, the next on a plane bound for some unnamed location for reasons I wasn't privy to. Leaving my strict Baptist upbringing behind, I was living my dream of becoming a "hero," while fueling my ever burgeoning need for newness and more, sleeping my way around the world with no rules and no conscience. One woman, my childhood image of the "girl next door," changed all that. We met in the back anesthesia hallway at Wilford Hall U.S. Air Force Medical Center. She, a mere first year anesthesiology resident. Me, a superstar staff nurse anesthetist. Despite her lowly position, she was clearly the kindest and sexiest woman I'd ever met. Within a month of our first date, I chose to forego my aspirations of military glory and "settle down." However, soon after Joan and I married, I felt trapped. Trapped by what I recognized as the mundane life of my parents. Trapped by Joan's desire to bear a child. Trapped to the point that I began fantasizing about her death. Then came the call. Twenty-five weeks into her pregnancy, Joan was diagnosed with leukemia. In the blink of an eye, I was transformed from my own personal cynosure to the husband of the pregnant lady with cancer, caretaker, guardian of my wife and daughter's lives, and reluctant chief decision maker on how to reconcile my desperate desire for her to live with her disdain for life support measures. This story depicts not only the battle against cancer faced by Joan and our unborn child, but also my own attempt to move past earlier misdeeds, desperately praying for a miracle, hoping that, despite my sins, God would deign to save the woman and child I loved. Written from the perspective of a former military true believer who turned his back on dreams of glory, chose love, and became a (hesitant) husband, then single father, Broken Road: A Widower' is similar to Nadia Bolz-Weber's Accidental Saints and Anne Lamott's Small Victories: Spotting Improbable Moments of Grace. It seeks to find goodness in the most unlikely of places and characters - me.

DISGUISED BLESSINGS

ONE WOMANS INSPIRING STORY OF TRANSFORMATION IN A MODEL FOR RECLAIMING YOUR LIFE

MY KADDISH

MEMOIR OF A CHILDHOOD IN THE WARSAW GHETTO

This memoir is one of the rare first-hand accounts of a child's life in the Warsaw Ghetto and in hiding on the Aryan side. In this short, beautifully written account, the author weaves together memories from her wartime childhood, reflections on the psychological burdens and damages she carried into her adult life, and accounts of her travel, in the last decade of her life, to contemporary Warsaw, seeking to find traces of the past. In these pages, the reader will encounter events as they were experienced by a child, as well as insights and confessions of an adult- written vividly, honestly, and with striking psychological insight. This unique tapestry of time and perspective makes this book stand out in the vast and growing literature about the Holocaust. This is the black and white version.

It actually made sense and addressed what it said it would do, which in my opinion is a rarity in these types of books. Like any self-help book, you must read it smart and not take everything the author says as gospel, but see how much of it really applies to what you are looking for. I highly recommend it for anyone hanging on to a lot of old hurts and struggling to get past certain portions of their life. If you have 'stuff' back there that is hindering the here and now, then I highly suggest it.- Audrey, August 2015 Live the life of happiness, peace and fulfilment that you deserve. POPULAR MEMOIRS OF WOMEN HELD CAPTIVE

*In this thesis, I apply an interdisciplinary approach to the study of four popular captivity memoirs. Popular captivity memoirs are recent memoirs published by women who have been held captive whose stories were previously well known in the media. The four texts I work with are *A Stolen Life: A Memoir* by Jaycee Dugard, who was taken at age eleven and held captive for seventeen years at a home in Antioch, CA; *My Story* by Elizabeth Smart, who was taken from her bedroom at age fourteen by Brian David Mitchell and held at a camp for nine months in the Utah hills; *Finding Me, A Decade of Darkness* *A Life Reclaimed* by Michelle Knight, who was kidnapped at age twenty-one by Ariel Castro and held captive in his home in Cleveland for ten years with two other women; and *Hope: A Memoir of Survival in Cleveland* by Amanda Berry and Gina DeJesus, who were held captive by Ariel Castro along with Knight. These texts are significant because they provide insight into how these women choose to frame their trauma in the written form intended for mass consumption. My analysis seeks to answer the questions: What are the significant themes, ideology, and messages that are contained within these narratives? How does the medium of a popular memoir deliver the narrative of trauma to fit the ideals and expectations of readers? How do the structures and framework resemble past structural narratives, and what do these similarities say about popular narratives? To address such questions, I (1) use genre theory to identify the components of the popular captivity memoir genre, (2) apply a structural analysis adapted from folklorist Vladimir Propp's *Morphology of the Folktale* to identify common functions of narrative, (3) identify and analyze common themes and narrative structures within the texts, and (4) explore recent texts in film and television that appear to be influenced by themes from popular captivity memoirs. By closely examining formulas, themes, and structures of the popular captivity memoirs, this thesis provides insight on how these memoirs both reflect and influence familiar narratives about reckoning with trauma.*
